

District #2 is made up of 4 councils:

1044 in Enid

1533 in Okeene

3113 in Kingfisher

3220 in Okarche

Council 1004 has been the most active of the councils in district 2. They have held virtual and face to face meetings during the Covid-19 pandemic. 1044 has been active within their parish, at the catholic school and within the community. 1044 is very close to obtaining a Star Council award. 1044 is struggling to meet their membership goals.

Council 1533 has not held meetings or been very active during the Covid-19 pandemic. Up on request, 1533 has assisted their parish priest with things needed within the parish. To the best of my knowledge, 1533 has not been actively recruiting new members to the Order. 1533 will not meet any of the goals needed to obtain a Star Council award.

Council 3113 has not held meetings or been very active during the Covid-19 pandemic. 3113 has assisted in and around the parish and catholic school if the priest requested their assistance. 3113 will not meet the requirements needed to obtain a Star Council award. To the best of my knowledge, 3113 has not been actively recruiting new members to the Order.

Council 3220 has held one or two in-person and/or officers meetings during the Covid-19 pandemic. 3220 held a basketball free throw contest for the year of 2021. Up on request, 3220 has assisted with items needed at the catholic school in Okarche and at the parish. 3220 will not meet the requirements needed to obtain a Star Council award. To the best of my knowledge, 3220 has not been actively recruiting new members to the Order.

This concludes my report for district 2. I hereby ask that this report be read into the minutes of the 2021 Oklahoma Knights of Columbus state convention.

Respectfully submitted by John Arnbrecht Oklahoma Knights of Columbus District #2 Deputy.
