John T. Pierce
State Deputy
Oklahoma State Council
Knights of Columbus

Worthy State Deputy and dear Brother Pierce:

In my own name, and on behalf of the Supreme Officers and Board of Directors, I offer greetings to you and all my brother Knights as the Oklahoma State Council gathers for its annual convention. Your meeting comes at a time of great opportunity for our Order as you honor the achievements of the past fraternal year and plan for still greater success in the year ahead.

As our Order celebrates its 137th anniversary, the need for the Knights of Columbus is greater than ever. You gather at an important time in the history of our Church to affirm the vision and mission of Venerable Father Michael McGivney — to strengthen the faith of Catholic men; to build up our families as domestic churches and safeguard them from financial hardship; to stand in solidarity with our priests and bishops; and to serve our brothers and sisters in need, whether you are giving food or warm coats to families in your community or supporting persecuted Christians in the Middle East.

Through our new Faith in Action program, we are encouraging Catholic men to engage in practical charitable activities based in prayer and masculine virtue. In this way, we continue to make membership growth a priority for every state council, since with every new brother Knight, our Order can offer even more charitable service to our communities and parishes. We have a moral obligation to invite every eligible Catholic man to become a Knight, and give him the opportunity to protect his family through our extraordinary insurance program.

Finally, I express my sincere gratitude to you, the state officers, district deputies, council officers, general and field agents, and each brother Knight who has contributed to our Order's mission in Oklahoma.

May Our Lady of Guadalupe watch over and guide your convention, and may Venerable Father Michael McGivney intercede for us all.

Fraternally,

Carl A. Anderson
Supreme Knight

Worthy State Deputy Pierce,

On behalf of our Supreme Knight, Carl Anderson, the Supreme Officers and Supreme Board of Directors, I extend greetings to my brother Knights of Oklahoma on the occasion of your 114th Annual State Convention being held in Edmond, OK.

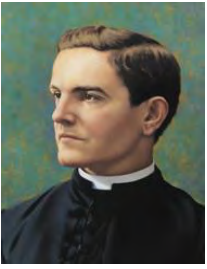

Each year the convention gives us the opportunity to celebrate the current year accomplishments, renew old friendships, to make new ones, and to highlight the good works of the Order. I hope that each of you attending will be inspired by an event, activity or speech and you take that inspiration back to your councils. Our parishes and communities are entrusting the Knights of Columbus Councils to provide programs that instill our principles.

It is an honor for me and my wife Janette to be invited to share this important event with my brother Knights and their families. May our beloved founder Venerable Father Michael J. McGivney continue to intercede on behalf of us all.

Fraternally,

Ronald F Schwarz
Supreme Treasurer

MAKING A DIFFERENCE FOR LIFE

April 26, 2019

Worthy Brother Knights and Ladies,

On behalf of the State Officers it is my pleasure to welcome you to the 114th annual Oklahoma Knights of Columbus State Convention in Edmond, Oklahoma.

Founded in 1882 by Father Michael J. McGivney, the Knights of Columbus has become the largest Catholic fraternal organization in the world. Guided by the principles of Charity, Unity, Fraternity and Patriotism our Order continues to expand its charitable outreach throughout the world.

Each year our state convention is the single largest gathering of Knights in Oklahoma. This is a time to celebrate our accomplishments of the past year; a time to renew old friendships and to make new ones.

The State Officers and Host Council 6477 have worked very hard over the past several months to make this a memorable event. It is my hope that all attendees will benefit from the fraternalism this event provides and that your participation this weekend will rejuvenate your enthusiasm for our great Order.

May Blessed Stanley Rother watch over and guide our convention and may our beloved founder, Venerable Michael J. McGivney continue to inspire us.

Fraternally,

John T Pierce
State Deputy

April 27, 2019

My Dear Brother Knights,

Greetings in the Risen Lord! It is a great joy to welcome you to the 114th Oklahoma State Convention of the Knights of Columbus in Edmond, Oklahoma.

We are living in a time of increasing threat to the sanctity of life, especially the lives of the unborn. The Knights of Columbus have always remained firm and steadfast in their support of the dignity of human life. I am grateful for all the ways the Knights of Columbus have continued to defend the defenseless. Please continue to do so, and especially to work toward and pray for an end to the scourge of abortion in our community and indeed our world.

I am grateful for your leadership and support, and confident that I can continue to rely on the Knights to be leaders in our mission of mercy.

I look forward to greeting many of you and celebrating with you the good work of the various councils and members of our state, but even more importantly, the opportunity to celebrate together our Catholic faith.

Be assured of my continuing prayers for you and your families. Vivat Jesus!

Sincerely yours in Christ,

Most Reverend Paul S. Coakley

Very Rev. Price Oswald, State Chaplain
Officers and Delegates
Oklahoma Knights of Columbus Convention

Dear Brother Knights:

Praised be our Risen Lord, Jesus Christ! Alleluia!

With gratitude to God for the gift of your faith, it is my pleasure to extend greetings to the 114th State Convention of the Oklahoma Knights of Columbus. This special gathering is always a positive moment not only for the Knights of Columbus, but also for the entire Church in Oklahoma!

Your gathering this year coincides with the Octave of Easter and the celebration of Divine Mercy Sunday. These days are the center of our lives as Catholics as we celebrate once again the great mystery of our salvation through the passion, death and resurrection of Jesus, whom Pope Francis describes so beautifully as “the face of the Father’s mercy.” Jesus Christ, triumphant over sin and death, is truly “the Way, the Truth and the Life” for all the world.

As Knights of Columbus, we have a particular role in sharing this Good News in our families, in our parishes, in our places of work, in our nation and in our world. May this 114th State Convention be an occasion of renewal for all delegates, so that the truth of the Gospel of Life may shine ever more brightly before all!

Be assured of the continued prayers and encouragement of the Monks of St. Gregory’s Abbey.

Peace,

Rt. Rev. Lawrence Stasyszen, O.S.B.
Abbot of St. Gregory’s Abbey

OKLAHOMA STATE COUNCIL KNIGHTS OF COLUMBUS

March 26, 2019

Worthy State Deputy and Delegates,

My name is Philip Stramski, and I ask that you please accept this notice as my official letter of intent to add my name to be considered for the State office of Warden during this year's 114th Annual Knights of Columbus Convention.

My belief is that any good Knight must recognize the strength given to him by a supportive family; God has blessed me with an incredible family who is committed to supporting me as State Warden. I am married to my amazing wife, Amelia. I'm blessed to be a Step-father to an energetic, seventeen year old son, Matthew. I have learned through my experiences working in the State Family of the Knights of Columbus that as a married man, having the support and assistance of my wife, has proven to be an astounding resource and asset. Watching Amelia's involvement throughout the years has shown me, and I hope others, that not only is she an incredible wife and mother, but also a tremendous partner and teammate. Having this sacramental partnership has not only been a true blessing to me, but I feel that it has benefitted our Order during my time in the State Family. Therefore, it is in the spirit of a solid union, that as I submit this letter of intent it is done with the mindset that by electing me as the next State Warden that I truly believe that WE can together benefit the State of Oklahoma Knights!

As with most Catholic families, our faith is grounded in our parish life. Our family attends St. Teresa of Avila Parish in Harrah, Oklahoma. Our son Matthew is a junior at Harrah High School. Amelia and I together taught High School Religious Education at St. Teresa's right after we got married. I am an Usher, Extraordinary Minister of Holy Communion, and Amelia and I are both Lectors. I currently serve on the Parish Council. Under the Archdiocese "Go Make Disciples" initiative, I took part in the CCO faith studies. We have both attended Cursillo and we have been blessed to reap the benefits of this program into our spiritual lives.

I am proud to say that I am a lifelong Oklahoman and that my roots in our state run deep. I am a graduate of Mount St. Mary's High School in Oklahoma City, and a proud Veteran of the United States Marine Corps. I have been employed by MidFirst Bank for the last sixteen years, starting out in their Mortgage Division customer service department, but now I currently work in the challenging yet valuable Legal Department. I have worked as an Accounting Clerk for an Oil and Gas Exploration Corporation and served as an Office Manager for a small Telecom Engineering and Construction business. Amelia grew up in Lawton attending Blessed Sacrament Catholic Church. She graduated from Eisenhower High School and earned her Bachelor's Degree in Elementary Education from Cameron University. Amelia further pursued and earned her National Board Certification for Professional Teaching. She has been an Elementary Teacher for over twenty years. I am proud to say that she has recently applied to the University of Central Oklahoma to begin her Masters in Administration and Educational Leadership.

One of the many reasons I believe that I would make a worthy State Warden is that the Knights—and specifically the Oklahoma Knights—have been such a formative part of who I am as a man. I am a son of a Charter Member of Our Lady of Fatima Council #5396, so I have been around the Knights of Columbus all of my life, and I considered myself a junior Knight as a kid growing up. I officially became a card carrying member during my senior year of high school. As of this month, I have been an official member of the Knights of Columbus for thirty-three years (33). I have served as various Directors, Chairman, and officer positions at the Council level throughout the years. Once this fraternal year ends, I will have completed my second, three year term as Grand Knight for two different Councils as I am currently the Grand Knight for Father Norbert Lukes Council #4598 in Harrah. I am a fourteen year Fourth Degree Member of the Father Alojzy Walezcek

Assembly #2625. I also served as District Deputy for District #13 for three years. I was elected as State Warden and ran for State Advocate the year that our current worthy State Deputy John Pierce was elected to that office. This loss afforded me the opportunity to step back, and redirect my experience in other areas within the State Family. This time allowed me the opportunity to continue to expand my leadership experience and gain additional knowledge that I may have not gained otherwise. It also allowed me to witness the incredible job that our State Deputy John Pierce and his lovely wife, Cheryl, have provided our State Council. Their teamwork has set the tone, and has provided an example for the rest to follow.

If elected State Warden, I will come into the position with valuable experience at the state level and accomplishments to show during my time in leadership. During my appointment as State Membership Director, I assisted our State Deputy in the membership efforts of the State, which resulted in Oklahoma obtaining not only the prestigious Circle of Honor for 2 years, but also the Pinnacle Award, the highest honor that a State can receive as a result of membership recruitment, during 1 year of my tenure. I have served as the State Church Activities Director, and at the request of our State Deputy, John Pierce, I assumed the role as the State General Program Director. In this position, I feel that I have been able to recruit some very talented and dedicated Brother Knights as we moved forward with the implementation of the new program model, "Faith in Action". As with my time as State Membership Director, my leadership approach and philosophy has been to identify and appoint talented, competent Brother Knights and, after providing my initial vision and direction of how I see the programs move forward under the Supreme guidelines, allow them the flexibility and trust to build their Program under the "Faith in Action" program model. Although this program model is new, the Directors appointed at this time have embraced their position and are serving in a stellar manner.

Serving the Knights and the Church is somewhat of a tradition in the Stramski household. Amelia and I started dating at the time I was appointed State Membership Director. Even though she did not know much about the Knights of Columbus, she advised me she would be supportive of the work I did and whatever roles I chose to pursue. Not only has she been supportive, but she has also taken an active role in attending the majority of the state meetings. Amelia has been eager to provide her services where she could.

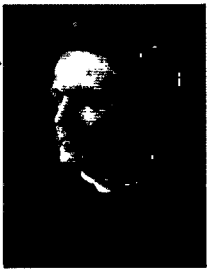

Volunteering to do the Lord's work is not new for my wife. She taught Religious Education for five years at Blessed Sacrament and was a Beginning Experience team member for seven years. Amelia is an active member of the Christ the King Catholic Daughters of the Americas (CDA) Court #1586 at St. Teresa's. The KofC State Ladies have a yearly project of sending Valentine cards to all the Seminarians with a little financial token as a symbol of their support at one of the loneliness times of year for our Seminarians. Once Amelia was exposed to this project, she took it back to the Catholic Daughters and they adopted this program and now have joined in the efforts of showing love and support for our Seminarians. She has been involved in many programs and has been instrumental in bringing several successful fundraising opportunities to her CDA Court. This year the Court named Amelia Catholic Daughter of the Year for their Court and she will be recognized along with other Courts at the CDA Convention May 4th. Amelia caught on early that the Knights of Columbus State Ladies and their leadership can be an example for others to follow. I see her striving to bring nothing but her best to our State Family!

I believe that the goals Amelia and I have, align perfectly with the direction the current Slate of State Officers are striving to achieve. I am proud of our State Council and the accomplishments of the past several years. As State Warden, I believe I would continue the tradition of excellence for which we have become known. My leadership experience, devotion to the Knights of Columbus, and love for God, the Church, and my family make me a great candidate to be our next State Warden. I humbly ask for the confidence, support, and prayers of my Brother Knights as I seek election to this worthy office.

Vivat Jesus!

Worthy State Officers:

I have been told every state officer should attend a Supreme Convention prior to becoming a State Deputy. In hopes of one day being elected to the office of State Deputy, this is official notice of my intent to run for delegate to the Supreme Convention in August 2019.

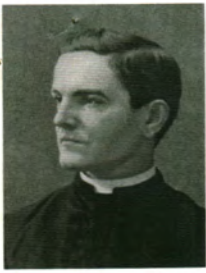

My brother Knights have had the confidence in me to elect me to the offices of Grand Knight for two years, Faithful Admiral for two years, State Warden for two years, and currently, State Advocate for two years. I pray they will have the same confidence to elect me as a Supreme Delegate. Also, be it known that I have been a Knights of Columbus insurance member since 2009.

I have been honored to participate in various capacities at numerous State Conventions here in Oklahoma as well as the Supreme Convention in 2017. I would eagerly accept the opportunity to attend the Supreme Convention as a delegate of the State Council of Oklahoma in 2019.

MAKING A DIFFERENCE FOR LIFE

State Deputy's Report to the 114th Convention of the Oklahoma Knights of Columbus

Reverend Father, Supreme Treasurer and PSD, State Officers, Past State Deputies,
District Deputies, General Agent, Delegates, Ladies and Guests:

I am pleased to report that Columbianism is alive and well in Oklahoma. Since our gathering at the 113th annual convention one year ago our Knights and their families have been supporting events and programs throughout Oklahoma employing the practice of our principles of Charity, Unity, Fraternity and Patriotism.

During the past year your State Council has engaged in numerous activities including the following

In early June Cheryl and I attended the Annual State Deputy Conference in New Haven, CT. Presentation of the new Faith in Action program was major component of the conference. Supreme Knight Carl Anderson emphasized that the purpose of the revised program structure is to focus our efforts on building Catholicism rather than Columbianism.

We kicked off the 2018-2019 Fraternal Year with District Deputy Training and the Installation of State Officers on June 30th and July 1st at St John the Baptist Church in Edmond, OK.

The 2018 Supreme Convention was held in Baltimore, MD, August 7th – 9th and Oklahoma was well represented. Archbishop Paul S. Coakley and State Chaplain Fr. M. Price Oswalt were in attendance. The Oklahoma delegation included my wife Cheryl and me, IPSD Bob Melko plus elected delegates Miguel Grijalva, Garth Christian, Rick Miller, Dennis Kunnanz, Peter Pembroke and their wives. Vice Supreme Master David Roewe, his wife Melani, General Agent Kevin Pierce and his wife Amanda also attended.

The highlight of the convention was the presentation of a new pilgrim icon titled "Our Lady Help of Persecuted Christians". This icon is traveling to all jurisdictions in the Order and is being made available to all subordinate councils. The circulation of this icon marks the Order's 18th Marian Prayer Program. The Oklahoma State Council has received two of these icons and they are currently being circulated to all councils in the State. The icon, commissioned by the Supreme Council, was created by Italian artist Fabrizio Diomedi. It depicts the Blessed Mother with the Child Jesus over her heart. The images surrounding the Blessed Mother are a representative gathering of recent

Christian martyrs including six priest members of the Knights of Columbus who were killed by the Mexican government in the early 1900's. The purpose of this Marian Prayer Program is to educate our members and our fellow parishioners of the persecution of innocent people in our world today and to promote prayer and physical support for the restoration of Christian communities in the Middle East, the cradle of Christianity in the world.

Council leadership workshops were held at the Center of Family Love in Okarche and at St Mary Church in Tulsa on August 18th & 19th, respectively. On October 14th the State leadership team conducted a planning session with the host council for the 2019 State Convention at the Edmond Hilton Garden Inn.

The running of the Silver Rose in 2018 marked the 59th year of the program that began in 1960 as a project of the Columbian Squires of North America to honor the Blessed Virgin under her title of Our Lady of Guadalupe, Patroness of the Americas. On October 13, 2018 the Oklahoma jurisdiction received the Supreme Silver Rose from the Kansas jurisdiction at Sacred Heart Church in Miami, OK. Oklahoma State Chaplain Reverend M. Price Oswalt celebrated Mass and Sacred Heart Council 3167 hosted a banquet following Mass. The Supreme Rose was then transferred from council to council along a route through eastern Oklahoma culminating in its transfer from the Oklahoma jurisdiction to the Texas jurisdiction on November 10, 2018 at a Mass celebrated at St. Mary Church in Gainesville, Texas.

Concurrent with the running of the Supreme Rose through eastern Oklahoma, the Provincial Rose assigned to District Master Fred Crump traveled along a route through western and central Oklahoma. The running of the Provincial Rose commenced October 27, 2018 at St. Peter Church in Guymon, Oklahoma and concluded November 27, 2018 at Blessed Sacrament Church in Lawton, Oklahoma.

Former District Deputy Chris King served as the 2018 program chairman. Chris planned the routes through Oklahoma for both Roses and scheduled the special Masses celebrated at numerous Oklahoma parishes.

In December 2018 a delegation from Oklahoma consisting of Vice Supreme Master David Roewe, District Marshal Rick Miller and his wife Laura and me and my wife Cheryl traveled to Laredo, Texas to participate in the transfer of the Silver Rose from the Texas jurisdiction to Mexico. On December 8, 2018 a Mass was celebrated at the San Agustin Cathedral in Laredo followed by a procession of over 100 Knights and their families to the center of "Bridge 1 - Gateway to the Americas," where the Rose was transferred to Mexico. Bridge 1 is an international bridge over the Rio Grande River, that marks the border between the United States and Mexico. Along with Mark Evans, Texas State Deputy, I had the honor of carrying a Silver Rose for presentation to the delegation from Mexico at the center of the bridge.

For many years the Oklahoma State Council has maintained a scholarship program dedicated to the support of students seeking a Catholic education at St Gregory University. This program has been generously supported by the councils, assemblies and ladies auxiliaries of Oklahoma. Given the unexpected closing of St Gregory's in November 2017 our scholarship program is no longer viable. Over the past year the State Council evaluated proposed programs to replace the St Gregory scholarship program. Two new programs designed to support Catholic education in Oklahoma have been developed and they will be presented at the Convention Awards Breakfast on Sunday.

In early November Cheryl and I attended the State deputy's Mid-Year Meeting in Houston, TX. The topics covered were presented to our District Deputies on December 1st – 2nd in Stillwater, OK. District Deputies received training on the improved Safe Environment Program tracking system. In addition, working with our Pastors, implementing the Faith in Action program, young adult and Hispanic development and the Online Membership Program were discussed.

The twenty-third annual Oklahoma Catholic Men's Conference was held March 9, 2019 at the Embassy Suites in Norman, OK. Over the past 23 years the Oklahoma Knights of Columbus have supported the annual men's conference by attending the conference and by volunteering to assist the conference planning team. This year was no exception. Over 400 Brother Knights attended the conference.

Approximately 25 Brother Knights volunteered on the day of the conference to help with several tasks. Our members assisted at the registration desk, assisted the conference sacristan with the set up the altar and ambo for Mass, acted as greeters by providing directions to attendees and announcing the start of conference sessions, acted as ushers for the love offering collection and provided an Honor Guard at the conference Mass celebrated by Archbishop Paul Coakley. Total conference attendance this year was 1000 men, a record registration.

For the tenth year in a row the State Council set up a greeting table at the conference. This year our Regional Growth Director, Ray Lopez, and our Regional Training Director, Ken White, attended the conference and assisted at our greeting table. Our General Agent and many of our Field Agents also assisted at the greeting table. This year we set up a dedicated Supreme Landing Page for recording potential recruits plus we utilized the Online Membership program to sign up men who wanted to join.

The Agency and the State Council provided incentive prizes to men who signed up online at the conference. Members who sponsored those who signed up also participated in the incentive drawings. In past years, utilizing the traditional

membership forms and recruiting methods, we typically signed up three or four men to join the Order on the day of the conference. This year we signed up 20 new Online Members at the conference. These results clearly demonstrate the value of the Online Membership Program as a recruiting tool. In addition, use of the online program is attracting younger members to our ranks.

As leaders in our Order it is our duty to serve the needs of our members, their families and our parishes. To fulfill this duty, we must assure the continued viability of our local councils and our State Council. Continued recruitment of younger members is essential if we are to assure the continued viability of the Knights of Columbus in Oklahoma. Every year Supreme establishes recruitment goals for each council, each district and for the State. For the past six out of seven years we have met or exceeded our State recruitment goal. As of today, our recruitment numbers indicate that we are on target to make our goal again this year. However, we must continue our recruiting efforts through the end of the fraternal year.

The Oklahoma Jurisdiction is known for finishing strong and this year it is important that we make every effort to finish as strong as possible. Membership Director Ryan King will provide recruitment recommendations in his report to this convention. Ryan and his team stand ready to assist you in recruitment planning and execution.

As evidenced by our success at the Catholic men's conference this year, the Online Membership Program can produce excellent recruiting results. For those who are not familiar with this system, it allows a qualified Catholic man to join our Order quickly and easily on-line as an unassigned member of the State Council. Once in the system, unassigned members are immediately available to be inducted as 1st Degree members of a council in their area. Ryan King will provide a live demonstration of the Online Membership tool as well as the Supreme Landing Page tool during his report to this convention. By taking full advantage of these new tools and through your stepped-up recruiting efforts we can exceed our year-end goal and thus assure the continued viability of our local councils and our State Council.

The support of our seminarians continues to be a vital component of our State Council programs. Through the Supreme managed Christopher fund, the Supreme supported RSVP program, the Oklahoma State Council Pennies for Heaven program and the Oklahoma State Council 365 Club, funds to support vocations are provided to the dioceses and funds are provided directly to our seminarians. A very special seminarian support program was initiated in 2015. In 2015 the State Officer wives began a tradition of sending Valentine's Day cards to the seminarians of both dioceses. Included with each Valentine is a gift card. The inspiration for this tradition came from our State Chaplain Fr. Oswalt. This year the State Officer wives sent Valentine's greetings and \$50.00 gift cards to all 42 seminarians. At the Awards Banquet this

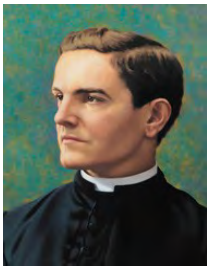

evening the State Officer wives will be conducting an auction to raise funds for Valentine's Day 2020.

I would like to extend my thanks and the thanks of the State Officers to our State Chaplain Father M. Price Oswald for his continued service to the State Council. Fr. Oswald's guidance and counseling to me and the State Officers has been a true blessing.

In closing I would like to extend my thanks to the State Officers and the entire State Family for your tireless support. And I would like to thank you my Brother Knights for all that you do to support our members, their families and our parishes. Serving as your State Deputy for the past two years has been a privilege and an honor. Cheryl and I sincerely appreciate all the prayers and loving support you have provided.

VIVAT JESUS!

April 28, 2019

Worthy State Chaplain, Supreme Representative, State Officers, District Deputies, Program Chairmen, Insurance Representatives, Delegates and Brother Knights: the Secretary's report to the 114th Annual Convention of the Oklahoma Knights of Columbus is as follows:

Membership census as reported by the Supreme Council on April 1, 2018, were used to calculate each subordinate council's per capita and public relations assessment. To date all councils in Oklahoma except for 7 have paid their assessment for 2018-2019 Fiscal Year and all councils with the exception of those in arrears are eligible to seat delegates at this convention.

In addition, the April 1st census was used to calculate the premiums for liability insurance made available through the State Council to each subordinate council. To date 48 of the State's active councils have taken advantage of the liability insurance offered through the State Council.

The total membership of the Oklahoma State Council as of April 1, 2019 is 8,666 consisting of 3,622 insurance members and 5,044 associate members according to the Supreme Council records. This figure reflects net gain of 16 insurance members and a net gain of 32 associate members for a total gain of 146 members since July 1, 2018. The current membership includes 292 Honorary members, 1,166 Honorary Life members, 46 Disabled members and 285 Inactive members.

The State Secretary receives and records all funds collected before they are deposited by the State Treasurer. Checks are written by the State Treasurer after receipt of warrants that are issued by the State Secretary and approved by the State Deputy. A complete accounting of all fund transactions for the prior fiscal year are included in the State Treasurer's report.

In December, delegate forms were sent to all councils. These delegate forms provide a means for Councils to report the names of their delegates to this convention as well as their alternates. Credentials for this convention were mailed to the delegates on April 19, 2019 after verification that each council was in good standing with both Supreme and the State.

Minutes of the State Officers and other state meetings have recorded for the past year. Booklets and CDs of the minutes of the 113th Convention of the Oklahoma State Convention have been distributed this weekend.

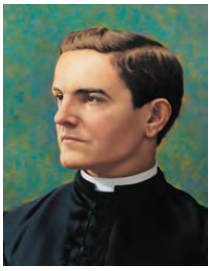

The names of all Oklahoma Knights of Columbus members reported to the State Council who have died since last convention were read at Mass last evening and their names will be recorded in this year's convention minutes. The State Council requests that a Mass be offered for all deceased members in their home parish provided a request by the council is received by the State Secretary. I encourage all Council's take advantage of this benefit. This year 30 such requests were received and Masses requested.

It has been my honor and privilege to serve as the State Secretary during the past year. I am grateful for the encouragement and support given me by the State Chaplain, my fellow State Officers, District Deputies, Program Directors, Insurance Representatives, Council Officers and my Brother Knights across the State of Oklahoma.

Respectfully submitted,

Worthy State Chaplin, Worthy Supreme Representative, Worthy State Deputy, Worthy Vice Supreme Master, Worthy State Officers, Worthy Past State Deputies, Worthy Former District Masters, Worthy General Agent, Worthy District Deputies, Worthy State Program Director, Worthy State Membership Director, Worthy Program Chairmen, Worthy District Marshals, Delegates, Brother Knights, and guests:

The 4th Degree in the Oklahoma District is active, doing well and all active Assemblies are in good standing. This Fraternal year has been very busy and exciting for me and the 4th Degree team, as the District Marshal's; SK Rick Miller of the Oklahoma City Diocese and SK Tony Lechtenberg of the Tulsa Diocese have done an excellent job leading countless Honor Guards and several Color Guards throughout the state of Oklahoma.

I am very proud to report that the Oklahoma District exceeded the membership goal for our last two fraternal years and we are on target to meet or exceed the goal for this fraternal year. The Degree exemplar team lead by SK Paul Schaefer, conducted two Patriotic Degree Exemplifications, with the first hosted by Assembly 855 at St. James in Bartlesville, on October 6, 2018 and the second hosted by Assembly 2004 at St. Monica in Edmond on March 16, 2019. The next will be a morning Exemplification to be hosted by Assembly 3070 at St. Andrew in Moore on June 8, 2019, for our Priests, Deacons, Seminarians, and any 3rd Degree Knights who wish to join the 4th Degree. I want to thank my Marshals and the entire 4th Degree Exemplification team for their outstanding support to the Oklahoma District. Lastly, I want to thank my Executive Assistant, SK JJ McCarthy, for his superb support for me and the 4th Degree. The Oklahoma District cannot be successful without their support.

We need to continue our efforts in recruiting new members to the 4th Degree. I ask myself, why would anyone want to become a 4th Degree Member. We are the most Visible Arm of the Patriotic Degree. It takes courage to wear the New Uniform and/or the old Regalia because when someone sees you, they know we are members of the 4th Degree of the Knights of Columbus. In 119 years of the 4th Degree, we have had 5 uniform changes and I ask you to support the decisions made by our Supreme Board Members and Officers of the Knights of Columbus. I

will not force anyone to purchase the new uniform, but if you are a current 4th Degree member serving in honor guards with Regalia, come July 1, 2019 you will not be able to serve in honor guards without wearing the new uniform. If you have not purchased the new uniform, I am selling raffle tickets at \$10.00 each to win a new uniform, with the drawing at the end of July 2019.

Thank you to all the Faithful Navigators and Faithful Comptrollers who submitted their forms to Supreme, Vice Supreme Master and me on time.

Lastly, I want to thank Vice Supreme Master, SK David Roewe for his leadership to me, the Oklahoma District and other six Districts in Our Lady of Guadalupe Province.

I respectfully submit this report for inclusion into the minutes of the 114th Oklahoma Knights of Columbus 2019 State Convention.

Worthy State Chaplain, Worthy State Deputy, Worthy Supreme Representative, Worthy State Officers, Delegates and Brother Knights, assembled here for this the 114th Annual Knights of Columbus State Convention in Edmond, Oklahoma on this the 28th day of April 2019.

I wish to inform each and every one of you who are members in good standing of a council in good standing with the Oklahoma State Council, that you have a voice and a vote at this Foundation meeting.

The By Laws of the Foundation state that it was organized exclusively for religious, charitable, scientific, and educational purposes and I feel that the board meets and follows these guidelines.

The Foundation Board is controlled by a nine man Board of Directors. Six are elected to a three year term. Three are members by virtue of their State Offices. The elected members are President Willard Patocka, Vice President Dale Sliger, Secretary/Treasurer Jerry Schmitz, Counselor Moury Campbell, and Trustees Paul Weigl and Garth Christain. The State Officers are State Deputy John Pierce, State Secretary Matthew Maly and State Treasurer Dennis Kunnanz. The State Chaplain Very Rev. M. Price Oswald is an ex-officio member. At this meeting we will elect two members to replace the expiring terms of Dale Sligar and Maury Campbell for three year terms.

The main purpose for the Foundation is to provide facilities for the Center of Family Love. The Foundation is also responsible for the Investment of these additional state council funds: Pennies For Heaven, 365 Club, Special Charities Fund, and the Scholarship Fund which includes the Al Wheeler Scholarship Fund.

During this past year, the Foundation paid out \$81, 500.00 to the Center of Family Love Gala, new A.C. for the group home in Kingfisher, Iowa KofC Disaster Relief Fund, and Gate Way Woman Resource Ultrasound.

Since the Foundation owns the land and buildings of The Center of Family Love, we are the landlord and therefore are responsible for the major items of repair and maintenance of all campus buildings and group homes.

We are in the process of remodeling the original part of the Center, which is now 37 years old and had a lot of good use. Most of this work is accomplished by members from many councils in the state. Thanks to all who contribute their time and talents.

The Secretary/Treasurer Jerry Schmitz will give the Foundation activities and expenditures for the past year in his report.

The Foundation Board and I wish to thank you, Brother Knights, for your help, prayers, work parties, and financial support so that we can continue to help those with disabilities and in need of our help, support and the success of the Center of Family Love.

As time goes on, the Center is being more widely known by the public, and that makes it easier to receive outside donations and applying of Grants.

Please continue to support and help with fundraising campaigns so that we may continue to help fill the needs of the center. If you have not visited the center recently, you need to go by and make a visit to the facility and see the accomplishments of the recent years. You will be amazed and proud of the facility.

It has indeed been an honor and privilege to serve as your President of the Oklahoma State Knights of Columbus Foundation.

Respectfully Submitted,

Willard Patocka

Subject: 2018 Council Year Accomplishments of 15834

Over the past year, Father Bill Skeeahan Council 15834 has taken on many activities.

The name of our council was changed from Church of The Resurrection to Father Bill Skeeahan, the founding priest of a church who was much revered and cherished for his social justice philosophy and great homilies. Our council can now identify with the culture of our parish.

It seemed like we were always eating. Several meals were sponsored, including: Epiphany Dinner, San Jose Calasanz (Patron of Christian Schools) to mark the opening of the school year, Columbus Day meal, St Patrick's Day Meal (We honored Father Bill Skeeahan at this meal and dedicated his portrait), Valentine's Day Dinner, and Shrove Tuesday Pancake meal in conjunction with our Church's cultural outreach ministry.

Family activities this year included a hayride and soccer challenge.

We support the Church of the Resurrection in many ways, including the parish clean up prior to Easter, Bibles for the RCIA candidates, and financial support for our Seminarian Gabriel Garcia.

The helping needy of our community is a major focus of our council. Every month we go to the local food bank and pick up supplies for our Parish Food Pantry. We then stock the food, help distribute the food, and provide transportation if needed. Our Church supplies a meal to the Day Center for the Homeless every month. Two of those meals are provided by our council, where we purchase the food, prepare the food, and distribute the food to 120 people at the Day Center. Our council manages the Meals on Wheels program for our church.

Right to life is important to our council. We held a Novena for Life over 9 Sunday mornings prior to Lent. During the 40 Days of Life, our council not only devoted time for prayer at the event, but we helped setup and park cars for the opening and closing ceremonies. We sponsored a table at the Go Life Gala and donated another \$100 directly to Go Life.

Religious life and the support of our church were a key focus this year. We were able to conduct a special service around the Silver Rose. We held a men's retreat on a Saturday in Lent, the first retreat of this kind to be held by our church in many years.

As community service programs for the year included volunteering at the Patriot Fest in May. We directed traffic, enrolled cars, and helped with the setup.

The most gratifying part of the year was the growth on Hispanic members in our council. Last year we added five (5) new Hispanic members to our council, we are approaching 25% Hispanic participation in our council, and these men are not the old geezer's of our church, they are the young and interested brothers.

Sadly, we had two Knights pass away last year. Chris York, an active member of our council, and Jim McCusic, a past Knight who was no longer active. Our prayers go out to their families.

Knights of Columbus - Bartlesville Council 1302

Dear Worthy District Deputy,

Bartlesville Council 1302 had another successful year! We held a fundraiser for The Cottage, a home for unwed mothers and raised over \$11,000.00. This is in addition to the ultrasound machine we were able to obtain for them.

We are also excited that we started a Roundtable with Immaculate Conception Parish in Pawhuska and now have over 20 members meeting every Saturday morning for breakfast.

The council coordinated the vendors and cooked hamburgers and hotdogs for the annual Freedom Fest in downtown Bartlesville for the 4th of July. The event has a fireworks show at dark and draws thousands of families.

Our annual fish fry for Lent was a huge success breaking our previous year's totals. We split this money with our Home and School association that benefits St. John's Catholic School.

The family events held were a Chili supper, St. Patrick's Day supper, and pancake breakfast. Our breakfast provides support for many of our parish associations.

Our support for life events include Life Chain, 40 days for Life, and providing scholarships for the youth tour to March for Life in Washington D.C.

St. Clements of Rome Parish Bixby Oklahoma

Mark

It is Council 7392's privilege to report the following highlights of our activities in support of our Church, Parishioners and members during 2018. It is through the generosity of St Clements parish and our Pastor Fr. Jeff Polasek that we are able to accomplish the projects and activities we undertake.

In service to our Parish Community the Knights sponsored a spaghetti dinner on fat Tuesday as a fund raiser for the Youth group. We also put on meatless soup supper in Lent 2018 in conjunction with the Stations of the Cross.

We also put on a pancake breakfast approximately every two months as a fund raising activity and as a means to increase our visibility in the Parish Community.

Activities

Council 7392 members were able to purchase materials and with the generous donation of time to help build a ramp for a parishioner's who suffers severe mobility issues. We have done this type of project many times in the past few years.

Additionally many of our members participated in our 40 Days for Life Vigil commitments. We also had many of us participate in the March For Life rally in downtown Tulsa.

We have not neglected the fraternal aspects of our organization as we held many social events though out the year, a summer picnic, Christmas party for our members and wives and several other social get togethers through out the year.

KOFC Council #1174 Report for State.

This year has been a little hectic for our council due to our previous Grand Knight resigning. I will report on the information I have. When I assumed the office of Grand Knight in early November, we resumed our dinners for Wednesday CCD and youth group dinners. We have done this dinner once a month which has been very successful. We held the Keep Christ in Christmas poster contest and had excellent participation in that event. Due to trying to restore full functionality of the council we decided to not put on the annual Mardi Gras dinner this year and instead focused on Fish Fry. The Fish Fry this year has been an amazing hit among our parish and I hope it is successful to this end of Lent. We have the Cajun Fest dinner planned for early May this year.

Well we've made to the end of another year.

During the past year, we continued to grow in the areas of service and spirituality. We've been busy in the parish, focusing on social outreach and expanding activities with our parish school and scouting programs. Within the council we reviewed and update our council by-law.

Outside the parish we are reaching out to the Newman community at TU and Day Center for the homeless. Both present opportunities for the Council.

Since our last issue, the Knights from Council 11237 (*Edmond, St. Monica*) helped with the construction of a new greenhouse at the Center of Family Love. The CoFL residents will be using this greenhouse for their winter crops.

Did you know the Center of Family Love must raise \$10,000 annually to meet each of their resident's needs? The Center of Family Love never charges their residents or their families for the care they provide in the event they cannot afford to live there. Incidentally, 99% of their residents require Medicaid support for their needs.

To assist the COFL with their mission to provide quality lifetime care to individuals with developmental disabilities, the Knights are embarking on "The Love Challenge". This program aims to challenge Catholic parishes across Oklahoma to adopt one intellectually and physically disabled friend who lives at the Center of Family Love. Parishes are called to designate a Team Champion to assist with The Love Challenge at their local level. Team Champions and parishes will be given marketing and support materials to assist in this challenge.

If you'd like to help the CFL with their most vital mission of love, please contact them at 405) 263-4658; 635 West Texas Ave.; Okarche, OK 73762 or donate online at centeroffamilylove.org.

Council 10822 in Oklahoma City had a very successful year. Some of the programs include serving ice-cream to RE students; Council work day at the Center of Family Love, donation to Birth Choice, Council Christmas Party; Spaghetti Dinner supporting Friends of Bolivia Medical Mission; and monthly Pancake Breakfasts.

Council 11237 in Edmond is a very active council, supporting all parish activities - with monthly Pancake Breakfasts during the school year and weekly Fish Fry during Lent. Donations from these activities support our Seminarians, donating \$2000 to each of 2 seminarians. "Dinner with Father" was a highlighted activity. Council has recruited 100% of its membership quota and 60% of its insurance quota. This Council could make Star Council **with a little work!!!**

Council 12669 in Oklahoma City. The primary event was the Annual Valentine's Dance in February raising over \$15,000.00; the majority of which will be used to fund scholarships for the school.

I wish to thank our Worthy State Deputy John Peirce for allowing me the privilege of serving the Knights of Columbus of Oklahoma and especially the Grand Knights, all council officers and the membership of District 11 for their cooperation and support.

I respectfully submit this report and the attached individual detailed council reports that I have received to the Worthy State Secretary, and move that they be adopted into the minutes of this 114th Oklahoma State Convention.

2018 Council Report

It was actually a very good year for Council 916 as we raised almost \$16,000 and we spent almost \$16,000. We bought a new ice machine and commercial sink sprayer for the school cafeteria (\$2800), We held our annual fish fry that while attendance was very low we netted \$1,800 for our charities. Jim Holman, Jeff Shields, Robert Carey, Charlie Bohan, and many others repaired the pews in the church and re-stained them last summer. We had two social dinners and we participated in 5th Sunday rosaries on at least three of the weekends.

We donated money to Special Olympics, Gods Food Bank, Center for Family Love, St. Mary's Scholarship Program and supported the youth groups trip to Steubenville with a \$1,000 donation.

We held nine Sunday breakfasts throughout the year. Doc Heller was very active in the Special Olympics program and is the MC of their annual dinner and fundraiser. Brother Johnny Ledington coordinates food pick-up and distribution each Thursday for God's Food Bank.

I think those are the highlights of the year.

Grand Knights Report for the fraternal year

Chris Dalton <crdalton81@gmail.com>

Wed, Apr 3, 2:56 PM

To: Frank Bruehl <popfcb@gmail.com>

The 2018-19 year was an eventful one for Council 8523. After a successful hosting of the state convention we began our fraternal year with a 4th of July cookout attended by many members of our council and St. Thomas More Parish. Also during the summer, we hosted a lunch for our local Totus Tuus campers, and began fundraising the Center of Family Love Challenge. We continued our primary general fundraiser in the fall by selling parking at the OU football games, raising over \$25,000 that supported Birthchoice, St. Vincent De Paul, Food and Shelter for Friends, Oklahoma Catholic Broadcasting, Holy Innocence Foundation, Little Blessings and local Parish needs. We supported our campus ministry group by providing several meals in addition to financial support. We were involved in several community activities including the Norman Christmas Parade, Salvation Army Bell Ringing and supporting our local Parish Blessings Box. We have conducted many spiritual activities this year, including a Novena for Life in November, Consecration to the Holy Family in December, and a Day of Spiritual Reflection in March, led by our chaplain. Perhaps our greatest activity this year was in support of the Center of Family Love Challenge by working with the COFL residents to make tie- dye t-shirts, which our council sold at several Norman Parishes. We have raised over \$1000 from this fundraiser so far. [Quoted text hidden]

To: Frank Bruehl <popfcb@gmail.com>

Worthy District Deputy,

This past year has has been a busy one for Council 9901. Our Activities include:

Monthly charity pancake breakfasts.

Once a month we serve breakfast between the two Sunday morning Masses. Donations are accepted and the proceeds benefit a designated charity. We have been able to support BirthChoice, The Rose Home, Center of Family Love, St. Vincent de Paul, Boy Scouts, St Andrew's Youth, Moore Faith Medical Center, and in-patients at the Oklahoma City Veterans Medical Center. Each breakfast has raised \$400-\$850.

Pecan Sales

This is our primary fundraiser. We purchase pecans from a grower and sell them in the community. This year we purchased 1,800 pounds of pecans, packaged them and sold them in less than two weeks, netting in excess of \$4,000.

Website

We established a U-Knight website this year. It has been very helpful in improving Council communications.

Lenten fish fry

On Friday evenings during Lent we serve a fried catfish dinner for members of the parish following The Way of the Cross Services.

Easter Egg Hunt

We hold an Easter Egg Hunt for our youth every Easter. This year we have 6,000 eggs filled with candy, along with prizes that include bicycles and tricycles.

Spring Youth Fishing Tournament

In May we will hold a Fishing tournament for youth at a local park. We serve lunch and have prizes for the kids.

Council 9901 has made an effort to be more active and, therefore, more visible in our parish community. This has had a positive impact on recruiting new and particularly younger men to

DISTRICT 13 CONVENTION REPORT

Steve Reynolds, District Deputy

April 2019

Worthy State Chaplain, Worthy State Deputy, Worthy Supreme Representative, Worthy State Secretary, Worthy State Treasurer, Worthy State Advocate, Worthy State Warden, Delegates and Brother Knights:

District 13 includes the following councils:

Council 4026, Bishop Victor Reed, Midwest City

Council 4598, Fr Norbert Lukes Council, Harrah

Council 5396, Our Lady of Fatima, Jones

Council 16214, St Paul the Apostle, Del City

All councils are active, financially sound, and are operating within the Laws and Rules of the Order. All councils support their parishes in a manner that reflects favorably and honorably upon our Order.

Each council is membership active and encourages participation in the Knights Insurance program. Councils 4598 and Council 5396 have met, or nearly met, all Safe Environment requirements. Thus, these two councils are on track to receive the Columbian Award, as they also have completed, or in the planning process of doing, all required Faith in Action programs. Council 4598 has also exceeded its insurance quota.

In the programs I report below, I'm placing emphasis on those with direct link to the Faith in Action program goals. The 3 Parish-based councils in particular show strong support for those goals.

Highlights of program activities include:

All – Contributed to the pro-life billboard campaign

Council 4026:

- Provides volunteer support for Spring picnic at Center of Family Love and a Christmas Party for a CFL home.
- Runs fellowship breakfast at Parish monthly.
- Supports Midwest city's pro-life clinic, which received a KofC-supported ultrasound several years ago.
- Performs yard work on Parish grounds and cemetery

Council 4598:

- Over 1 1/2 tons of food for Food for Families.
- \$1000 raised for seminarians through the RSVP program.
- \$400 donation to the State Ultrasound program.
- Rib Dinner and Family Feud event raised money for these.

Council 5396:

- Members perform all Mission electrical, plumbing and carpentry repairs

- Rebuilt handicapped access ramps
- Members complete all Mission financial paperwork, such as Archdiocesan annual report
- Support for two seminarian scholarships thru RSVP

Council 16214:

- Integral to Parish operations. Involved in Parish maintenance – mowing, repairs, etc. Council contributes to Parish operations fund when shortfalls arise.
- Strong financial support for the parish seminarian – Brady Garrison.
- Helped establish one of the two initial Oklahoma Catholic Hispanic Radio stations at the Parish.

I would like to thank our Worthy State Deputy John Pierce for allowing me the privilege to serve as District Deputy and our Grand Knights and councils for their support and cooperation.

I respectfully submit this report and the attached council reports to the State Secretary and move that they be adopted into the minutes of the 114th Oklahoma State Knights of Columbus Convention.

Vivat Jesus!

Each council is membership active and encourages participation in the Knights Insurance program. Councils 4598 and Council 5396 have met, or nearly met, all Safe Environment requirements. Thus, these two councils are on track to receive the Columbian Award, as they also have completed, or in the planning process of doing, all required Faith in Action programs. Council 4598 has also exceeded its insurance quota.

In the programs I report below, I'm placing emphasis on those with direct link to the Faith in Action program goals. The 3 Parish-based councils in particular show strong support for those goals.

Highlights of program activities include:

All - Contributed to the pro-life billboard campaign

Council 4026:

- Provides volunteer support for Spring picnic at Center of Family Love and a Christmas Party for a CFL home.
- Runs fellowship breakfast at Parish monthly.
- Supports Midwest city's pro-life clinic, which received a KofC-supported ultrasound several years ago.
- Performs yard work on Parish grounds and cemetery

Council 4598:

- Over 11/2 tons of food for Food for Families.
- \$1000 raised for seminarians through the RSVP program.
- \$400 donation to the State Ultrasound program.
- Rib Dinner and Family Feud event raised money for these.

Council 5396:

- Members perform all Mission electrical, plumbing and carpentry repairs

- Rebuilt handicapped access ramps
- Members complete all Mission financial paperwork, such as Archdiocesan annual report
- Support for two seminarian scholarships thru RSVP

Council 16214:

- Integral to Parish operations. Involved in Parish maintenance - mowing, repairs, etc. Council contributes to Parish operations fund when shortfalls arise.
- Strong financial support for the parish seminarian - Brady Garrison.
- Helped establish one of the two initial Oklahoma Catholic Hispanic Radio stations at the Parish.

I would like to thank our Worthy State Deputy John Pierce for allowing me the privilege to serve as District Deputy and our Grand Knights and councils for their support and cooperation.

I respectfully submit this report and the attached council reports to the State Secretary and move that they be adopted into the minutes of the 114th Oklahoma State Knights of Columbus Convention.

Dear Worthy District Deputy:

Please consider this letter Oklahoma Council 1038's Activity Report for the Fraternal Year.

There are a number of activities in which our Council takes part which are occur throughout the year.

Breakfasts at Our Lady's. All profits raised by these breakfasts are donated to the church to help with the cost of any repairs or other needs. We continue to use these funds to help the church's youth group for their mission trips and Bishop John Carroll.

In February we held our annual Super Bowl Party for all members, their families and friends.

Many of our members, along with our Assembly, participated in the St. Patrick's Day Parade in the Stockyards by marching in the parade and handing out tootsie rolls to the spectators. We were joined by the Knights on Bikes, again this year, with many of them travelling from the Tulsa area. It wasn't as chilly as last year. This is an event that we have been participating in for decades. This year we participated in the parade in the Stockyards.

In May, we will be opening our pool with our annual Memorial Day Cookout. We invite the residents and staff from the Center of Family Love to come out and enjoy the pool. We provide food and beverages for them, as they swim in the pool.

Through our Building Corporation we held the Annual Santa Fe Games. We invite several organizations, who take care of intellectually handicapped persons, to participate in games at our facility, including the Center of Family Love. Each participant is given a special t-shirt commemorating the day.

Our Building Corporation (Columbus Corporation of Oklahoma City) continues to work toward our goal of providing a place for our Catholic community. We are continuing on remodeling efforts at the Santa Fe Family Life Center in order to improve its accessibility. We will be adding an elevator to the facility by the end of this year. The SFFLC supports many charitable events for disadvantaged youth at the facility. Through the Council's efforts over \$198,500.00 was raised through donations for the worthy programs provided at the SFFLC and over 1,503 volunteer hours given.

We participate in the RSVP program by providing assistance, currently, to two (2) seminarians. We also provide the archdiocese's seminarians with a steak and potato dinner before they return to their respective seminaries.

We continue to donate \$ 200.00 per month to the Oscar Romero Workers House after it lost its principal sponsor. The organization provides food to the poor in Oklahoma City.

We donate \$ 150.00 per month to the CFL for Sr. Veronica's fund. We continue to host Halloween Dances and Spring Dances at the Center for the residents.

We participated in the annual Bowling Tournament in February.

We also participated in the Annual Birth Choice Dinner by purchasing a table. We continue aiding it in its work by donating \$100.00 per month.

We participated in the CFL's Annual Gala helping to raise funds for the Center with the purchase of two (2) tables.

Council 13366

Annual Report

201849

The Archbishop Charles A. Salatka/St. Joseph Old Cathedral Council 13366 during the 201849 fraternal year took on different projects in the church and continued to work with other parish groups. Recruitment will be a key goal in the upcoming fiscal year. During the past year:

May Council 13366 honored high school and college graduates of St. Joseph Old Cathedral's parish during its breakfast after the 10 a.m. Mass on May 20. The council also had information on the Knights in an attempt to recruit new members. Nearly 100 people showed up for the breakfast. Children making their First Communion in the parish also were special guests. — Members of the council continued to volunteer to provide assistance and security during weddings at St. Joseph Old Cathedral. Brother Knights show up about an hour before the wedding and help guests arrive and leave, keep watch over vehicles in the church parking lot and assist the wedding coordinator. The volunteering of council members saves the expense of the church hiring a security officer.

June: John Leon was elected grand knight during council elections in June. C.B. Weilbrenner was elected deputy grand knight. Other officers elected were George Waters, treasurer; Kurt Benes, recorder; Bennie Meier, chancellor; George Woods, warden; John Porretto, inside guard; Ron Hawes, outside guard; and Michael McNutt, advocate. -Council 13366 extended best wishes to Chancellor Bennie Meier and his wife, Angie, who celebrated their 50th wedding anniversary on June 27.

August: The council held its quarterly meal at the church. A good crowd showed up for the council's dinner. - About a dozen Knights showed up for Council 13366's annual night at the ballpark to watch an Oklahoma City Dodgers game on Aug. 11. Thanks to District Deputy Dennis Nauman for securing the accommodations in one of the suites at the ballpark.

September: Council members held a picnic for residents and staff of the Central for Family Love on Sept. 22. Past Grand Knight Sergio Correon coordinated the picnic and District Deputy Dennis Nauman hauled Council 13366's grill out to Okarche to grill the meat. Angie Meier, wife of Chancellor Bennie Meier, again baked cookies. -Council 13366 grilled hamburgers at St. Joseph Old Cathedral's Hispanic carnival on Sept. 16. Several Knights showed up during the daylong event to grill and sell hamburgers at the event. - Brother Knights continue to lead the recitation of the rosary before Mass on the fifth Sunday each month. The council started the practice five years ago. Parishioners have said many times they appreciate having the rosary recitation and many show up early to take part. A special thanks to Treasurer George Waters for continuing to lead this effort.

October: Council 13366 held a 1st-degree ceremony on Oct. 7. Todd Beesley joined the council.

November: Council 13366 participated in the Silver Rose run. Treasurer George Waters and Chancellor Bennie Meier brought the silver rose on Nov. 4 to St. Joseph Old Cathedral for 10 a.m. and noon Masses. The rose was on display after both Masses. — The

council served a dinner after the 4 p.m. Mass on Nov. 18. About 60 people attended. — Brother Knights for the fourth year in a row prepared three traditional Thanksgiving dinners that were raffled off at the Nov. 18 dinner. Council members sold raffle tickets after each Mass for four weeks before the dinner. Brother Knights prepared three Thanksgiving meals, one each for four, six and eight people. Council members arranged for the meals to be delivered the Wednesday evening before Thanksgiving.

January: Council 13366 served a waffle and sausage breakfast after the morning Masses on Jan. 6 to help celebrate the feast of Epiphany. More than 50 people showed up for the breakfast.

February: Council 13366 held a 1st-degree ceremony on Feb. 3 and welcomed two new members, Joshua A. Minton and Samuel Stropes. -- Council 13366 hosted a Valentine's dinner after the 4 p.m. Saturday Mass on Feb. 16. About 175 people attended the dinner. The council provided the meal and members of St. Joseph Old Cathedral's youth club served the meal and helped set up and clean the parish hall. More than half the event's net proceeds, or about \$700, were given to the youth club to help with its expenses to attend the Steubenville Youth Conference in July in Springfield, Missouri.

March: Council members again volunteer to provide parking lot security during Stations of the Cross, held every Friday night during Lent.

April: Council members prepared the April 5 dinner served before the Stations of the Cross. About 50 parishioners attended the meal, which consisted of baked fish, cole slaw and red beans.

May: Council 13366 will honor high school and college graduates of St. Joseph Old Cathedral's parish during its breakfast after the 10 a.m. Mass on May 19. Children making their First Communion will also be special guests. The council also will have information on the Knights in an attempt to recruit new members.

Oklahoma Knights of Columbus 114th State Convention Membership Report

Worthy State Deputy, Worthy State Chaplin, Worthy Supreme Representative, State Officers, District Deputies, Delegates and Brother Knights:

The 2018-2019 Fraternal Year has once again demonstrated the determination and resolve that we as Oklahoma Brother Knights have come to expect. As in years before, we have had ups and down: A strong 1st qtr start and solid monthly gains in our online membership, but also a recent surge of suspensions in the last 3 months, some as high as 30 suspensions in individual councils. As of today, our total membership stands at 8,673. This represents a total increase of 153 Brother Knights to our State since the beginning of the year. Our intake this year has been 389 new Brother Knights, putting us at 86% in relation to our intake goal. With just more than two months remaining in the Fraternal Year, I have no doubt that we will reach 100% and achieve our goal. But more important than just these numbers are the Brother Knights that these numbers represent. The men who have been brought closer to their faith through the Knights. The families that are better financially protected through the Knights. The ability to make an impact in the lives of our fellow brothers and sisters in Christ. This is what these numbers truly represent. Knowing that membership in our order is more on relationships than it is on numbers, I urge all councils to participate in a sort of "self-evaluation" when it comes to your members:

We call ourselves Brother Knights...are we truly being Brothers to each other in our councils? Are we actively engaging new and old members alike? Are we meeting the ever changing needs of our members? Are we participating in activities to which our members actually want to participate? Or are we only contacting our Brothers when we are demanding their dues be paid? If you were a member of an organization that you felt only wanted you for your money, you might second guess being a member of that organization, too. We must remember that every Brother Knight stepped up, like you yourselves, to the plate at some time in their life. They actively reached out to the Knights of Columbus seeking membership and were no doubt anticipating becoming more involved with their community, their parish and their faith. It is our obligation to help each other maintain that positive path.

As I mentioned earlier, we have achieved strong monthly gains in online membership, with most recently last month March being our most successful month by bringing in 32 new Knights to our order. As of the end of March, we have recruited 150 new online members this fraternal year, with the average age of those new members being 42 years old. For the last numerous months, Oklahoma has lead the way with online membership by being the #1 jurisdiction within the Knights for online membership. And for that, I applaud you! Because, Brother Knights, if you think that this success has been because of me, you give me far too much credit. You are the engines that drive us. You are the lights that guide us. And you are the men that inspire us. And it is an honor to be a Brother Knight with you.

But there is still a key, critical action that each of your councils can do to ensure your ability to utilize this online tool effectively: converting online members to your councils via an

Admission Degree. Right now, we have 64 online Knights that have identified an interest in joining a local council. That's right...there are 64 men that have put their money where their mouth is and have said, "I want to join a council." We must answer that call. My Brother Knights, know this: men are looking; men are longing; men are acting. If we, the Knights of Columbus, do not answer their call, they will find someone or something else.

As we now close out the first month of the 4th Qtr, we find ourselves 180 degrees away from where we were last year at this time. Last year, April found us sitting further away from our goal of achieving our membership goal than at any other time during my tenure. This year, we find ourselves closer to achieving our membership goal than at any other time of my tenure. But we cannot get complacent, we cannot assume that we have this "in the bag". Currently, we sit 61 shy of our intake goal and 39 shy of our net gain goal. So again, your help is needed. There is still time to hold a membership drive. There is still time to reach out to your members pending suspension. There is still time to achieve your own council goals by converting those waiting 64 online members. There is still time to, as Supreme Knight Carl Anderson says, to meet our moral obligation to ask every Catholic man to become a Knight of Columbus. To this end, the State Council will be announcing at the state convention two new incentives for the remaining months of the fraternal year.

Thank you to State Deputy John Pierce for his appointment for this past year and to the State Officers for their continued help and support. Thank you to the various Membership Chairman for their amazing effort and dedication. I especially wish to thank each of the District Deputies for being open and willing to discuss the various membership issues affecting their districts. This level of openness and dialogue is going to be one of the key attributes that will help drive our membership into the future. Finally, thank you to you, the members and councils of Oklahoma that make this position such a rewarding one.

I respectfully request that this report be submitted to the official minutes of the Oklahoma Knights of Columbus 114th Annual State Convention.

Vivat Jesus!

CENTER OF FAMILY LOVE REPORT

Oklahoma State K of C Convention

Edmond, April 26 - 28, 2019

The Center of Family Love is one of our proudest possessions since it's opening in 1981 by the OK Knights, and something that we can all be very proud. You are encouraged to visit the main CFL campus in Okarche, to see firsthand what we are doing there to provide quality lifetime care for the 130 adult residents with intellectual disabilities.

None of our residents pay directly for the ongoing care they receive at CFL, and because of the leveling of funding from state and federal sources along with increasing costs of operations we continue to face financial challenges with the cash flow for the current year. Through our ongoing efforts and the help of our Catholic neighbors and outside sources, we have been able to meet the need for an additional revenue of approximately \$1,500,000 a year. CFL is very well managed by Debbie Espinosa our Executive Director, Nellie Sanders our Development Director and approximately 130 employees. We continue to increase our exposure and support through the parishes around the state with the approval of both Archbishop Coakley and Bishop Konderla.

There are three main efforts of fundraising through the Knights : the oldest one is the handing out of Tootsie Rolls and taking donations, second and largest source of revenue is the Annual Gala and third The Love Challenge.

The old standby with the Tootsie Rolls is coming up in May and the funds raised goes through the Oklahoma K of C Foundation to support the needs of the Center for the physical plant facility or improvements as needs arise.

An extremely important event and the largest potential fundraiser is our annual Gift of Love Gala, started five years ago, which will be held Saturday June 15 at the National Cowboy & Western Heritage Museum in OKC. We are now acquiring council and corporate sponsorships and items for the auction. We already have many council and assembly sponsors, so why not join them and have your council be a Gala sponsor at some level. The main attraction is the Cash Raffle, coordinated by the Knights of Columbus, which includes Cash prizes totaling \$20,000 - the grand prize being \$10,000. Tickets are \$100 each and you do not need to be present to win. If you want to attend the banquet, the tickets are an additional \$75 per person until May 20th, after that the banquet tickets will be \$175. This event has been very successful

and this year's goal is to match last year which was a record one million gross income and a net profit of \$700,000.

An important part of this fundraising effort is through the local parishes, in which local councils are asked to get involved. Sponsorship packets including raffle tickets and Gala banquet information have been sent out to councils in March. Representatives of CFL will be at the table outside to help if you have questions or need additional packets or supplies. Hopefully, you have appointed a CFL Chairman for your council to head up your local activities, and be sure to sell or purchase your tickets for the raffle and Gala. You may be the \$10,000 winner! The State council is again promoting the sale of Gala Raffle tickets with an incentive for individual Knights and Councils. We are going to take a few minutes at this point to review the materials and answer questions.

The "Love Challenge" is the newest program currently being introduced to parishes through councils around the state. Under this program councils and parishes can adopt a resident of CFL financially and get to know them personally. Councils and Pastors of parishes have all recently received information packets asking for support and with new simplified details of how to carry out the program. We currently have 29 councils/parishes involved in this program and have raised \$227,385 since it started in 2017.

My Brother Knights, we must get the message out and follow through on behalf of this great effort we started 38 years ago. By working closely with your councils and pastors, you can help tap into new financial resources for CFL, and by supporting these three fundraising efforts you can help keep it one of our great successes!

If I can be of help to you in working with your parishes on behalf of CFL in the Archdiocese or Dan Hogan can help in the Tulsa Diocese, please let us know. Thank you for your ongoing support for CFL!

Vivat Jesus,

Richard J Schulte, PSD, FVSM, FDM

OKLAHOMA STATE COUNCIL KNIGHTS OF COLUMBUS

FAITH IN ACTION

2019 General Program Director Report
114th Annual State Convention
Edmond, Oklahoma

April 26, 2019

Worthy State Deputy, Worthy State Chaplain, Worthy Supreme Representative, Worthy Immediate Past State Deputy, Worthy Vice-Supreme Master, Worthy State Officers, Worthy District Master, Worthy Past State Deputies, Worthy District Deputies, Worthy State Directors, Worthy General Agent, Delegates, Brother Knights,

The introduction of our new “Faith in Action” program model has provided us with the best of both worlds by combining our long tradition of Surge with Service Programs and the Building the Domestic Church (BDC) programs. Under the new “Faith in Action” program model, our programs have been restructured and realigned. The Youth programs have been integrated under the Community programs and the council programs have been integrated into the Faith and Family programs. This leaves us with four program categories of Faith, Life, Community, and Family. Supreme’s Recommended Program Category matrix provides 8 programs within each category for a total of 32 programs. Each council can implement any type of program not listed on the matrix as long as it falls within the criteria of the matrix for the respective program category. Within each of these programs, a new required program has been added which includes:

- Faith – Spiritual Reflection
- Life – Novena for Life
- Community – Helping Hands
- Family – Consecration to the Holy Family

Each of these required programs must be reported on the SP-7 Columbian report for qualification of the Columbian award. The SP-7 Columbian report now only requires the reporting of 16 programs, 4 under each program category. A featured program can be added as 2 of the 4 required programs on the report. Another requirement for the Columbian award is the completion of Safe Environment Training for all Grand Knights, Program Directors, Family Directors, and Community Directors within the council. Our new “Faith in Action” program model gives councils a more enriched opportunity for spiritual development and community outreach within their councils and parishes.

My report will include reports from our State Community Director, State Faith Director, and our State Life Director. Each report will also be inclusive of individual chairman reports. We have a great base of directors and/or chairman, but are always in

need to add more energetic and enthusiastic Brother Knights to the program team. We are especially in need of someone to assume the duties of our Family programs.

On March 23, 2019 representatives from the State Council met and conducted the selection of award recipients for the 2019 convention. Below is a breakdown of the number of entries:

- Faith Activities – 2
- Community Activities – 5
- Family Activities – 2
- Life Activities - 2
- Outstanding Youth – 2
- Family of the Year – 4
- Knight of the Year - 6

Councils in contention for obtaining Star Council status for this fraternal year need to be sure the required forms are completed which are part of qualifications for Star Council. As of 03/30/2019 there were 26 councils who have not submitted their fraternal Survey, form 1728. As of 04/22/2019 there were 32 councils who have not submitted their 365 form for reporting service program personnel. Councils are encouraged to begin submitting their SP-7 Columbian applications and not wait for the June 30, 2019 deadline. This will allow extra time for any revisions that may be required.

I want to thank all of the Directors and Chairman for all their work they have faithfully carried out during this fraternal year within their respective areas. I also want to thank our State Deputy, John Pierce for his confidence in me, and for appointing me as the Oklahoma State General Program Director. We have an amazing program model for our state councils to look outside the box on improving existing programs, as well as being creative on new programs within in charitable and spiritual outreach endeavors.

I respectfully submit this reported to be included in the minutes of the Oklahoma Knights of Columbus 114th State Convention held in Edmond, Oklahoma.

Dear worthy General Programs Director Philip Stramski,

This is an accounting of the Knights of Columbus (kofc) youth activities. Of the programs available for action through the kofc Supreme council five were executed upon in the fraternal year of 2018 and 2019. These were the Soccer Challenge (SC), Basketball Free-Throw (BFT), Intellectual Disabilities (ID), Helping Hands (HH) and Disaster Preparedness (DP). I address the SC and the BFT within separate sections in this report, but the programs: ID, HH and DP are grouped into a single section due to lack of reportable material. The chairmanships for the Habitat for Humanity (HfH), Global Wheelchair Mission (GWM), Coats-for-Kids (CfK) and Catholic Citizenship Essay Contest (CCEC) remain vacant, and there are no reportable facts on state-wide council-activity for these programs.

This report is organized as follows:

Individual Program Summaries (SC followed by BFT)

Broadly, the Program Summaries Contain:

- 1. Name and general details of event Chairman*
- 2. Date and time-window for event*
- 3. Location of event and sense of repeat use*
- 4. Number of participants hosted*

5. *Accounting of trophies awarded and their manufacturer*
6. *Date winners reports were sent to Supreme*
7. *Description of any incidents (safety, medical or otherwise)*
8. *Brother Knights involved in events*
9. *Key learnings*
10. *Anything else deemed worthy of note*

The SC and BFT program summaries are followed by a section on the less reported upon programs that currently have chairman. Following this is a synthesis and conclusions section.

Appendixes I & II document the results of the SC and BFT state-level competitions

Soccer Challenge

The Oklahoma Knights of Columbus State Soccer Challenge (SC) was chaired by Toan Nguyen of Tulsa. This is Toan's 3rd year of chairing this event. The SC was held on November 3, 2018 at Bishop Kelley High School as in previous years. Registration was from 10:00 to 10:20 AM and the competition was from 10:20 am to 12:00 pm.

The Soccer Challenge had 12 participants this fraternal year and represented three councils (6606, 13313, and 15834). The total participants count was equal to last year's participation. The trophies were purchased from Trophy and Plaque Plus in Tulsa at an expense of \$117.20. The winners report was sent to supreme by email on February 28, 2019. A total of 10 brother Knights helped with the event. The brother Knights involved in the event included: Vincent Nowaczewski, Dave Schlitter, Lee McLain, Chris Gifford, Paul McTighe, Bob Stovall, Tim Doyle, and Rick Hornak.

Trophies were awarded to winners in each represented age group. The Boys age 12 and Girls age 14 did not have a representative this year (See Appendix for Formal Listing). **Notably, Avery Aldrette was named as International Champion of the 2018-2019 International Soccer Challenge for her division.**

There were no incidents to report. The signage pointing to the soccer fields were improved this year from last year. Several participants had conflict with the event because of either football games or soccer events that were occurring at the same time. We can look at pushing the event back another week to resolve those issues for the upcoming year.

Basketball Free Throw

James Grim of Chandler is the new Chairman of the BFT and is his first year chairing the BFT program. This year the BFT championship was held on March twenty-third (3-23-2019) with registration from eight thirty until nine a.m. and the competition from nine a.m. until around eleven thirty. There were 46 participants in this year's State-Level BFT.

The venue was St. Charles Borromeo school gymnasium located at 5000 N. Grove Avenue, Warr Acres, OK 73122. The venue for the BFT during the previous fraternal year was the Boys and Girls Club of Oklahoma County located at 1150 NW 36th Street, Oklahoma City, OK 73118. Due to a lack of response from the Boys and Girls Club management, an alternative venue had to be sought this fraternal year. There is a good chance that St. Charles Borromeo school gymnasium could be used again next year.

There are seventeen (17) placers that are boys and fifteen (15) that are girls for a total of thirty-two (32) placing participants. There were no third place finishers in the following groupings due to a shortage of participants: 11, 12 and 14 year old girls, and 14 year old boys. Thirty-three (33) trophies were ordered this year since there were three (3) left over from last year. These trophies covered first (1st) through third (3rd) place for age groups nine (9) through fourteen (14). The thirty-three (33) trophies ordered this year were from Edmond Trophy in Edmond, OK (401 W 15th St, Edmond, OK). This was the same shop that was used last year. Vincent Nowaczewski picked up the trophies on March fifteenth (3-15-2019) and served as their bearer to the St. Charles Borromeo school gymnasium on the twenty-third (23rd). Vincent still has the remaining third (3rd) place trophies for the boys and girls for use at a later date (girls ages 11, 12, and 14, and boys age 14). Lastly, Vincent sent signed winners reports to the Supreme Council office by eFax on March 31, 2019.

There were no safety or medical incidents. However, there were at least two conversations with disgruntled parents. One parent noticed that the score keepers were not marking a “missed shot” when the participant stepped on, or over, the line while making shots. This was my fault for not getting with the score keepers prior to the event and ensuring that they paid attention to this detail. After talking with this parent, I did go to all the score keepers to notify them that they needed to mark “miss” when a participant stepped on, or over, the line. Another mother and father of one of the participants claimed that the wrong weight (size) of basketball had been used for one of the groups of contestants. This may have been the case. I believe it was the 11 year old boys group. Unfortunately, our basketball was not clearly marked. All contestants in that group had used the same basketball, but the point was that it was not the size that the particular contestant had been practicing with.

There were many Brother Knights who assisted with the state event this year including Philip Stramski and Vincent Nowaczewski. Mike Bertels and the Worthy Grand Knight Patrick Determann from St. Charles Borromeo were a big help in opening up the facility for our use. John Grim was also helpful in processing participant paperwork. Lastly, we are extremely grateful to the St. Charles Borromeo Principal, Brother Gungoll for allowing the kofc access to the school gymnasium. Worthy Oklahoma kofc secretary Matt Maly was also instrumental in helping the Community Director and his chairman acquire trophies and proof-of-insurance for the competition.

Key Learnings:

- **Book the venue as far in advance as possible. (We had trouble getting the venue booked and, since we were late, we did not seem to have as many options for the date on which to hold the competition.)**
- **Ensure the correct basketball is used for each participating group and use basketballs that have clear-size-markings so issues can be resolved quickly.**

- Know who the knight helpers will be ahead of time so that the rules for scoring can be discussed prior to the event.
- Take down the names and council numbers of all participating knights.
- If possible, hold the event earlier in March so that there will be more time to tabulate the results to send to Supreme before the March 31st deadline. (This will also help in not having to communicate sensitive information via email.)
- If possible, do not hold the event during the schools' Spring Break time period. (There may have been a lower turnout this year due to holding the event at the end of Spring Break.)
- If possible, become involved with getting the word out early to District Deputy Knights to encourage their councils to hold the local level basketball free throw championship competitions. (This could have an impact on the number of participants at the final state-level competition.)

Other Chaired Programs

Helping Hands Program (HH)

The HH program is currently chaired by Brother Tom Greenlee. Helping Hands is a new program area under Community in the Faith in Action program format. We have chosen to focus on homelessness with this program in Oklahoma. This is a required program to earn the Columbian award.

To assist councils with this effort, we have sent the contact information for all the homeless shelters and other agencies that give aid and assistance to the homeless, through the District Deputies to the councils. These agencies are largely concentrated around Oklahoma City and Tulsa, but are present in most areas of the state.

Unfortunately, none of the councils forwarded documentation to Brother Tom recording their efforts to fulfill the HH program. Consequently, there are no hard numbers to report concerning the extent of this program in the Oklahoma region.

Intellectual Disabilities (ID) Program

The current chairman Brother Zach Warner did not receive any documentation from councils recording efforts towards this program. Zach notes that his contact information is not recorded on the Oklahoma kofc website, and this may have partially contributed to the lack of documentation.

Disaster Preparedness (DP) Program

Unfortunately, like the previous program chairman, the DP chairman David Roewe also did not recover any documentation from councils on projects oriented towards disaster preparedness. Awareness, of the necessity of documentation and including the chairman on the submission of rare existing documentation, is the suspected issue confounding the quantification of this programs activity. Brother David Roewe stepped-up to be the DP chairman after the 2013 Moore, OK tornado. Brother David coordinated the partnership of the kofc with the Ste. Vincent DePaul charity to distribute furniture to house-holds trying to get upright after having being impacted by the massive storm. Following 2013, the DP program has been intermitently active, variously supporting recovery efforts following severe weather-events in Oklahoma, Texas and surrounding regions.

Synthesis and Concluding Points

Timing, was a critical issue for this past fraternal year's active programs (SC and BFT). Because of logistical constraints both SC and BFT programs were forced to hold the state level competitions on suboptimal weekends. The SC was competing with football programs and the BFT participant spring-break-plans.

It seems reasonable to imagine that attendance at the soccer challenge would have grown year-over-year had the timing been a bit more optimal. Attendance, was exactly the same numerically for the SC as it was last year, but with some verifiable subtractions from families involved with football. With the BFT it is less clear if growth would have been realized with placement on a non-spring-break weekend because of the sharp loss in attendance year-over-year; presumably due to the widespread vacation-week. Nevertheless, the BFT was a strongly attended event *comfortably* fitting the attendees and their families within the Ste. Charles Borromeo gymnasium.

There is a certain room for improvement with communication between state and council/district levels with our other chaired community programs. Lack of exchange seems to be a common theme, but it is not clear whether this is because these programs are not being carried out in the majority of councils, or if they are and the results simply not being reported to the state level chairman, directors and officers. The truth may be somewhere in-between these two extremes. It will be important going forward to persistently message District Deputies and Grand Knights to inquire upon the state of these programs in the councils and solicit documentation. It does not seem that we have a regular messaging system for these particular programs outside of the yearly workshops and mid-year meetings, but it may be best-practice to develop such a system going-forward.

The remaining community programs are Habitat for Humanity (HfH), Global Wheelchair Mission (GWM), Coats for Kids (CfK) and Catholic Citizenship Essay Contest (CCEC). None of these programs currently have chairman, but the objective is to chair these programs to drive program promotion, install council-level-program chairs, assist-targeted-councils in fulfilling program requirements and improve data-collection for the GWM, CfC, HfH and the CCEC in decreasing order of priority. Importantly, the top three priority programs to chair are those having "featured" status by Supreme. The Helping Hands (HH) program is the required program under community, and so we also need to grow much more in our ability to track how councils are doing executing that program.

In Closing:

Worthy General Programs Director, Philip Stramski, I submit to you the Community Programs Director's report for the 114th kofc Oklahoma State Council Convention. The statements made herein are true to the best of my knowledge, and represent the State of Oklahoma's official community-program-activities for the 2018-2019 fraternal year.

Vivat Jesus!

Vincent Nowaczewski

Life Director Report - 2019 State Convention, Edmond Oklahoma

2019 March for Life Trip - As a result of the efforts of the Archdiocese of Oklahoma City, combined with the donations and support from the members of Knights of Columbus Council 12108, the Archdiocese of Oklahoma City was able to send a group of 42 Catholic High School students from Bishop McGinnis, Mount St. Mary and Cristo Rey High Schools and their sponsors to a pilgrimage to the March for Life in Washington, D.C. from January 16th to January 20th for the first time. The trip was a dream come true for many of the students, who had to each write an essay on why they were Pro-Life, in order to be selected to attend the march. The trip started with an airplane flight to Washington D.C, on Wednesday January 16th, followed by a tour of the Catholic University and a vigil mass at the Basilica of the Immaculate Conception on January 17th. The actual March for life was held on Friday March 18th and was followed by a tour of the Capitol. Saturday March 19th started off with mass concelebrated by the Archbishop Coakley and Fr. Carson Krittenbrink, followed by tours of the Holocaust museum, Bible Museum and Arlington Cemetery and a walking tour of the national mall. On the last night of the trip, the students had a chance to play some games and got to express their thoughts and impressions of the trip and how it changed their lives and their view of the pro-life issue.

Knights of Columbus Prolife Billboard Campaign - Knights of Columbus Council # 12108 initiated Phase 1 of the Pro-Life Billboard campaign in the OKC Metro Area that ran from July 2018 to January 2019, with money raised by Council #12108 to purchase space on ten (10) electronic billboards located at various areas around the Oklahoma City Metro Area showing a picture of Our Lady of Guadalupe with a mother and her baby on one side and the words, "Choose Life" on the other side". While Phase 1 of the Pro-Life Billboard campaign was in progress, Council # 12108 sent out letters to all of the other Councils in the state of Oklahoma soliciting donations for Phase 2 to extend and expand the Pro-Life Billboard campaign from January 2019 to July 2019. In response to this appeal, Council #3220 in Okarche, Council # 10822 at St. Eugene's, Council #12669 at Christ the King, Council #16214 in Del City, Council #1018 in Shawnee, Council #6477 at St. John's, Council 5396 in Jones, Council 13313 at St Mary's in Tulsa, Council #6478 in Yukon and Council 11237 at St. Monica's, gave amounts ranging from \$200.00 to \$500.00 per council, to raise a total of \$5,675. In addition to the electronic billboards, St. Marks Council #12108, paid for twelve bus benches at \$75.00 a piece, located all over the OKC Metro Area with the "Choose Life" slogan on them.

Currently, Council #12108 is in the process of raising additional funds to fund Phase 3 of the Pro-Life Billboard Campaign which will run from July 2019 to January 2020. To date we have raised a total of \$882.00 and still have a ways to go to meet our \$5,000.00 goal. So, we encourage those councils who have yet to participate in the Pro-Life Billboard Campaign to join us.

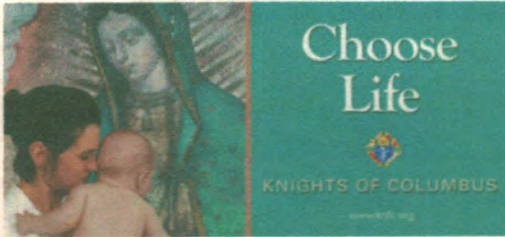

2019 PROLIFE BILLBOARD

CAMPAIGN - UPDATE

PHASE ONE (July 2018 to January 2019)

Phase One of the Prolife Billboard Campaign (PBC) began on July 16, 2018 with electronic billboards displaying the "Choose Life" message to thousands of drivers a day in Oklahoma City, Edmond, Yukon and Del City. The first phase of the Prolife Billboard Campaign will end on January 31, 2019. The cost of the billboards in **Phase One** was funded by Council 12108. We are ready to begin to display the billboards in **Phase Two** of the PBC.

PHASE TWO (January 2019 to July 2019)

During **Phase One**, money was donated that will fund the PBC in **Phase Two** which runs from January 2019 to July 2019. We will continue the same format as **Phase One** with electronic billboards in Oklahoma City, Edmond, Yukon, **Norman (new location)** and Del City. (See Page Two -

below)

PHASE THREE (July 2019 to January 2020)

We will accept council, parish or individual donations. We need a minimum of \$5,000.00 to reach the **Phase Three** goal of ten electronic billboards. various parish celebrations, including parish Masses, school Masses, rosaries, processions, and prayer services in honor of Our Lady of Guadalupe.

2019 will mark the 60th anniversary of the Silver Rose program. A special celebration is being planned for the transfer of the Rose to Mexico in Laredo in December 2019. The detailed planning for this celebration is ongoing. All members and their families are invited to attend this special anniversary celebration. As the details are finalized the State Council will keep everyone informed. The State Family recommends that members prayerfully consider making a commitment to participate in the program in 2019. This participation can be by volunteering as a runner in Oklahoma, attending Silver Rose Masses in Oklahoma and/or making a pilgrimage to Laredo to attend the 60th anniversary celebration.

Having been the State Silver Rose Chairman for the past seven years, this report marks the conclusion of my time as State Silver Rose Chairman. I will be happy to assist Former District Master LeRoy Giddens as he moves into the new position of State Chairman for 2019. I would like to thank Past State Deputies Dan Hogan, Ron Schwarz, and Bob Melko and our current State Deputy, John Pierce, for allowing me to serve these past seven years as State Silver Rose Chairman for Oklahoma and Past State Deputy Paul Weigl for assisting me this past year.

Special Olympics – Tom Greenlee

We Knights of Columbus have a unique relationship with Special Olympics and have been supporting them both financially and with volunteers for many years.

Here in Oklahoma we have been and continue to support the Special Olympics Summer Games in Stillwater by running the Concession stand serving both athletes and supporters.

Local councils have provided volunteers to assist with registration and conducting events with the local Special Olympic area organizations. This has allowed these athletes with physical and developmental disabilities to enjoy the thrill of competition and to be a part the larger world.

Novena for life – Tony Gianino

The Knights of Columbus Council 12108 and its four committees (Life, Family, Faith, and Community), under the direction of State Director for Life, Victor Munding, have participated in praying two novenas this fraternal year. One novena was prayed by all members of Council 12108 back in October for the Sanctity of Life at all levels from conception to natural death. The second novena was prayed in December leading up to the Feast of Our Lady of Guadalupe on December 12th. Our Lady of Guadalupe, as the Patroness of the Americas and of the Knights of Columbus, caused our council to participate in this worthwhile prayer effort and has led to a closer fraternity within the Knights of Columbus and Council 12108. Our plan is to continue

praying these novenas in the future and to continue building the Domestic Church for the betterment of our families and our society in general.

Mass for People with Special Needs – Bob Winstead

The Center of Family Love was started by a few men of The Knights of Columbus some 45 years ago, located in Okarche, Oklahoma. The Center has about 135 residents in three Locations. The Center provides lifetime care for individuals with intellectual disabilities. The Knights of Columbus remain an integral part of The Center of Family Love.

It is appropriate that The Knights of St. Marks Catholic Church Council #12108 sponsor a Mass at The Blessed Stanley Rother Chapel, located at the Center of Family Love. A weekly Mass is planned for the residents and staff and visitors on Thursdays at 9:30am. We have visiting priests that visit and celebrate Mass. Deacon Lloyd Menz is the Deacon. Of Course, Archbishop Paul Coakley, Archbishop Emeritus Eusebius Beltran and Bishop Konderla come to say Mass on occasions.

The special needs Mass sponsored by Council 12108 is planned for March 21, 2019. The Mass is at the Blessed Stanley Rother Chapel scheduled for 9:30am and the Celebrant is Father Don Wolf from St. Eugene's. After the Mass, we will have games for the residents and a lunch will be served in the Salatka Building.

Oklahoma Knights of Columbus

State Ultrasound Initiative

2019 State Convention Report

The State Ultrasound Initiative purchased 2 more ultrasound machines this past fraternal year. This brings the total number of ultrasounds purchased in Oklahoma to 23.

To date, the *Culture of Life* fund has invested **\$734,906.80** in Oklahoma to protect the unborn, with half of that coming from the state (including what Council 4026 raised for the MWC Eden Clinic machine). There is currently **\$63,743** on deposit with the *K of C Foundation*, and another **\$5000** in the *State Council* account, for a total available of **\$68,743**.

We are working on purchasing 2 more ultrasound machines, with an application pending for another one. These are as follows:

<u>Clinic Name</u>	<u>Location</u>	<u>Machine Type</u>	<u>Status</u>
GoLife	Tulsa	Stand-alone	Approved, to be Submitted
GoLife	Norman	Mobile	Received, needs Approval
Gateway	Yukon	Mobile	Application Pending

We are also anticipating a few more applications from HOPE Pregnancy Centers in the near future.

The stated objective of the Supreme Initiative has always been to save unborn lives. In this respect, the Oklahoma State Initiative continues to be extremely effective. We are responsible for placing roughly 2.5% of the overall machines, despite only having about 0.5% of the worldwide Knights population residing in our state. In other words, we are placing machines at a proportional rate that is five times greater than our member population. The technology we have been able to provide to our partner clinics has helped them to save thousands of unborn lives. It is hard to estimate this in absolute numbers, but somewhere around 90% of mothers who view a sonogram choose to keep their babies. Every Knight in Oklahoma should be proud of what we are achieving.

The Ultrasound Initiative in Oklahoma continues to bear fruit. Contributions have declined over recent years and it is important that Councils across the state, large and small, continue to put on fund-raising events to support this important ministry of the Knights of Columbus. The "Change for Life" cup program should be actively promoted within each council. District Deputies are asked to work with their councils to provide at least one dedicated fundraising effort in their district every quarter. Inter-council fund-raising activities are also encouraged.

Through State Life Director Victor Munding and the Forty Days for Life Program, I have made numerous connections to various Pro-Life Leaders in the metro OKC area, as well as contacting the Pro-Life & Family Officers in Tulsa and the Archdiocese. The SLD and I have sought to identify and update a comprehensive list of Crisis Pregnancy Centers (CPCs) throughout the state.

Another item of note is that we must continue to be diligent in our scrutiny of qualifying CPCs to be consistent with Catholic teaching. *Eden Clinic* announced at their recent banquet that they would begin providing birth control to their clients. As such, they are ineligible to receive any future machines until this policy is discontinued. Councils seeking to work with CPCs should remain vigilant in such scrutiny.

Oklahoma Knights of Columbus

State Ultrasound Initiative

As per Tyler Lomnitzer (Program Manager, Life-Based Initiatives, Fraternal Mission):

"The Knights of Columbus Supreme Council is pleased to announce that it has entered into preferred pricing agreements with three ultrasound vendors: Neurologica, Philips, and Esaote. Given our volume of donated machines (1000+ in the past ten years), we were able to leverage our buying power to lock in guaranteed pricing for three different machines from each vendor, including a three-year maintenance contract, training, and free onboard shipping. We recommend that you select one of these vendors when you are ready to donate money for an ultrasound machine. ... Engaging these vendors is recommended, but not required. Councils and pregnancy centers we are assisting may engage with their own preferred vendor, if desired."

A schedule of these machines with pricing is attached to this report.

The following graphic depicts the placement of all but the most recent machines. We are seeking to give priority to underserved portions of the state (NW & SE) and to proximity to college towns, but we will fill requests in the order in which they are received. We will also seek to replace outdated machines as needed and to place appropriate K of C signage on both existing and all future machines.

I am extremely grateful to the *Oklahoma State Council* for giving me an opportunity to serve in this capacity. I look forward to working with Archbishop Coakley, Bishop Konderla, State Chaplain Oswald, and the councils and DD Leadership throughout Oklahoma for what I expect to be a deeply personal, faith-enriching experience, complementary to praying the Rosary with my father outside the Norman abortion facility on a year-round basis. Lastly, I offer my thanks to Past Ultrasound Chairman Otto Nieman for giving me his support and encouragement as I have gotten my bearings running this program.

Oklahoma KofC State Faith Activities Director Report

Worthy State Chaplain, Worthy Supreme Representative, Worthy State Deputy, Worthy State Officers, Worthy District Deputies, Delegates, and Brother Knights.

Following is the present status of activities that are ongoing in the Oklahoma jurisdiction.

RSVP:

Currently there are 9 Seminarians that are being supported by 6 reporting councils. These councils are 916, Guthrie, OK, 4598, Harrah, OK, 5396, Jones, OK, 6477, Edmond, 11237, Edmond and 12108, Norman, OK. These councils have given donations of \$500, \$1000 and notable of all Council 11237 with a donation of \$2000. The total of all donations is \$8000. I would like to congratulate these councils for showing their support of vocations for our seminarians.

Now for those councils not mentioned who are supporting seminarians. I ask that your council Leadership ensure that the State RSVP Chairman Joe Mecham be notified of the donations your council made and to whom they were made. This information is most important for the State of Oklahoma when it comes to keeping track of how we as Knights are supporting our future priests and deacons. As leaders of our councils we are accountable for making sure everything is completed and reported in a timely fashion. Joe will be here all weekend, so see him before you leave to turn in your information and also update the State Directory. The ultimatum is for every council to support the RSVP program.

Marion Icon:

The Marion Icon "Our Lady Help of Persecuted Christians" has been circulating through the Oklahoma jurisdiction since January 1st. Starting in the panhandle of Oklahoma the Icon has been received and enjoyed by every council that has had prayer services. Currently the Icon is circulating through District 15 and one of the Icons is here at the Convention.

Each council has the Icon for a week which affords the parish to have it present during the week day and Sunday masses. Attendance for the services has been good and gives every council the opportunity to come together with the parish faithful to pray for our Persecuted Brothers and Sisters.

The most important aspect of this program is for every Grand Knight and his leadership to notify the parish pastor of the scheduled dates that the Marion Icon will be in his parish. This helps in building that working relationship with our pastors to assist him in rebuilding the church and the faith.

Building the Domestic Church Kiosk:

The Building the Domestic Church Kiosk program was designed for all councils to implement (with approval from your parish pastor) the opportunity to put exceptional religious education materials into the hands of the faithful.

If your council is already participating in this program, that's a great achievement. If your council is not, then meet with your pastor and discuss placing a kiosk in your parish. As most of us know, trust and attendance in the church is down. We as Catholic men and Brother Knights have the obligation to assist our pastors in rebuilding the church and the trust that has marred our faith. As mentioned before, start building that working relationship with the pastor.

Spiritual Reflection:

The Spiritual Reflection program is an area that most council's seem to struggle with, however some council's achieved the requirements to qualify for the Columbian Award by attending the recent Men's Conference in Norman in groups of 10 or more as per the requirement in the Faith In Action guidebook. Consult with your pastor, to set an entire weekend or a day of reflection that incorporates faith classes, confession and preferably mass.

To touch briefly on the remaining programs of the Faith category,

Into The Breach:

An Apostolic Exhortation to Catholic Men, written by the Most Rev. Thomas J. Olmstead, Bishop of Phoenix, is a book about being a better Christian man, how to love as a Catholic man, and why is fatherhood, fully understood, so crucial for every man. It has an 8 week course that can be used in a group discussion setting. If you or your council has not utilized this resource, it can be ordered from the Supreme website under the supplies online.

Rosary Program:

The program encourages KofC councils to promote devotion to the rosary in our families and parishes by scheduling regular rosary prayer services. Each one of us should remember that during our Admission degree we took a promise of devotion to pray the rosary as often as possible.

Holy Hour:

This program is self explanatory. Work with your pastor to set a time for your council and families to spend an hour or more in front of the Blessed Sacrament.

Sacramental Gifts:

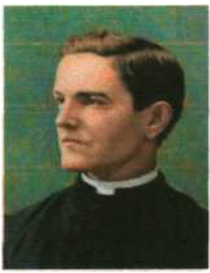

This program allows KofC councils the opportunity to participate in momentous celebrations that families experience with Baptism, First Communions, RCIA, and Marriage. Gifts for each can be ordered from supplies online. Order enough to cover every event throughout the year.

Each Council in the Oklahoma Jurisdiction was given a Faith In Action Guidebook to use in planning your councils activities. By referencing and utilizing this guidebook your council can excel in its programs and thus enhance and help your pastor grow the parish and your council in every aspect in keeping with the vision of our founder, The Venerable Fr Michael J. McGivney.

In closing, I respectfully submit this report to the Worthy State Secretary and move that it be adopted into the minutes of the 114th Oklahoma Knights of Columbus State Convention.

Vivat Jesus!

Report of The Running of the Silver Rose

Worthy Supreme Representative, Worthy State Deputy, Worthy Vice Supreme Master, Worthy Past State Deputies, Worthy Past Vice Supreme Masters, Worthy State Officers, Worthy State Directors and Chairmen, Worthy Delegates, and Brothers All:

The running of the Silver Rose in 2018 marked the 59th year of the program that began in 1960 as a project of the Columbian Squires of North America to honor the Blessed Virgin under her title of Our Lady of Guadalupe, Patroness of the Americas. In 2001 Supreme Knight Carl A. Anderson shaped the Silver Rose program as a culture of life effort at the 119th Annual Meeting of the Supreme Council in Toronto. This annual activity "is a perfect program for the Knights of Columbus," said Supreme Knight Anderson. "Through it we honor not only Our Lady of Guadalupe and express the unity of the Order, but we also reaffirm the Order's dedication to the sanctity of human life. It is to the Blessed Mother that we turn in prayer as we work to end the Culture of Death that grips our society. As we think in terms of 'One Life, One Rose,' it is most appropriate that we turn to Our Lady of Guadalupe who made known her will through Juan Diego and the miracle of the roses."

On October 13, 2018 the Oklahoma jurisdiction received the Supreme Silver Rose from the Kansas jurisdiction at Sacred Heart Church in Miami, OK. Oklahoma State Chaplain Reverend M. Price Oswalt celebrated Mass and Sacred Heart Council 3167 hosted a banquet following Mass. The Supreme Rose was then transferred from council to council along a route through eastern Oklahoma culminating in its transfer from the Oklahoma jurisdiction to the Texas jurisdiction on November 10, 2018 at a Mass celebrated at St. Mary Church in Gainesville, Texas. Concurrent with the running of the Supreme Rose through eastern Oklahoma, the Provincial Rose assigned to District Master Fred Crump traveled along a route through western and central Oklahoma. The running of the Provincial Rose commenced October 27, 2018 at St. Peter Church in Guymon, Oklahoma and concluded November 27, 2018 at Blessed Sacrament Church in Lawton, Oklahoma. Over the four-week schedule, both Roses were included in various parish celebrations, including parish Masses, school Masses, rosaries, processions, and prayer services in honor of Our Lady of Guadalupe.

2019 will mark the 60th anniversary of the Silver Rose program. A special celebration is being planned for the transfer of the Rose to Mexico in Laredo in December 2019. The detailed planning for this celebration is ongoing. All members and their families are invited to attend this special anniversary celebration. As the details are finalized, the State Council will keep everyone informed. The State Family recommends that members prayerfully consider making a commitment to participate in the program in 2019. This participation can be by volunteering as a runner in Oklahoma, attending Silver Rose Masses in Oklahoma and/or making a pilgrimage to Laredo to attend the 60th anniversary celebration.

Having been the State Silver Rose Chairman for the past seven years, this report marks the conclusion of my time as State Silver Rose Chairman. I will be happy to assist Former District Master LeRoy Giddens as he moves into the new position of State Chairman for 2019. I would like to thank Past State Deputies Dan Hogan, Ron Schwarz, and Bob Melko and our current State Deputy, John Pierce, for allowing me to serve these past seven years as State Silver Rose Chairman for Oklahoma and Past State Deputy Paul Weigl for assisting me this past year.

State Treasurer Report

April 24, 2019

Worthy State Chaplain, Worthy State Deputy, Supreme Representative, State Officers and Brother Knights

The audit committee's task is to review and audit the State Treasurer's books and records for the period of April 1, 2018 to March 31, 2019. The audit committee met with the State Treasurer the evening of April 17, 2019 and reviewed and audited ledgers and reports of the Oklahoma State Treasurer records. Based upon the review and spot checks of statements and ledger sheets and finding no discrepancies, we the committee certify the accuracy of the Oklahoma State Treasurer's books and records.

Dennis Kunnanz, State Treasurer, presented the committee with a comprehensive review of the state's accounting process. All questions the committee had regarding the report and audit process were completely answered by the State Treasurer.

The committee was provided a copy of the independent auditor's report for the period April 1, 2017 to March 31, 2018. The audit was completed September 14, 2018. An independent audit will be performed on the Oklahoma State Treasurer's books for the period April 1, 2018 through March 31, 2019. It is estimated that the audit will be completed by the end of August 2019. The committee was also provided a copy of the completed and filed 2018 Form 990 for the Knights of Columbus Oklahoma State Council. The return was professionally prepared by C.J. Runyon, CPA and appeared to be in order.

After review of the Oklahoma State Council of Knight of Columbus general accounts the committee found no discrepancies. The records are in proper order and the State Treasurer's report should be approved as presented.

Scholarship Report was given by Scholarship Director Peter Picket. In his report he discussed the new format for the Catholic Education Program. After the report was over the PSD discussed the new plan and would like the following items be incorporated into the new program 1) Instead of the monies going into the State Charity Fund that it would go into a fund in education fund at the foundation, so if individuals can donate and get the tax credit since the foundation is a 501 3c. 2)

Add in some type accountability from each diocese so we as the members know where the monies are going too.

It was brought up to see if the PSD at the banquet and the awards breakfast if they would like to sit with the award winners tables. The consensus was that they will be willing to try this format instead of all at one or two tables.

PSD/FVSM Richard Schulte gave the PSD's a report on the Center of Family Love and the upcoming COFL Gala and the COFL Love Challenge. In the report it was stated the Center has a \$1.6 million short fall because of the governments cut backs. Also report the 2018 Gala raised over a million dollars. The Gala will be held June 8, 2019 at the National Cowboy & Western Heritage Museum.
