Resolutions per Article X Section 5 (b): The Resolutions Committee shall consist of the State Advocate as Chair, three Past State Deputies, and two others appointed by the State Deputy. The meeting of Resolutions Committee shall be open to those Councils submitting resolutions and other Councils wishing to discuss them.

The purpose of the Good of the Order Committee is to urge adoption of the proposals and recommend that proper steps be taken to see that the proposals are carried out to the best of our ability. It is recommended that each Grand Knight keep a copy handy for use throughout the year, and make copies available to council members.

Each District Deputy has been charged to pick one individual to be on the Good of the Order committee, giving us a base which covers the entire state. Please contact State Secretary John Brenner with your District's representative *prior to the March State Informational Meeting.*
