SINCE 1882.

“Our insurance is both ethical and faithful to Father McGivney’s vision. It is insurance by brother Knights for brother Knights. Our investments reflect our Catholic values. This is the Knights of Columbus difference. This is why a brother Knight can choose no better company for the protection of his family.”

Today, we have more than \$98 billion of life insurance in force, and nearly 1,500 full-time brother agents.

We are — first and foremost — a Catholic business. We will not invest in companies that deal in abortions and abortifacients, pornography, and other lines of business that violate Church teaching.

We invest ethically, and give generously.
