Coats for Kids Event in Milwaukee ArchDiocese

Council 16217 All Souls Mass

The Knights assist placing and lighting candles for over 400 bags lining the sidewalks around the church proper for All Souls Day. Visually it's powerful as each bag represents some family member that is missed but not forgotten. Bags were left up overnight and had many people walk through during the following day. We have learned that people are grateful that their loved ones aren't forgotten and the parish takes the time to remember them and celebrate their life with a mass.

CoThe candles in front of the altar are the 27 parish members we lost between 11/3/19 to 11/2/20. Behind is the Tabernacle that Fr. Andy Kysely's mother donated to the parish earlier this year and the Tabernacle stand was a gift from our Knights Council and built by Brother Knight Tom Doerfler. It's a beautiful addition to our church and the Tabernacle can now be seen from anywhere within the church.
