\*Fr. Phil was born in Guam, 1949, one of two sons of a Navy family. A priest for forty-two years, stationed as associate pastor at St. John's in Edmond, Sacred Heart in OKC, Christ the King in OKC, Our Lady's Cathedral in OK, then as pastor in Woodward with its missions in Beaver, Buffalo, Mooreland, and Shattuck. Served as the Secretary of the Council of Priests, Assistant Master of Ceremonies, a Regional Vicar, and a member of "The Vocations Team". Then.... A totally unexpected jumping-off-the-tracks move because of G-d's call. Served twenty years as a Navy-Marine Chaplain. In war and in peace. At home and abroad. On land and sea, and in the air. In danger and in safety. Now, by another call from G-d, and with the Archbishop's permission, living as a solitary religious hermit out in the country in a good log house on 40 acres, between Bethel Acres and Tecumseh.
