

**KNIGHTS OF COLUMBUS  
COATS FOR KIDS ORDER FORM**

Coats come in boxes of 12, and must be ordered by the box. Each box will contain either girl's coats or boys coats but not both. The cost is **\$385** Canadian per case. This cost includes shipping and taxes.

**Please note the slight increase in cost is largely due to the quality of the coats this year. It has been recognized that winters in Canada are harsher than in most parts of the United States. To accommodate our climate – the coats we will be receiving will be upgraded to accommodate our winters better.**

Coats are only sold by the full case. Pre-packaged cases contain either boys' coats or girls' coats (mixed cases are not available).
