Where your donation goes

Funds raised at the Knights of Columbus Celebrity Dinner last year helped cover the costs of a much-needed Pheresis Machine for Saskatchewan. A key piece of technology, this machine can easily remove components from the blood, including toxins in children with metabolic diseases, white blood cells in young cancer patients, and inflammation in children with infection. Without this vital piece of equipment, these life-saving services would not be available to Saskatchewan children.

Celebrity Dinner Event

2016 FEATURING

ALVIN LAW

Alvin Law is a Hall-of-Fame keynote speaker who uses his story to challenge and inspire even the most resistant, heard-it-all-before audience. As a living, breathing example of the power of attitude, he busts through the self-imposed blockages we all have about who we are and what we can achieve, and provokes us to examine and rewrite the stories we tell ourselves about our role, our abilities and our lives.

RICHARD (DICK) POUND

Richard is a Canadian lawyer and author, and a former competitive swimmer. He is a former president of the World Anti-Doping Agency (WADA) based in Montreal, and a former chancellor of McGill University. He served as vice-president of the International Olympic Committee (IOC) from 1987 to 1991 and again from 1996 to 2000, and was a one-time candidate for the presidency of that organization.

RYAN & BRIAN

Ryan and Brian are a father/son music group that performs popular "Music for Everyone" that will have you smiling, singing, tapping, clapping to every song! The group has received considerable media coverage for their charity performances along with being popular performers at local senior and special care homes. Ryan Kendall was also a recipient of the 2016 edition of CBC Saskatchewan Future 40 Under 40.
