

RESPECT-LIFE MASS
at
St Michael Catholic Church
Monday, Jan 21st at 7:00pm

The Respect-Life Ministry of St. Michael's commemorates the infamous Roe vs. Wade Supreme Court decision legalizing abortion on January 22, 1973

As a prelude to the Mass, there will be a procession of children and young adults representing their years of birth from the date of that court decision (1973) to the present.

A bell will toll for each person in the procession when they place a single rose in a vase at the altar. Each rose represents the millions that have been aborted during the year of that person's birth. We remember and pray for healing for those mothers and fathers who lost their children and their parenthood.

YOU CAN PARTICIPATE

Volunteer yourself, your children, or grandchildren to participate in the procession representing their year of birth.

We look forward to hearing from many of you to help on this solemn occasion. Thank you for your concern for life and please continue to pray for an end to abortion.

The Gabriel Project, St. Michael's Pro-Life Ministry, and Christian Connection all work in concert with the Catholic Diocese of Ft. Worth to eliminate the crisis situations that cause people to consider abortion. With your help to raise awareness that there is a solution, we can lead our society to be a people of life.
Adoption – the Loving Option.
