## **A Higher Purpose**

Share the message of Our Lady of Guadalupe and promote respect for life by participating in this meaningful pilgrimage. The Silver Rose program demonstrates the unity between Knights of Columbus in Canada, the United States and Mexico, through a series of prayer services promoting the dignity of all human life and honoring Our Lady.

## **Overview**

Each year, from early March through mid-December, Silver Roses are stewarded by Knights of Columbus councils along routes from Canada to Mexico. Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life, for the spiritual renewal of each nation, and for the advancement of the message of Our Lady of Guadalupe.
