

In the late 19th century, there was much anti-Catholic prejudice and dangerous factory working conditions that left many families fatherless and in need of assistance. Blessed Father Michael J McGivney recognized the need to aid these families and instituted the Knights of Columbus.

So today, to continue this need of assisting families, the Knights of Columbus is collecting for Persons with Developmental Disabilities.

Your donations today will go to the Knights of Columbus Developmental Disabilities Center at Cardinal Glennon Hospital, Special Olympics, F.I.R.E., and many other program supporting people with developmental disabilities.

Due to COVID-19 restrictions, please be assured, collection of donations will be safe and can even be done online. Please see a member of your local Knights of Columbus council for answers to your questions and how to donate to this most worthy need.

Thank you and May God Bless!!
