"PUT OUT INTO THE DEEP"

MAY 2023

State Deputy's Message

By John Huttenhoff

BROTHERS, I WANT to thank everyone that took the time to attend the State Convention this past weekend. We had 287 Voting Delegates, and many additional brothers in attendance. In addition to Resolutions Report, Election of State Officers, and Election of Delegates to the Supreme Convention, the Cor initiative was introduced during this meeting. The Wisconsin State Council continues to lead the order in ASAP Donations and continues to be in the top 10 for ASAP Grant Applications.

Congratulations to the following that were elected as State Officers for the 2023-2024 Fraternal Year: State Secretary Miles Casey, State Treasurer Ross Larson, State Advocate Dr. Jim Froh, State Warden Ernie Reinhart. I look forward to working with all of you to grow the Knights of Columbus in Wisconsin.

A big thank you to our Host Districts 8 and 13, and Host Councils 617, 3955, 4505, 6464, 7498, 10714, 17348, 4735, 5382, 5844, 10243, 10552, 11834, and 16333 for all their help in making everything run smoothly. We could not have done this without your help.

Also, a big thank you to the Nowak Agency for sponsoring and running the Hospitality Suite at this year's convention. The hospitality room provided for a time of Fraternity on both Friday and Saturday nights.

And finally, thank you to Administrative Manager Steve Geishirt for all his time managing registrations prior to and at the State Convention, and to Former Administrative Manager Tony Schreiner for his help at the Convention. There are many moving pieces at an event this large, and many details that need attention, and these brothers make it look easy. Thank you for all that you do.

We have 2 months left in the Fraternal Year, and we still have a lot of work to do. At the State Council level, we still need to finish 1 more New Council Development, bring in 74 New Members, and we need 72 additional Councils to qualify for 2 Fraternal Benefits Nights. I am asking for the help of every Council to help us meet our Fraternal Benefits Nights requirement. Members simply need to attend the seminar, and then answer a simple survey. The Fraternal Benefits Nights are designed to be educational in nature to help members to better provide for the Spiritual and Financial wellbeing of their families. 79 Councils already have credit for 2 Fraternal Benefits Nights, and 140 have credit for 1. We simply need 72 more Councils to get credit for 2 Fraternal Benefits Nights. We can do this, but we will need the help of every District and Council in the State.

Every Council should be working towards Star Council recognition. At the Council Level, the following still need to be completed prior to June 30th:

- ▶ Council Election of Officers (Report using form 185)
- ▶ Council Appointment of Service Personnel (Report using form 365)
- ▶ Meet Membership Intake Goal
- ▶ Meet Fraternal Benefits Nights Goal (Attendance at 2 events with at least 7 members or men eligible for membership) (Report to General Agent using form 11077)
- ▶ Submit Columbian Award Application (SP-7)
- ▶ Send PKD Donations to the State Council
- ▶ Complete Safe Environment Training and Background Checks by Grand Knight, Program Director, Family Director, and Community Director if not already completed.
- ▶ Send Culture of Life Donations to the State Council.
- ▶ Submit RSVP Application to Supreme (Form 2863)
- ▶ Submit ASAP Grant Application to Supreme
- ▶ Plan Programs and Membership Events through the end of 2023.

I know that this list can look overwhelming at first. All the paperwork and forms can be completed in about 2 hours per Council. I simply ask that you address each item and then check them off. Your Council has worked hard all year, now is the time to complete the last few items to qualify for Star Council recognition.

We live in a time of change. The Knights of Columbus provides a means for Catholic Men to grow in their Faith, and then put that Faith into Action. Each of our Councils needs to move from maintenance mode into a mode of Apostolic Mission. Each of us must Step Up to Lead our Councils, Districts, Diocese, and the State Council. We all joined the Knights of Columbus to make a Difference. This is our time. We must trust in the Spirit and do our part to make things happen.

Brothers, it is time to Put out into the Deep. ✚

State Chaplain's Message

By Fr. Brian Dulli

DEAR BROTHER KNIGHTS, the following remarks are taken from my homily for the Votive Mass of the Holy Eucharist at our state convention.

Society is dying. It's not merely sick. The finality of death has its grip on the processes that govern social affairs. Society is dying. You can look and still find pockets of goodness in many human hearts. We can savor the sweetness of a strong Catholic family. We find respite in appreciating Christ's love in the small things. There are signs for us to build up hope even in some of the most difficult circumstances. We live in two civilizations at once. The City of God always increases, while the city of man is always in danger. Jesus sent the apostles out to teach nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.

Baptism brings new life. The world needs new life and healing right now. It seems like we need to baptize a lot more than just our bodies. The Church's job is to baptize every thought and bring it into alignment with the mind of Jesus Christ. You live in the world, but you are not of the world. Jesus told you that. But every one of us has the thoughts of this world in our minds every day. We can't ignore them and act like we are a world apart, but we can't agree with them always. Each man in Jesus Christ has to bring his thought life to Jesus in prayer. Bring your thought to him continually so that he can form and shape those thoughts into better ones. Take more thoughts and transform them into still better ones until they become habits of the mind. This is called putting on the mind of Christ. Out of that renewed mind, actions will begin to emerge. They will be small at first, but they will grow into patterns, processes and plans for better life. This is how the Lord Jesus teaches all nations; through the renewal of the minds of His disciples.

The Bishops of the United States have called for Eucharistic Revival, and the Knights of Columbus have responded generously to the call to support the Church's mission. Let's focus on the

word. Revival. Jesus is calling forth a renewal of life. This is His revival. Eucharistic is the adjective in the phrase, describing the means for this revival. The focus needs to be on the revival part. So that doesn't mean that it is enough to merely revive the outward form of religion. If all we do is have more processions, I fear that Eucharistic Revival might become another slogan, representing a missed opportunity for the Church. We have all been shocked at some point to hear how many Catholics no longer believe in the dogma of The Real Presence of Jesus Christ in the Eucharist. How can anyone be Catholic and not believe that the Eucharist is truly the Body, Blood, Soul, and Divinity of Jesus Christ? And we shake our heads baffled. It's the wrong question. How can we truly believe in the real presence if we are not also being taught by Jesus and transformed by Him? Eucharistic revival is about Jesus coming to live more fully in you and me, the Risen Jesus, giving life in place of death.

Eucharistic revival is not just for street corners. It's for quality time with Jesus. Not a moment spent in the presence of Jesus Christ goes to waste. He is all about revival. When you spend time with Jesus in the Eucharist, you are telling him that you want eternal life. How many of you know that? The flesh of Jesus is true food and Blood is true drink. It isn't fast food. It's food we must savor, true food. When you take time with Jesus in the Eucharist, you let Jesus revive you with gifts of eternal life. The Eucharist is the fountain of youth. When you renew your mind in Jesus, you are learning new things. We are stimulating growth in the mind and soul. No matter your age, if you can stay fresh and be transformed by the mind of Jesus your youth is being restored to you for healing of body and soul. The Church teaches that the Eucharist brings health to the body, renewal of the mind, healing of the conscience. ✚

Baptism brings new life. The world needs new life and healing right now.

We have 2 months left in this Fraternal year where councils can achieve 100% of their membership goal or greater and to possibly achieve becoming a STAR council.

At the State Convention this past weekend, I challenged every council in the State to conduct at least 1 exemplification these next 2 months.

With your help, if all councils can conduct an Exemplification in these next 2 months, we will have an extraordinary opportunity to bring in at least an additional 300 more Knights before the end of June, allowing us to not just achieve our State Membership goal set by Supreme, but achieving at least 100% ACTIVE COUNCILS in our State—which is defined by a council bringing in a new member into the Order.

As of this writing, we have 109 councils to date that have yet to bring in a new member. This means that roughly 191 councils have brought in a new member this year, roughly 65% of our councils.

As a State—Supreme set a goal for us to achieve 270 ACTIVE councils this Fraternal Year—and over 2 months we have a tremendous opportunity to reach this lofty goal if all of us do our part.

EVERY MEMBER COUNTS. EVERY COUNCIL MATTERS. Please let us know what we can do to help and together we will achieve SUCCESS in growing membership in Wisconsin.

General Agent's Message

By Tim Nowak

I'D LIKE TO begin with the thought that a treasure map does not become worthless because it is old, nobody finds one and throws it away simply because it's aged and worn. In fact, the value of the treasure map is determined by two main factors: Does the map lead to treasure? And how great is said treasure? Age does not make something less valuable or irrelevant.

I've been pondering the message that Matthew Kelly covers in Chapter 24 of his book Rediscovering Jesus called The Gap. We must not let others see the aging out or growing old of our order as a reason to be dismissed or lessening of our worth and purpose. The Knights of Columbus does not exist just because we've simply been around for 140 years. There is a brilliance to why we still exist, and I hope and pray that young people will take the time to see that what was good then can still be good now. And that the mission and values of Blessed Father McGivney can live and thrive in these difficult times.

This gap that Matthew Kelly is referring to is the gap between truly LIVING the way Jesus intended us to in our actions and words and simply going through the motions of being Catholic. How do we close this gap? How do we help others understand this gap in their own lives? As an example, when we are out recruiting and spreading the words and teaching of Father McGivney, we talk a lot about being Charitable. But upon welcoming new members into our order are we following up with truly teaching them how to be charitable? Or are we just satisfied that we gained a new member? This is so vital to closing this gap and truly becoming the men of our words that we strive to be. The next core value that we stand by is that of Fraternity. But how are we truly expressing and encouraging Fraternity amongst our members? It is crucial that our Grand Knights and other leadership express and demonstrate their Fraternity to lead by example, supporting their brothers to the best

of their abilities. Our third value is Unity, and it's an area we can grow in the most. We, as an organization, must strive to gain more volunteers, as well as, to join our volunteers in building upon the mission of the Knights of Columbus. We must use the teachings of the gospel to inspire others to want to join us in our mission. We can do this by asking ourselves, "What would Jesus do?", "What would John the Baptist do?" and "What would Stephen the Martyr do?" and finally, "What can we do?" This will help us close this gap. Let us reach out to those who may find themselves feeling lost, aimless and without purpose. Let us reach out to our neighbors who feel their lives may be lacking somehow and show them how much more they can gain through the lessons of Father McGivney and our organization.

We are truly so blessed because we, the Knights of Columbus, have exactly that "Treasure Map" to show us how to accomplish this very task. The teachings and lessons of Father McGivney may be from a time long passed, they may appear worn and aged, but they are tried and true. McGivney's treasure map was started in 1882 and has led us all to call young people to the service of our neighbors, to protect widows and orphans and to guide those looking to grow in their faith by performing acts of charity, by belonging in unity, walking hand in hand, brother with brother. Doing God's work and unifying with our priests, bishops, and our clergymen. To follow the holy orders and to magnify the greatness of being close to and staying close to Jesus through the sacraments through prayer, through almsgiving and service of others. If we lead by example we will, undoubtedly, inspire others to join us in our pursuit of living out God's mission for us in our everyday lives. We can take that old map and we can cling tightly to the charter to change the future as we did in the past. And work to shrink the gap and stand with those looking for the treasures we have found. ✚

Vivat Jesus!

We must not let others see the aging out or growing old of our order as a reason to be dismissed or lessening of our worth and purpose.

Four Key Principles of Marketing

Before you scroll down, I have a question for you: *Do you know the purpose of your Council?* I can feel you staring at me blankly from here. "Um...to offer charitable works of mercy and to bring financial aid and assistance to the sick, disabled, and needy members and their families? Duh?"

Yes...but what's REALLY the purpose of it? Charity and works of mercy, though fundamentally important, are functions of what you do, not the purpose of it. If you advertise your parish as "we gave \$1,000 to XYZ!" you're only going to be reaching people who A) know what you do and B) care about it in the first place. And you don't need to advertise to those folks; they will actively seek you out. So not only do you not know how to communicate what you actually do (presumably, walk with people on their faith journey, develop a personal relationship with Jesus, and become disciples), but you also don't even know who you're talking to!

A classic example of this? Almost every church I've ever seen promotes their RCIA program in one place and one place only - the church bulletin. I don't know about your church, but at mine, only the most engaged (and stereotypically older) population even takes the bulletin. So you're promoting RCIA...to people who are already devout Catholics and the most active in your parish.

First, you need to know what you do, who you do it for, and how to convince them of your value...which brings me to the first of what I hope is many mini lessons on best practices in marketing your council. Here are four key principles of marketing your council:

1. *Clearly Define Your Mission:* The first step in marketing your council. Your mission should clearly state what your council does, who it serves, and how it makes a positive impact on your community.

Write it down and share this with our members.

2. *Identify and Understand Your Target Audience:* It's important to identify your target audience and understand their motivations for volunteering. Consider their age, interests, and values, and tailor your messaging and outreach efforts to resonate with them.

3. *Leverage social media:* Social media is a powerful tool for marketing your council. Create a social media strategy that includes regular posts, engaging content, and calls to action. Use social media to showcase the impact of your council, recruit volunteers, and raise awareness. Share Stories: Volunteer stories are powerful tools for inspiring people to get involved. Share your volunteers' stories on social media, in newsletters and blogs, and on other platforms. Encourage those you serve (let's call them customers) to Share Their Own Stories: Customer advocates are another valuable resource for spreading the word about your council. Ask your members to share their experiences with friends and family members who might be interested in helping the councils.

4. *Build Strong Partnerships:* Partnering with other organizations and businesses can help you reach a wider audience and build credibility. Seek out partnerships that align with your mission and values, and work together to create mutually beneficial opportunities. Ask for Feedback: Ask your volunteers and existing members what they think of your council, how to improve it, and how they can get involved. You can also ask them to provide testimonials or write reviews of your volunteer experience.

The Emblem of the 4th Degree Order

By James TenPas
Eastern District Master

THE TRIAD EMBLEM of the Fourth Degree features the Dove, the Cross and the Globe. The Dove - classic symbol of the Holy Spirit and Peace is shown hovering over the orb of the earth (Globe). Both which are mounted on a variation of the Crusader's Cross - that which was found on the tunics and capes of the Crusading Knights, who battled to regain the Holy Land from the pagans.

Our Honored Order cherishes as its patron Christopher Columbus. Christopher (Christ Bearer) Columbus (Dove of Peace), symbolizing the Paraclete spiritually; the sacred symbols on the emblem typify the Union of the Three Divine Persons in one God - the most Blessed Trinity.

The Orb or Globe represents God the Father the Creator of the Universe. The Cross God the Son the Redeemer of

Mankind. The Dove the God the Holy Spirit and Sanctifier.

These symbols along with the red, white, and blue colors are used to stress the basic principle of the Fourth Degree PATRIOTISM.

The Supreme Council has released the new Fourth-Degree Officer Service Baldrics which are a solid color and match the color of the Beret Patch. These are now available for sale

through English Company at kofcsupplies.com. These baldrics are available in various sizes. The new

baldric color for each position will be as follows:

- ▶ Supreme Master/Supreme Knight/Former Supreme Master – **Dark Blue**
- ▶ Vice Supreme Master/Former Vice Supreme Masters – **Light Blue**
- ▶ District Master/Former Master of the Fourth Degree – **Gold**
- ▶ District Marshal (while active) – **Green**
- ▶ Faithful Navigator/Past Faithful Navigators – **Solid White**

Mental Health Ministries

By Deacon Jim Hoegemeier

DEAR BROTHER KNIGHTS, most of the statistical data related to mental health shows that about 1 in 5 people experience some type of mental health challenge in any given year. Think about the impact of that when looking out at our Brother Knights at a council meeting or at the people in the pews participating in a weekend Mass.

One of the primary barriers to people with mental health challenges having access to appropriate support is stigma. There is so much misunderstanding about mental health challenges and the impact such challenges have on all of us.

May is Mental Health Awareness Month. As Knights of Columbus, we should consider ways in which we can assist in bringing healing to the many people impacted by mental health challenges. A good start is to be open to learning some basic information about mental health challenges and how we, as Knights of Columbus, can support those who live with mental health challenges. A solid first step might be to view the video, "How to Bring Mental Health Ministry to Your Parish or Catholic

Community", a presentation by Deacon Ed Shoener, a Brother Knight and founder and President of the Association of Catholic Mental Health Ministers. The link to the 56-minute video can be found [here](#).

Another excellent tool to help overcome the barrier of stigma related to mental health would be to become trained in Mental Health First Aid. This is a program very similar to traditional first aid training. Mental Health First Aid assists people in recognizing signs that a person might be experiencing a mental health challenge and helping people connect with appropriate support. This daylong training is offered in person and virtually by trained instructors. For more information, [visit this site](#).

For parishes and other communities that are considering starting a mental health ministry, a foundational resource is The Sanctuary Course. This 8 session course will assist participants in learning more about mental health challenges and the people who live with such challenges. The course incorporates Church teaching and Scripture. Several

parishes in Wisconsin have offered this course over several weeks. For more information, please visit [The Sanctuary Course website](#).

Lastly, a very useful resource is the Association of Catholic Mental Health Ministers. The aforementioned Deacon Ed Shoener started this association in response to experiencing a lack of resources from his parish and the Church when his daughter, Katie, died by suicide. He founded the association with the goal of providing a resource for parishes to develop and maintain effective mental health ministries. For more information, visit the Association of Catholic Mental Health Ministers [website](#).

During Mental Health Awareness Month, may we, as Knights of Columbus, discern how we might respond to the needs of the many people in our lives experiencing mental health challenges. Feel free to contact me for more information. ✚

04-25-2023 is 82% of the fraternal year passed. We have surpassed our online intake target, but having reached the intake goal set by Supreme is not a reason to stop utilizing this easy method for men to join the Order. We still need to convert these e-members into council members, especially the 22 e-members assigned to 16 councils not having taken in a new member yet this year. There are also a number of councils with 5, 6, & 7 e-members assigned that could easily reach their membership quota if they would just engage these e-members and bring them into the council. Please remember that the goal is to have ZERO assigned e-members. You may note the decrease in assigned e-members and the increase in those listed as DNWTT as those on the prospect list for over two years have been removed from the that list. They are still e-members and may still be transferred into a council via the Candidate tab.

ULTRASOUND PROJECTS

Praise the Lord! Manitowoc has met their goal for their ultrasound campaign for The Crossing in Manitowoc!

Please send your ultrasound money to:

Belleville, WI 53508

If you have an **INDIVIDUAL DONOR** who wants a tax deduction for an ultrasound project, they can send their donation through the WI KofC 501(C)(3).

Wisconsin Knights of Columbus Charities, Inc
Memo: (#6630 or #710 ultrasound)
4297 W Beltline Highway
Madison, WI 53711-3859

There is also a request for an ultrasound in Uganda which is being sponsored thru the Women's Support Center in Milwaukee. It will be used by a Catholic medical clinic in Uganda - Dr. Cindy Nosacek and her husband, Deacon Gary go on a medical mission several times each year. Contact Dan Miller for information.

ASAP GRANTS! YOU ARE STILL NUMBER ONE!

Congratulations! Wisconsin is still **NUMBER ONE** in the nation for monies donated to PRCs in Wisconsin (over \$300,000)! Keep up the good work! If you don't know who to donate to – either send it to a current ultrasound fundraiser – or send it to a local PRC. Not familiar with any in your area? [Pick one from this handy website!](#)

- ▶ ASAP grants will only match for amounts over \$500 and limited to \$2,000 (annually) per PRC. Make your money work for you! Donate over \$500 or in increments of \$500 at a time! EG: I recently helped a council apply for ASAP funds in the amount of \$770. I know sometimes whatever the number is what it is, but if they had donated an extra \$230, the PRC would be getting a \$200 ASAP check (20% bump in donation) instead of \$100 (a 12.98% bump in donation)
- ▶ If you applied and mailed your application to Supreme, you will wait longer to receive the matching ASAP funds. Grants applied for online are given priority because of the time it takes Supreme to enter your grant application manually.
- ▶ If you want my help in applying for an ASAP grant, [email me](#) the
 - ▷ Organization's (the PRC) signed/dated W9
 - ▷ A copy of the front and back of the cashed donation check OR a signed/dated Donations Receipt Letter from Supreme Council.
 - ▷ Name of council and council number. ✚

BROTHERS, HERE WE are in May, in the midst of spring, the State Convention recently behind us and only 2 months left to this '22-'23 Fraternal Year. Many of our Community and Youth programs have been completed (eg. Coats for Kids, Essay Contests, Poster Contests, Knowledge and Free Throw Contests, PPK and Hockey Skills Challenge).

However, there are several which are still quite relevant and should be a focus of your attention in the 2 months ahead. With the threat of spring and summer storms ever present, Disaster Preparedness is very important. Plan now to review your Council's and parish's plans for disaster preparedness and your available supplies. If there are none, now is the time to draft and finalize those. Work with the Red Cross and other community agencies to do the same in your community. Check the Supreme website (Faith in Action/Community Programs/Disaster Preparedness) for assistance and/or with Paul Shepherd and your State DR Team.

Habitat for Humanity is very active now and your Council or parishioners can certainly be of help. Contact your local or area Habitat organization to see how you can help with rehab or construction projects, at their Re-Store facility, with donations of time, talent, materials or cash. Again, check the Supreme website for more information.

Helping Hands and Leave No Neighbor Behind projects are likewise always pertinent this time of year. There are always things that need doing to assist, repair, maintain parish and community facilities where you can work with parishioners, other agencies, scouts, Brother knights and families and prospects to make a difference – be it a fundraiser, blood drive, clean up and fix up project – whatever meets or resolves a need in your area!

Speaking of fundraisers, you can always do a fair, picnic, meal, brat fry, bags tournament, etc. and use the money raised to purchase wheelchairs for the Global Wheelchair Mission. The need in Ukraine, the Middle East, Africa and the Caribbean continues to grow. Again, check the Supreme website for information and ideas.

Remember, the Spring Soccer season is still here. Do a Soccer Challenge in May. Work with neighboring Councils or as a District. Do it at school, gym class or at a site where soccer practices or games are held. It's not hard and can be quite a lot of fun. Once completed, send in your results to your DPC and the State Forms address by June 4. If numbers warrant, we will hold regional and State competitions as needed – TBA. For more information, see the State or Supreme websites, contact your DPC or me.

Finally, be sure to work on your SP7 Columbian Award application and your 2022-23 Wisconsin Outstanding Council Award form so you can get them in well ahead of the June 30 deadlines. The former can be downloaded from the Supreme website, the latter from the State website. For assistance in filling them out, check with your DD, DPC or me. Als, remember to turn in your 10784 for each program when completed to Supreme and the State Forms address.

Have a great May! Vivat Jesus! God Bless America! ✚

Fraternally,
Bill Frayer

Wrapping Up and Moving Forward

By Ernie Reinhart

WHEN WE STARTED this year, I came to you with a new vision for programming. At the core of the new vision were our founding principles of Charity, Unity, Fraternity and Patriotism. I suggested to you that we as Knights demonstrate our principles via Faith in Action. I also shared a statement from the Faith in Action, "Men are drawn to opportunities to be hands-on and express their faith by working alongside peers in service to others."

As we know our ranks are diminishing. Men are not joining in the same numbers that have in years past. One of the reasons I suggested is that many councils are doing the same programs they did 10, 15 and even 20 years ago. In my opinion our programs need to evolve to attract young men to our order.

Innovation is needed to attract young men and their families. Developing and trying new FIA programming ideas is the key to the future. I am happy to report that many councils took up the challenge and developed new exciting programs. All four of the program awards presented this year are excellent examples of innovation.

A secondary aspect of the new programming vision for this year was to empower the Program team. As you probably noticed the Faith in Action Director and Diocese Program Coordinators had an increased presence. This was intentional. I am happy to report that all the men in these important assignments played greater rolls this year. I look forward to next year as we look increase the size and engagement of the program team.

If you have any suggestions on how we can make the programs better, please let me know. I am happy to listen to your suggestions. Also, as I mentioned we are looking to expand the team in the new fraternal year. If you have a program passion let's talk. Maybe you are the man we need on the program team.

FAMILY FULLY ALIVE

During his visit to the Philippines, Pope Francis cited the need for "holy and loving families to protect the beauty and truth of the family in God's plan and to be an example for other families" (Pope Francis, Address to Families at the Mall of Asia Arena, 2015).

The Family Fully Alive monthly devotions are concrete ways that Knights of Columbus, in solidarity with Pope Francis, can support the growth of holy and loving families in the Church. The Family Fully Alive Program asks families to invite God into their homes and cultivates each family as a miniature domestic church.

To this end, the program provides monthly themes, scripture verses and activities. Through prayer and reflection, each family has the opportunity to grow in holiness together. This is a flexible program that can be started at any time of the year and continues year-round. Councils will order physical booklets to distribute or direct parish families to program resources on kofc.org.

Habitat for Humanity a Higher Purpose

Build homes with families in need. Councils are asked to donate a minimum of \$1,000 or 200 service hours to Habitat for Humanity projects in their community. A featured program, Habitat for Humanity counts for two credits toward the Columbian Award.

Knights of Columbus councils work closely with Habitat for Humanity, a nonprofit Christian organization, to build homes with families in need at substantially reduced costs. Each year, councils throughout the Order donate a considerable number of volunteer hours and dollars to this worthy cause. To satisfy program requirements, councils are asked to donate a minimum of \$1,000 or 200 service hours to Habitat for Humanity projects in their community.

Grand Knight Program Reminders

- ▶ Ensure timely processing of your RSVP and Food for Families refund applications by gathering the necessary supporting documentation and submitting the forms early.
- ▶ Submit the Columbian Award application (#SP-7) as soon as your council has completed 16 program activities or credits. You should continue to submit Fraternal Program Report forms (#10784) for all additional programs.

"Innovation is needed to attract young men and their families. Developing and trying new FIA programming ideas is the key to the future."

Honor Flight 2023

By Daniel Hull

HONOR FLIGHT NETWORK is a national nonprofit organization comprised of independent hubs working together to achieve the Honor Flight mission. In furtherance of this common goal, we have the enormous privilege of showing our nation's veterans the appreciation and honor they deserve.

Participation in an Honor Flight trip gives veterans the opportunity to share this momentous occasion with other comrades, remember the fallen, and share their stories and experiences with other veterans. Honored veterans always travel free of charge, thanks to generous donations to our organization.

Honor Flight Network currently honors those who served during World War II, the Korean War, the Vietnam War, and veterans of any service era who are critically ill.

Over 125 hubs across the country form our Honor Flight Network. These hubs and their volunteers truly make our mission a success. They freely donate their time and talents to coordinate flights, bus trips, welcome home ceremonies, thousands of phone calls and so much more – all with the common goal to honor our nation's heroes with the trip of a lifetime.

Through Honor Flight Network's Lone Eagle program, we are able to serve those veterans who live in areas with no local hub, furthering the reach of our impact. ✦

Hello Brother Knights! This month continues the great progress for the Family of the Month program. A quick summary is below but click on the Flocknote link below for all the details.

GOOD FRIDAY FAMILY PROMOTION

Now that we are beyond Good Friday, please remember to submit your 10784 for this event so it can be included in the Family category of the Columbian award.

FAMILY OF THE MONTH

Thank you again for an **amazing** month! All the details can be found in the Family Director Flocknote post. [Check it out here!](#)

Supreme

The Supreme family of the month is the **Michael and Sarah Kaffine** family from the Our Lady of the Rosary, Council 722 in District 61 of the Milwaukee Diocese. The family should be receiving a nice plaque and letter from Supreme.

Form Accuracy

Supreme reported that there were two families that were NOT included in the Wisconsin Family of the Month drawing because the council did not include the last name on the Name of Nominee Husband field. Councils, to make sure your family is considered for Supreme's Wisconsin Family of the Month drawing, be sure to fill out **ALL** the fields completely on the form. Click the link above to the Flocknote report for more details.

(Nominee's Full Name)	
* 3 Name of Nominee - Husband:	Nick Brown

Diocesan Families of the Month	
Green Bay	David & Janine Lacount
Madison	Phil & Diann Galassie
Superior	Charles & Erin Bettag
La Crosse	Kevin & Jackie Felz
Milwaukee	Cathy Jacobs

Diocese

Milwaukee Diocese led with 77% district participation with the Madison Diocese having the most FOMs by submitting 17 families.

District

56% of the districts submitted at least one family. **Districts on Fire:** One district submitted three or more families and thirteen districts submitted two families.

Council

There were no new councils submitting a family of the month. There were 53 families submitted to forms@wikofc.com. Unfortunately, two families were not submitted to the state, so these families were not considered for being a diocesan family of the month. Gentlemen, please remember to **FORWARD** your 10784 forms to forms@wikofc.com!

SUPREME NEWS

There is a problem with the online 10784 where the family summary is restricted to 250 characters. Supreme is aware of the problem and there is no estimated time of repair.

Here is a [link](#) to the video on how to fill out the new online version of the 10784 form.

After you fill out the online 10784, you will receive a PDF file that you can include in your council history books. **Please forward this PDF to forms@wikofc.com so that your family can be considered for the Diocesan Family of the Month award.**

Gentlemen, it is a **privilege and honor** to serve you and your councils! Please let me know if there is anything I can do to help.

Vivat Jesus!

ICON UPDATE

I have been informed that the St. Joseph Icons will remain with us in Wisconsin through at least the end of the 2023-24 Fraternal year. This gives us time for each Council to be able to share the St. Joseph Icon a second time with their parishes. While this second rotation will be over only 12 months instead of 18 months as in the first rotation I trust that the District Deputies can depend upon their prior experience to see that each of their Councils have an opportunity to share the Icon with their parishes. Please note that each district will have the ICON for roughly 3 weeks which still should allow each council to have it for at least 3 days. Below is the revised schedule. If you have any questions, please feel free to [email me](#).
