YOUR SHIELD FOR LIFE

Insurance for Brother Knights By Brother Knights

In 1882, Father Michael J. McGivney saw firsthand the devastation of a family caused by the death of the breadwinner. From his vision, the Knights of Columbus insurance program was created to provide financial security for its members and their families. Today, we have more than \$90 billion of insurance in force, and 1,400 full-time brother agents dedicated to carrying out his vision.

Why Meet with Your Agent?

As a brother Knight, your field agent has a special perspective on your situation. He meets with families just like yours every day. He wants to learn about your goals and dreams, so he can tailor a comprehensive insurance plan to protect you and your family.

Many members do not realize the services their agent can provide. Some of these include:

- Free insurance needs analysis;
- Advice on estate preservation and mortgage protection;
- Retirement planning;
- Tax-deferred savings options
- Discussion of disability income insurance and long-term care needs.

Your field agent is an expert in life insurance, annuities, long-term care and disability income insurance. Meet with him to plan for the future.

In a world of uncertainty, we offer guarantees of safety and security to Catholic families.

Your Agent is Here for You...

Jonathan Pandolfo is a field agent with the McGeehan Agency, serving brother Knights and their families in Central and South New Jersey. A Knight since 2009, Jonathan became a field agent in 2013.

“I love the Knights of Columbus and was inspired by my father who has been an agent for the K of C for over 20 years,” said Jonathan.

Jonathan has resided in Barnegat his entire life. He attended Ocean County College for two years and graduated with a Bachelor’s degree in Physical Education and Health in 2011 from Kean University.

“I taught at Barnegat Middle School for two years before joining the Knights of Columbus field force,” said Jonathan. “I love our area and community. I am one of six children and value family more than anything in life and that is why I love the KofC because it makes us better Catholics and benefits our families.”

Jonathan has been involved with the Order since he was a child. He went to council activities and events with his family when he was young, and that helped bring him to this career path.

Members who meet with Jonathan find him knowledgeable and compassionate. He wants to learn about each member’s dreams and hopes for his family. With this in mind, Jonathan creates a personalized plan of coverage to suit these needs while fitting in the budget.

“Growing up as the son of a field agent for the KofC gave me a great insight to what this job is all about,” said Jonathan. “It is about you, the member, and my goal is to personally meet with each of you at least once a year to make sure you and your family are protected and have knowledge of the many great benefits that the KofC offer you and your family.”
