Dear Brother Knights and Families,

The weeks of advent leading up to Christmas reminded us to set aside some of the hectic business of the holiday season, and to reflect on the promise of the Baby born in Bethlehem 2000 years ago.

The word Advent from Latin means coming. In the past four weeks, we have prepared for His Coming. On Christmas Day, we will rejoice and celebrate, with our family and friends, Jesus' birth, his coming.

We will rejoice because God has given us his only son Jesus to identify with the human heart of man. Jesus was given to us by the Father to live and walk among us and as he did, he showed us what is important to concentrate on as we live our lives here on earth.

Jesus then gave us his life as a sacrifice to reconcile us back to God, our Loving Father. Let us rejoice and be glad with joy in our hearts as we share this special day, of the birth of our savior, with family and friends.

And while we celebrate this joyous time, may we have the gladness of Christmas which is hope, the spirit of Christmas which is peace, and the heart of Christmas which is love.

This joy and hope and love is expressed in the Knights of Columbus throughout the year in all of our Charitable works each time we put a coat on a kid, take a meal to a senior, collect food for a needy family or provide someone with mobility by giving them a wheelchair.

May we live this hope and joy and love throughout the entire year. Let us continue to promote our Charitable works which help to evangelize our members and build up our faith and the Catholic Church.

On behalf of all the State Officers and the State Team and their families, my wife Pat and I wish you and your family a blessed and joyous Christmas.

December 2018 Reflection

**ACCOMPANY**

**The Family as Domestic Church and as Missionary Disciples**

Dear Brother Knights and Families,

"Lets go for a walk."

How often have you said that to someone? For some of us, it might be a frequent activity. It is such a simple invitation to go for a walk, and the equally simple gesture of walking together, can say so much. You might have a destination in mind. You might even have a goal such as getting fresh air, getting your circulation up or even burning a few calories. You might want to "throw something out at someone" and test an idea you have. Whatever the context, quite often we just go for a walk with someone to confirm or deepen a relationship.

Jesus loved, I mean Luuuuuved, to walk with others. I wonder how often that happened with Him and His disciples? I can't imagine what was shared! Walking with Jesus must have really formed the thinking and outlook on the world for the apostles.

Jesus wants to walk with you. He was born as a human baby in a manger as helpless as can be. He grew up, suffered for us, died for us, resurrected for us and is present to us day after day in such a simple manner when He walks with us. Perhaps it is with a friend or family member. Perhaps it is alone. Yet after all of Christian history, Jesus wants to walk with you and listen to what is filling your head and your heart, distracting you or exciting for you. He wants to help you understand your daily circumstances and explain things for you.

I have honored people at times by inviting them for a walk and once we are on our way, I tell them that I wanted to go for a walk with Jesus. They usually give me a weird look, (which I am definitely ready for) and they soon get that I am serious. They are somewhat flattered ..... and it probably affects the atmosphere of our walk. That is the point after all.

So, this Christmas..... dwell for a moment on the fact that Jesus loved you so much, so very, very much, that He became human. 1) Leave your home/house and go for a walk with Jesus, that is, your spouse, your friend, your sibling, your relative or even someone with whom you normally would not walk. See where the conversation goes, perceiving them as Jesus the whole time you talk about whatever it is you discuss. Let the experience help you appreciate the significance of presence, the significance of Jesus wanting to be present with you. As He did with His disciples, He wants to walk with you this Christmas.

2) Then I invite you to pray the following prayer together with the person or the people with whom you are walking (composed by Archbishop William E. Lori of Baltimore, Supreme Chaplain).

*O Lord Jesus, you lived in the home of Mary and Joseph in Nazareth. There you grew in age, wisdom and grace as you prepared to fulfill your mission as our Redeemer. We entrust our family to you.*

*O Blessed Mary, you are the Mother of our Savior. At Nazareth you cared for Jesus and nurtured him in the peace and joy of your home. We entrust our family to you.*

.....Cont'd next page....

State Chaplain

**From page 3 ....**

*O Saint Joseph, you provided a secure and loving home for Jesus and Mary, and gave us a model of fatherhood while showing us the dignity of work. We entrust our family to you.*

*Holy Family, we consecrate ourselves and our family to you. May we be completely united in a love that is lasting, faithful and open to the gift of new life. Help us to grow in virtue, to forgive one another from our hearts, and to live in peace all our days. Keep us strong in faith, persevering in prayer, diligent in our work, and generous toward those in need.*

*May our home, O Holy Family, truly become a domestic church where we reflect your example in our daily life. Amen. Jesus, Mary and Joseph, pray for us!*

During your walk, discuss the prayer with them. Discuss what a family is and what it means. Discuss how everyone has a family and compare and contrast it with other families and with the Holy Family. Give thanks for the family that you have, including everything you like about it and everything you wish is was not. Do this during your walk so that upon your return, you can pause a 100 meters or so away from your home. Pray the prayer once more as you look objectively at your home. Let it sink in. Look at the home, the building where you live that is the domestic church. Dwell on those who live or visit there and think about their relationships. It is indeed a reflection to some degree of the Holy Family. Ask the Holy Spirit for grace and the right perspective as you are about to enter the home, encounter someone, start on a task, or just relax after you walk.

May you celebrate the nativity of the Lord, the Incarnation, Christmas, with a renewed appreciation of the Holy Family and how your family is a reflection of the Holy Family. You have a role to play in that family. How are you for others the person of Jesus, or Mary or Joseph?

“God is with us, understand this all you nations, and be humbled, for God is with us”. Merry Christmas to you and your family. Keep Christ is Christmas!

In Christ,

Most Reverend Bishop Bryan Bayda, CSsR  
State Chaplain

**Go for a walk with Pope Saint Paul VI**

***Humanae vitae*** (Latin: Of Human Life) is an encyclical written by Pope Paul VI and dated 25 July 1968. The text was issued at a Vatican press conference on 29 July.<sup>[1]</sup> Subtitled *On the Regulation of Birth*, it re-affirmed the orthodox teaching of the Catholic Church regarding married love, responsible parenthood, and the rejection of artificial contraception. In formulating his teaching he explained why he did not accept the conclusions of the Pontifical Commission on Birth Control established by his predecessor, Pope John XXIII, a commission he himself had expanded.<sup>[2]</sup>

Mainly because of its prohibition of artificial contraception (some licit therapeutic procedures with the sole intent to cure bodily diseases are excepted)<sup>[3]</sup>, the encyclical was politically controversial. It affirmed traditional Church moral teaching on the sanctity of life and the procreative and unitive nature of conjugal relations.

It was the last of Paul's seven encyclicals.<sup>[4]</sup>

## Christmas Greetings

The Christmas season has always been a time for us to be thankful for our blessings and to bestow gifts on others. We do this to show our love for others but mostly to reflect our gratitude for the greatest gift we have been given which is the birth of our saviour Jesus Christ who came to save us for eternity. Providing life insurance for your family is a selfless act which can change the course of the lives of your loved ones for a generation and perhaps providing a ripple effect lasting far beyond into the future. Consider turning to the Knights of Columbus to review your life insurance needs. By making a modest sacrifice you will ensure the security and well-being of your family for years to come.

On behalf of the entire agency department I wish to extend our thanks to the membership in Saskatchewan for your dedicated support of the insurance program. Your faith and confidence in K of C insurance means a lot to us. We wish you all a very Merry Christmas and a happy & prosperous new year!

Vivat Jesus!

Mid-Term Meeting			

Greetings my Brother Knights.

This year seems to be flying by. We are almost in to December, and many events have occurred (Organization meeting, Church Drives, Cluster Meetings, Soccer Challenge, Charity Appeal, Admission Degrees, Major Degrees, Fish Fry's, Sundae Sundays, etc....). I do wish to say "Thank You" to all of the Councils that hosted these events. Without you, we may not have had them. It is appreciated.

I have attached a Calendar of Events for State functions to happen in the next 24 months. As you can see, we do have events planned and scheduled until November of 2019. (Again, thank you to those who applied to host these events.) This also means, I (and the State Board) are looking for Councils, or Districts, willing to host the events which we have not yet Adjudicated. Most events we typically approve ~18 months before the period of the event. We know it takes some time to plan these events: committees are formed, volunteers are gathered, booking facilities, blocking hotels, planning meals, etc..

Now why would anyone want to host a State Event? Fraternity. It is a Social opportunity for Knights to come together. It creates an opportunity for Brother Knights and their families to come visit your area of the province, to support your event and to create bonds during a

.....Cont'd next page....

game of golf, or curling, etc.... It does take some work to put on an event. It gives a reason for Council executives to call all of their members to invite them out to participate in hosting the event: some can do registration, others do meals, others do banquet organizing. But yes, it gives a Council a project to perform.

These State events are a great opportunity for Councils to host as a part of an Anniversary date (Council Institution). Members come from all over the Order to support the activity as well as show support for the Council and its members during its celebration.

If your Council is interested in hosting an event, please don't hesitate to contact me ([statesecretary@kofcsask.com](mailto:statesecretary@kofcsask.com)) or visit the State website ([www.kofcsask.com](http://www.kofcsask.com)). There is a large black button "State events and forms" just down the page a bit, click there for more information and the application forms.

Otherwise, I do hope Councils are doing local activities, encouraging its council members to participate, whether it be a breakfast, or Admission's degree, Rosary Sunday, Adoration service, or any of the Faith in Action Programs. Take pictures, make notes. Consider submitting them to the State PR director for posting and sharing with the others. And consider submitting them as a Single Project with State & Supreme

Thank you to all of you for all of the GOOD work you do in the name of the Knights of Columbus

Joe Riffel  
State Secretary / State Council Activities Director

PS: And a Blessed and Merry Christmas to you all in case I miss next month's deadline (like I did last month)

# State Trainer Report

Bob Barkman, PSD

Brother Knights,

Worthy State Deputy Chris has asked me to share with you the areas in which councils and District Deputies want to be trained in. In the coming months I will work with the Cluster Leaders and District Deputies to come up with a schedule that will work best in your areas. Please offer to host an afternoon or evening for these training sessions if asked by your District Deputy. I try to keep the sessions to a maximum of 90 – 120 minutes. Although some may go longer depending on questions and input from those in attendance.

Here is a list of training requests from Councils and District Deputies as submitted to the State Council during their mid-term meeting.

Council Officers roles and responsibilities, Safe Environment Workshop, Faith in Action, Cultural Awareness Understanding of Cultural Differences, Financial Secretaries Role and Responsibilities and Member Management, Recruitment ideas and Church Drives.

I will invite a State Program Director for some of these sessions so we can possibly cover two of the above during one session.

Guy Precourt will be in Saskatchewan at the end of January and plans are for him to present the Faith in Action and Membership Recruitment and procedures on how to have a successful Church Drive. The areas we will visit have not been determined as yet but once decided we will give you advance notice.

I look forward to seeing you in the New Year.

My wife Pat and I would like to wish all brother knights and your families a most Joyous Blessed Christmas and a Happy New Year.

Bob Barkman, PSD

# Membership

## Online Membership

What is online membership?

Members can sign up online on the following website: [www.kofc.org/joinus](http://www.kofc.org/joinus)

Online members become members of the Saskatchewan State Council and receive the following:

- information every two weeks to educate them about the Knights of Columbus
- an online membership card
- all the Insurance and other financial benefits
- Columbia magazine.

Online members can attend meetings as online member visitors in any council, but cannot vote or hold any council position.

Online membership is a first step to become part of a council. When online members are ready to take their **ADMISSION DEGREE**, the Admissions Committee would meet with them to determine where their interests lie and make the necessary arrangements for the online member to become part of the council.

Members online pay their dues to Supreme. Supreme is responsible to collect their yearly dues as long as they remain online members.

To date, Sask. had 18 members who signed up online and 4 have converted to a council. Four more have indicated that they would like to join a local council.

Saskatchewan State Council communicates with the online members by sending them the Knight-line and other information about the council activities in their particular area. Online members can participate and assist in local council projects.

Further information on online membership can be obtained from State Online Membership Chairman Adam Desa, [adamdesa@gmail.com](mailto:adamdesa@gmail.com) or phone 306-717-3694.

### Coats for Kids Project Report 2018 State Midterm Meeting – Kindersley

Another busy year in the Coats for kids program. This year we went to a Canadian supplier. The coats were of good quality and the turnaround time was very successful.

To date we have ordered and delivered 42 boxes of coats which totals over 500 coats. A big thank you to the Administrative office Gerry and to Harvey Granatier, Charitable Foundation President for the success and all the work you put into it.

### Father Michael J. McGivney Guild

The founder of the Knights of Columbus was Father Michael J. McGivney, a Catholic priest who was declared Venerable by Pope Benedict XVI in 2008 and whose cause is under consideration by the Vatican's Congregation for the Causes of Saints. All Knights (and all Catholics) are encouraged to join the Father McGivney Guild ([fathermcgivney.org](http://fathermcgivney.org)) and to help promote his cause for sainthood. The son of Irish immigrant parents who came to America during the famine of the 1840s, he was born in Connecticut and grew up at a time when anti-Catholic prejudice greatly limited social and employment opportunities in the United States. From an early age he knew he wanted to become a priest. He was ordained in 1878, and his first assignment was at St. Mary's Church in New Haven, Conn.

It was at St. Mary's in early 1882 that he gathered together a group of laymen from his parish and formed the Knights of Columbus. He had two goals for the new group: to provide assistance to widows and children when a family bread winner died, and to provide Catholic men with a fraternal association that would draw them closer to their Catholic faith and to one another.

Never robust in health, Father McGivney was suddenly stricken with a serious case of pneumonia in January 1980. The young priest lost physical strength just as the Order he founded was moving towards new vitality, and died on August 14<sup>th</sup> two days past his thirty-eighth birthday.

Father McGivney was an idealist. He was a man whose youthful vision and creativity expanded and the matured even as his physical well-being diminished. That vision continues today in the organization that he founded in 1882.

On behalf of my wife, Pat, and our family, we would like to send special greetings to all during this Advent Season as we await the coming of our Saviour, Jesus Christ. Wishing all of you a Merry Christmas and all the blessings in 2019!

Vivat Jesus

Jim Stoffel  
Father McGivney Guild Director

## CULTURAL DIVERSITY

Greeting Bro. Knights,

Again we are here to celebrate Christmas.

We eagerly wait for this great occasion every year. It is one of the happiest and enjoyable festivals of the winter season. Because Christmas is celebrated every year to commemorate the birth of Jesus Christ every December 25th. Jesus also called Jesus of Nazareth and he has been the central figure of Christianity for years. He come on earth to support his people however crucified for the sins of his own people. Jesus was the son of god having unique significance and took birth from the Holy Spirit a virgin woman named Mary. He was one of the important prophets of god and messiah for innocent people.

In order to pay honor and remember the Jesus Christ for all his great work we celebrate Christmas with love - all over the world by both Christian and non-Christian people alike.

No matter what we are, love are critical to our existence as human beings because god created us to always have relationship w/ others and him.

Again we'll be going into new year with strength, to build on our accomplishment and to consolidate ourselves in helping and to love one another. The time of joy, the time of giving and time of love is in our hearts always.

Merry Christmas to all... Vivat Jesus!

# STURLING RULES

As of 26 Nov 2014

RULES	EXPLANATION
1. Sweeping/brushing is allowed <b>only</b> from the hog line to the back of the house at the playing end.	This provides fairness to those with physical limitations, unable to sweep/brush. It also increases the challenge, not having the extra advantage of sweeping/brushing to affect either line or weight in the initial travel of the stone.
2. Each team is comprised of <b>two</b> players.	This rule follows from rule 1 (above); with no sweeping/brushing between hog lines, a four-member team would often have two people inactive. This way, everyone is always occupied, either delivering or skipping. Teams are easier to form and coordinate.
3. One member of each team stays at each end of the rink, and <b>must not</b> cross center ice.	This reduces movement up and down the ice, and increases the pace of the game. It also means responsibilities are equally shared by the two team members, and provides variety for each player.
4. The two delivering players alternately deliver <b>6 stones</b> each per end, while their teammate skips that end. Then roles are reversed, and the partners deliver the stones back.	This implies that each player is always occupied, doing something interesting. 18 stones are delivered per person each game, compared to 16 (8 ends) or 20 (10 ends) in regular curling.
5. All games are <b>six</b> ends. In case of a tie, an extra end is played, with each player delivering 3 stones (skips and deliverers exchange roles at the midpoint of an extra end).	Three ends of delivery times 6 stones per end means each person delivers 18 stones per game, about the same as regular curling. Games progress quickly and interest remains high, both for the players and spectators. The incidence and degree of lop-sided games is greatly reduced, and hardly ever does a team surrender before the end of the game.
6. <b>No</b> stone may be removed from play prior to delivery of the <b>fourth</b> stone of each end. If that should happen, the delivered stone is removed from play and all other stones are returned to their original positions.	With fewer stones used, and fewer ends, the stick game tends to be more defensive than the regular game. This rule makes the game more offensive, thus more interesting for competitors and fans. In effect, this rule extends the free guard zone to include the area from the hogline to the backline, as the FGZ was originally proposed.
7. The delivery may begin with (a) either foot in either hack, or (b) from anywhere inside the near hog line with the stone touching the centre line. All stones must be released before reaching the hog line.	The Canadian Curling Association delivery rule (8.(1)) is overly restrictive regarding the stick delivery, and fails to address the two-handed delivery.
8. Other rules and etiquette of regular curling apply.	The good parts of the regular game are retained!

## Presentation to the Jim Pattison Children's Hospital Foundation Dec. 9, 2018

**Garry Meier**, Chair of the Knights of Columbus Celebrity Dinner Committee, introduced and thanked the many volunteers for their efforts in not only this year's dinner but for the many other Celebrity Dinners we have hosted. Without their efforts this would not be possible. He also thanked **Sash Broda**- the link between the Foundation and the Knights of Columbus for her assistance in organizing and assisting in various tasks in making this Dinner a success.

He then went on to introduce other distinguished individuals in the room including State Deputy of the Knights of Columbus of Saskatchewan **Chris Bencharski** from Meadow Lake, **Brynn Boback Lane** – CEO of the Jim Pattison Children's Foundation of Saskatchewan and **Dr. Givelichan** - Head of the Department of Pediatrics at RUH.

**Brynn Boback Lane** thanked the Knights of Columbus for their many years of supporting the vision of a Children's Hospital in Saskatchewan. She noted the Foundation is proud to be a partner with the Knights of Columbus and that every child and family will benefit from this hospital.

**Dr. Givelichan** also thanked the Knights of Columbus for supporting our vision that no child should leave the province to be treated. They should be treated as close to home as possible. Your support will help this happen.

State Deputy **Chris Bencharski** thanked the Knights of Columbus Council for hosting the Dinner on behalf of the more than 11,000 members in Saskatchewan. He also thanked the many sponsors and donors for their support in making this event such a huge success.

## Social Media Report

Many times the outstanding work we do as Knights of Columbus for our faith and community is kept in the dark, our aim is to invest this work in public relation content so we can recruit new Knights and increase our capabilities to do more good work.

With more than 80% of online adults using social media today, it can be a powerful tool to communicate with your members, reach out to your parish and diocese communities, and recruit new Catholic men into the Order!

We also need to realize that those Social media platforms are more than communication tools. They are our vehicles through this cultural transformation towards a new age of E-Living environment that we as a Catholic order have to be part of!

We are all looking forward to promote our Christmas activities and pictures on the web site and through our social media channels.

Few tips to help us process your requests:

- Please do not send requests or pictures to (my or any other) private Facebook account. The best method is to **email them directly to** [communications@kofcsask.com](mailto:communications@kofcsask.com).
- Please try to send as much information as possible that includes council number, names and descriptions.
- Please try avoiding sending multi copies of the same picture.

# SASK K OF C CHARITABLE FOUNDATION

State Newsletter - December, 2018

[www.saskkofcfoundation.com](http://www.saskkofcfoundation.com)

Harvey Granatier  
President

The Sask K of C Charitable Foundation would like to thank our Councils and membership for their ongoing generosity and support. Total donations to Nov 30<sup>th</sup>, 2018 have reached a total of \$136,436.00 with 87 Councils or 63% of total Councils having made a donation. It would be very rewarding to see 100% Council participation and support. To view the donation totals of all Councils, view our website [www.saskkofcfoundation.com](http://www.saskkofcfoundation.com) and hit "Council Targets" on the Home page.

The Foundation provides financial assistance to projects and organizations that support our Catholic faith as well as improve the quality of life for the less fortunate within our communities. Applications for requesting funding through our annual grant program can be found on our website. Closing date for applications is January 15th, 2019. We ask that you make qualifying organizations within your community aware.

In February 2019 we are excited to partner with the Bishops and priests throughout the province in formally implementing the Sask K of C Vocations Endowment strategy. This Endowment will provide financial support for all Seminarians within the province. A fundraising blitz will take place in every parish in Saskatchewan on the first weekend in February. Each priest has received a letter from their Bishop asking for their support. Every Council is asked to work with their priest to make this a successful partnership. More information can be found on our website [www.saskkofcfoundation.com](http://www.saskkofcfoundation.com).

We are proud to offer fourteen \$1000.00 Bursaries in support of post secondary education each year. The **Adrienne & Mervyn Welter** Education Endowment provides three \$1,000.00 Bursaries to each of our Catholic Universities (St. Peter's - Muenster; St Tomas Moore - Saskatoon; Campion - Regina). The Foundation also offers a \$1,000.00 Bursary to a student at each of the four Sask Polytechnic Campus (Regina, Moose Jaw, Saskatoon, and Prince Albert). A Bursary is also available for a student enrolled at St. Teresa College in Bruno. Applications for Bursaries can be found on each University &/or Sask Polytechnic website.

Memorial donations to the Foundation are an excellent method of expressing sympathy of loss of a loved one to the family. Forward the donation to the Foundation and please include the name of the deceased together with the name and address of a family member. Upon receipt of the donation, the deceased member's name will be placed on our website for a year and included within our Memorial Mass celebration. The Foundation will also forward a certificate to the spouse or next of kin indicating that you and/or your Council has made a donation (no amount is shown) and a mass will be offered on their behalf. In support of Memorial donations, the State Convention in 2017 approved a Resolution that each Council will provide a \$100.00 Memorial donation to the Sask K of C Foundation in the name of each member that passes away within their Council. If the family indicates the Foundation as a "Charity of Choice" on their obituary, envelopes should be available at the funeral home.

Memorial donations have been received for the following this past month:

<b>Peter Greif</b>	Regina	<b>Murray Campbell</b>	Regina	<b>Dean Rolheiser</b>	Macklin
<b>Elgar Peterson</b>	Bruno	<b>Jerome Hengen</b>	Estevan	<b>Bernard Prefontaine</b>	Regina
<b>Lawrence Meier</b>	Luseland	<b>Alphonse Lacroix</b>	Tisdale	<b>Marianne Schamber</b>	Goodsoil
<b>Fr. Claude Giguere</b>	Quebec City				All deceased Knights of Columbus

We ask that you include them in your prayers during this Christmas season.

.....Cont'd next page.....

Endowments are an excellent vehicle to create a legacy in the name of your family or as a memorial for a deceased family member. Each year, the family that establishes the Endowment can direct the earnings to their recipient of choice as part of the Grant allocation process. Please contact our office or any Board of Director if you wish further information.

As we celebrate Christ's entry into the world, may we be ever mindful of the needs of others. Our Board of Directors would like to wish you and your family a very Merry Blessed and Safe Christmas Season.
