STATE DEPUTY MESSAGE

Saskatchewan Knights of Columbus is a family of Councils sharing love, joy and hope

JUNE 2018

I'm sure that you have heard the recent "news" stories about the Bible –suggesting that there is a declining number of people who believe the Bible is a book of truth; or that there is an increasing number of people who believe that the Bible is just a work of fiction written by men (and women) to manipulate thought and action.

I don't know how factual those articles are and whether people's beliefs are in fact changing, but those kind of articles irritate me. On one hand we can chalk them up to one more "fake news" story where the media is using its power trying to influence negative reaction – and provoke a fight. Or we can become depressed as we see another example of how our world and society is decaying.

One way or the other it gets my blood boiling. But at just about the point where I want to throw my hands in the air and give up – I think "What would Jesus Do"? People of his time appear to me to be no different than people today. There is no doubt that the material things around us today are different. And the pace of life has increased. But has the true meaning of life really changed? Are there not temptations? Is there not evil lurking around every turn? Are we not tested each and every day just as the people were when Jesus walked this earth those 2000 + years ago? Are we not given choices? Jesus was the one who showed us how to live our lives loving God and loving our neighbours.

If we want a society for our children and grandchildren that values the family and provides the path to eternal glory – we have to model the way – we have to be the difference, the influence, the good that leads to true happiness. We must act. We must do what Jesus did. No doubt there are many different steps along the path of being a person of influence that makes a difference. But sitting on the sidelines and hoping that someone else is going to do it is not one of them.

Jesus gave his life so that we may be saved – but it wasn't to give us a free ride. We have to work for it. We have to be the Good Samaritan. We have to turn the other cheek. We have to**Cont'd next page....**

be the father of the prodigal son. We have to be the shepherd who looks for that one lost sheep. We have to be the one who rids the temple of the merchants and money changers. We have to be the Blessed people of the Beatitudes.

The Knights of Columbus is a gift, one way that guides us to be a servant of God evangelizing others in our Catholic faith. We share our love, joy and hope. I can think of no other way, no better way than joining with other like-minded men to make a positive difference in this world.

First and foremost it gives us an opportunity to live our lives and share it with others as a proud Catholic. Yes I am biased. Yes I am a cradle Catholic. But that doesn't make me blind. I'm sure that I'm like many of you and there are times when we question the strength of our beliefs. Our doubts turn to confidence. We know that Jesus founded our Church. Jesus is the truth, light and the way. Our Catholic faith is one of loving God and loving our neighbour – just as Jesus taught us. We do not judge – we are a people of love, forgiveness and mercy. The strength of our belief is measured by our human frailties, our weakest link. Likewise, the strength of our Church is measured by human frailties. If there is a decline in the number of people who believe, if there is decay in our society, we don't spend much time trying to determine who is to blame and pointing fingers. We do our part to make a positive difference and make this a better world. We share our love, joy and hope.

Our Knights of Columbus is an organization that was formed 136 years ago by a Parish priest and we are proud to be the men who support, serve and have the back of our Pope, Bishops and Priests.

We are an organization that has strong Catholic family values. We give purpose to our principles of Charity, Unity, Fraternity and Patriotism and fulfil our unwritten duty, obligation to be in solidarity with our Clergy by being a brotherhood who values our Faith and Family above all other self-interest.

We owe it to ourselves to be active and engaged in Council activities that support and strengthen our Church that make us better men, better husbands, better fathers and better Catholics. We owe it to our families to be active and engaged in Council programs and activities that support and strengthen our Church and build better communities. To repeat and echo our Supreme Knight, we owe it to every eligible Catholic man and are obliged to ask him to join with us in making this a better world.

Through sharing our LOVE of God and our neighbours, through sharing our JOY of the good news and through sharing in Jesus' life, our HOPE, we are a people of influence making a positive difference for our children and grandchildren. Keep up the good work!!!!!!

June 2018 Reflection

SHARE

The Family as Domestic Church and as Missionary Disciples

Dear Brother Knights,

From the time you were a toddler, your parents wanted to teach you how to share. Perhaps it was toys, a blanket or food. All your life you have been asked to share. So, what are you currently sharing with others today? Is it your time, your money, your talents? If we stop to think about it, everything you share with others is because someone shared it with you. Of course, you purchase things, acquire property, work for stuff, etc. but ultimately, whatever the explanation might be, God shared it with you through others!

Among so many material things there are those things we share that are immaterial in a sense, like our time. High on the list of gifts from God is the faith he has given you. We are called, above many other things, to share our faith with others. That is the call each of us received at baptism and as members of a family, a church parish as especially as a member of the Knights of Columbus. We are called to evangelize.

Our Supreme Chaplain, Archbishop Lori comments on Pope Paul VI, St. Pope John Paul II, Pope Benedict XVI and Pope Francis when he says,

*Drawing together the teaching of the council, **Paul VI** described evangelization as the Church's core identity and mission. In short, the Church "exists in order to evangelize" (14). This mission is directed both toward people who have not yet heard the Good News and those who no longer practice their faith. Pope Paul called on all members of the Church, not just clergy and religious, to open their hearts more widely to the Lord and to actively share the faith with the searching and the straying alike.*

*Following his predecessors, **St. John Paul II** called for a "new evangelization" — not new in content, for "Jesus Christ is the same yesterday, today, and forever" (Heb 13:8) — but new "in its ardor, methods, and expression."*

***Pope Benedict XVI**, like those before him, emphasized that evangelization entails an opening of the heart. It involves becoming agents of the Holy Spirit, helping people have a profound experience of Jesus and his love — a love that opens them to the Word of God, the sacraments, virtuous living and ultimately their vocation to holiness.*

*Evangelization is also clearly central to the pontificate of **Pope Francis**, who penned *Evangelii Gaudium* (The Joy of the Gospel). He speaks of the urgency of this mission and calls each one of us and our parishes and church institutions to "missionary conversion" (30). He challenges bishops and priests to take the lead in creating dioceses and parishes that are on fire with the mission of spreading the Gospel. He challenges religious women and men "to wake up the world" by their witness to the kingdom of God. And he challenges laypeople to engage robustly in this mission in their families and daily work.*

This year as we celebrate the feast of Pentecost, the Holy Spirit will indeed fill you with more grace. Your spiritual growth and insights, your prayers and acts of faith, as modest as they may be, are something the Holy Spirit wants you to share with others. Share about your prayer life. Share about the joy you experience when you participate in the sacraments of Eucharist and Reconciliation. Share about your struggles and doubt, support from family, friends and parish, about your fears, about your successes, about reading scripture and about the spiritual food that sustains you – that ever precious relationship you have with Jesus. Missionary Disciples that are formed in your family are

counting on you. Missionary Disciples that are formed in your parish and in your Councils are counting on you. The Holy Spirit is counting on you. As you share, you evangelize.

If you want to talk MEMBERSHIP, not only is this an ongoing effort of Knights of Columbus for the order, but so too, it is the concern of every parish. Others in the parish are relying on you to show them how to invite others to be members of the parish as well as the order. Membership is not just a name on a roster. It is evangelization. It is an invitation to know Jesus. Being a member of the Body of Christ is really what membership is all about. It is everything!

In Christ,

Message from State Deputy Elect:

Dear Brother Knights of Saskatchewan,

It is a blessing to be part of the Knights of Columbus, a group of committed, caring and compassionate men who serve our church and serve others.

I want to thank all of you for your service and dedication to promote membership and programming throughout Saskatchewan.

There are about 4 weeks left before the end of 2017-2018 Columbian year with many important tasks that need to be done before June 30th.

- We concentrate on finishing the year strong.
- Elections of Council Officers generally are held at the May Council meeting to elect new officers for the 2018-2019 Columbian year. I remind all GKs to submit the names of the GK, FS, Chaplain and Membership Director to Executive Secretary Gerry Gieni by June 15th. We need the information to compile and print the 2018-2019 State Directories.
- Form 185—Council Officers needs to be submitted to Supreme, the State Deputy, the District Deputy and to forms@kofcsask.com by June 30th.
- The SP7 also needs to be submitted to Supreme, the SD, to the DD, and to forms@kofcsask.com by June 25th. This is an award that most councils can achieve, but the form needs to be filled out and submitted to Supreme.
- I remind all Grand Knights to talk to your council Chaplains about the Priest's Sports Days in Muenster on July 16th and 17th. The council is asked to pay the expenses for the chaplain to attend and to accompany him to Muenster if you can.
- State Golf will be held in Spiritwood on June 22, 23 and 24. Please support the State Golf; come out for some fun and fraternity.

As one Columbian year comes to an end, we prepare for the next year.

.....Cont'd next page....

First of all, I want to again thank all of you for placing the trust in me to serve you as your State Deputy for the 2018-2019 Columbian year. I promise to do my best to serve you and to work hard to grow the order in both programming and membership. I ask for your help and assistance to meet our goals.

- I thank all those who have declared their willingness to serve as a DD, State Program Director, State Activity Chairman and as a Council Officer.
- Special thanks to all those who submitted the questionnaire of ideas for the Saskatchewan Strategic Plan that was developed on May 4th and 5th.
- The ideas of all who responded were very helpful as we worked through the plan.
- We are still in need of 5 more District Deputies: Districts 4, 21, 23, 25, and 28. The position of DD is one of the most rewarding experiences. If you would like to serve, please contact me and I will be glad to appoint you and work with you so that you will be successful.
- Remember the Summer Organizational Meeting will be held in the Battlefords on July 6th, 7th, and 8th. Registration forms have been sent out to all those who are required to attend. The focus of the meeting will be on District Deputy Training and on developing District plans for the 2018-2019 Columbian year. Information will also be provided on the new "Faith in Action Program Model which has 4 program areas: Faith, Family, Community and Life.
- I encourage councils to plan a couple of family activities during the months of July and August. I also encourage councils to remain membership active and recruit some new members in July and August. There will be individual and Council Incentives for July, August and Sept. The details of the incentives will be made available soon.
- I also encourage councils to conduct their planning for the 2018-2019 Columbian year. A model yearly plan will be provided as a guide for councils to use to assist in the planning process. Also, Success Planners will be sent to each Financial Secretary from Supreme to be distributed for council use.
- We are in need of filling some State events for the 2018-2019 Columbian year: Hosts are needed for the Midterm Meeting in Dec. of 2018, for the State Curling in 2019, and for the State Golf in 2019. Please call Paul Ponak, State Council Director or your Cluster leader for more information.
- Brother Knights can receive our monthly newsletter by going to the Sask. Knights of Columbus State Website- www.kofcsask.com , click on the article that says "SUBSCRIBE TO OUR MONTHLY NEWSLETTER CALLED SASKATCHEWAN KNIGHTLINE, then enter their email address and click on SUBSCRIBE.

I ask all knights of Sask. to continue to serve and live the principles of Charity, Unity, Fraternity and Patriotism in your parishes and communities.

Mr. Brian Schatz,
State Deputy, Knights of Columbus
c/o 214 Avenue M South
SASKATOON, SK S7M 2K4

Worthy State Deputy and dear Brian,

I received your cheque in the amount of \$21,200.00 to go to the Bishops Mission Fund. Thank you for the generous donation on behalf of the Knights to the Bishops of Saskatchewan. We divide it proportionately according to our diocesan population. I have mailed cheques to Bishop Thévenot, Bishop Hagemoen and Bishop (Eparch) Bayda. I believe each of us assigns this annual contribution to the education of seminarians. We are truly grateful for your support in this regard.

May I express my appreciation for the contribution of the Knights of Columbus to the life of the Church in our province and in each of our jurisdictions. Your presence, your programs and your commitment enhance not only the activity of the Church community but contribute much to the broader society of our cities and towns.

May God bless all your undertakings during the coming year.

Blessings always,

Most Rev. Donald J. Bolen

Faith in Action: A New Model for a New Age

Surge with Service was introduced as a program model nearly 50 years ago. Now a new program model called Faith in Action will take effect with the 2018-2019 fraternal year. The model is a simplified program structure that will help align and organize council programs, making it a more relevant model for every council. The updated program model will:

- Be the umbrella for all Supreme Council recommended programs.
- Consist of four categories: Faith, Family, Community and Life.
- Better integrate Domestic Church programs, making them foundational to council life.
- Reduce the number of programs required to earn the Columbian Award to 16 (four programs in four categories).
- Introduce nine new programs.

More detailed information will be available in the next issue of Knightline.

Building the Domestic Church While Strengthening Our Parish

Continue to promote this initiative through your Council programs. The goal in Building the Domestic Church is to strengthen our Parishes. The need for us to get involved in the renewal of parish and family life. There are many project ideas that can help promote council member fraternity and possibly attract new members to the Knights of Columbus. Continue to work on these Building the Domestic Church program initiatives throughout the year. Refer to the Supreme website at www.kofc.org/DomesticChurch to review the most up-to-date list of programs and activities.

Summer is fast approaching and so are holidays and vacations. Think about how your council can help out in your Church and Community this summer. Your Parish Priest will continue with daily and weekly Sunday Masses, we as Knights should also continue our good works throughout the summer.

Christ Is Risen!

REMINDER: Clergy Sports Day July 16-17, 2018

Worthy Grand Knights and Brother Knights,

In July, for the last few years, the Saskatchewan Knights of Columbus were proud to host a **Clergy Sports Day** for the Catholic clergy of Saskatchewan at St. Peter's Abbey in Muenster. This year, the Annual Clergy Sports Day will once again give Priests, Deacons, Seminarians and brother knights an opportunity to have fraternity, to participate in many sporting events, and to reflect in prayer at the Monastery Chapel.

The Benedictine community is once again offering their sports and dining facility. A variety of events are being planned for all abilities and interests. As a result of our experience last year and comments from the participants, we offer the following plan.

On Monday, July 16, we encourage participants to arrive by 5:30 for prayers, supper at 6:00, followed by informal games, cards, fraternity and refreshments. Participants would then take a room for the night at the College. On Tuesday, July 17, morning prayers are at 6:20, Mass at 7:00, Breakfast at 8:00, organized games between 9-12:00 and lunch at 12:00. Activities will be varied to accommodate a variety of interests.

All Knights of Columbus members are encouraged to come out and participate along with our brother Priests, Deacons and Seminarians. Knights of Columbus councils are asked to cover the total cost for their clergy to attend and to accompany their clergy to Muenster. This is a wonderful way to show support to our clergy and to exchange fraternity among us.

I am asking you and your council to talk to your Priests, Deacons and Seminarians, to extend this invitation to them and to accompany them to Muenster. We want our priests, deacons and seminarians to know that they are important to us and that they deserve an extra day of relaxation.

Clergy and brother Knights are asked to register by Monday July 10, 2018 by filling out the attached form, also found at the State website – www.saskkcofc.com. Further information can be obtained from Mike Bzdell (State Church Activities Director) by phone 306-541-5522 or by email mbzdell@sasktel.net.

Please assist your Clergy and Chaplain to take advantage of this wonderful day. We understand that your Priest may have responsibilities that won't allow him to participate but we ask all to Pray for the success of this event to foster fraternity among the clergy of Saskatchewan and to enhance a stronger relationship between our clergy and the members of our order.

Worthy Grand Knights, Rev. Clergy and Brother Knights,

In July, for the last seven years, the Saskatchewan Knights of Columbus were proud to host a Clergy Sports Day, for the clergy of the four Diocese of Saskatchewan and the Eparchy, at St. Peter's College in Muenster.

This year, the 8th Annual Clergy Sports Day will once again give Clergy and brother knights an opportunity to fraternalize, to participate in many sporting events, and to reflect in prayer at the Monastery Chapel.

Below is a summary of the events:

1. On Monday, July 16th, we encourage participants to arrive by 4:30 for registration, prayers at 5:30, supper at 6:00 followed by informal games, cards, fraternity and refreshments. Participants would then take a room for the night at the College.
2. On Tuesday, July 17th, morning prayers are at 6:20, Mass at 7:00, Breakfast at 8:00, organized games between 9-12:00 and lunch at 12:00.
3. Councils are asked to cover the total cost for their priest to attend and to accompany their priest to Muenster. This is a wonderful way to show support to our Clergy and to exchange fraternity among us.
4. Monday evening will be more leisurely as participants will be able to participate in games of their choice, as well as to socialize and have a few refreshments. Tuesday will be more structured where participants will complete in a variety of games of different levels and interests.

This is an excellent opportunity for Knights and Clergy to get together for a day of camaraderie and fun. This is also an excellent opportunity to show appreciation to our clergy.

I am asking you and your council to talk to your Chaplain/Clergy and extend this invitation to him and to accompany him to Muenster. We want our Clergy to know that they are important to us and that they deserve an extra day of relaxation.

Clergy And brother Knights are asked to register by July 10th on the registration form in this package.

Further information can be obtained from Mike Bzdell - State Church Activities Director by phone - 306-541-5522 or email- mbzdell@sasktel.net

Please assist your Priests, Seminarians and Deacons to take advantage of this wonderful day.

We understand that your Priest may have responsibilities that won't allow him to participate but we ask all to pray for the success of this event to foster fraternity among the clergy of Saskatchewan and to enhance a stronger relationship between our clergy and the members of our order.

From the Bulletin Editor

It has been an enlightening experience to be the Knightline Editor for the last two years. There is a lot of work required to publish a monthly newsletter. I spend up to 40 hours a month putting all the articles, photos and clipart to make the newsletter as pleasing and attractive to all the readers. I do not want to deny this experience to anyone who may have an interest in this rewarding position. I am now retired and interested in travelling, fishing and spending more time with my grandchildren.

I would gladly assist anyone who would like to take over as Bulletin Editor. I will work closely with you and show you the tips and tricks in publication layout and publishing. Please let me know if you are interested.
