

Knights of Columbus Campaign Information for Mother of Life Pregnancy Center Film Production Project – September 2021

Spirit Juice Studios...

... producer of the Supreme Council's mini-documentary *Blessed Michael McGivney's Modern Impact*, which features Mother of Life Pregnancy Center, is standing by to produce two mini-films that the Center can use to influence abortion-vulnerable pregnant women and prospective donors.

Powerful Testimony...

... from Beata, who was inside the procedure room at Planned Parenthood, but who instead came to Mother of Life Pregnancy Center and chose motherhood and life for her baby. This is the pivotal filmed interview that will touch pregnant women in crisis and motivate donors.

The Window of Opportunity...

... is now open. By applying themselves to the project right away, the Spirit Juice Studios team will produce the films while the Mother of Life Pregnancy Center material that they filmed to make the Father McGivney documentary is still fresh in their minds. Our goal is to meet the Center's funding need as soon as possible to meet the video producers needs.

Two Films for \$5,000...

... is a tremendous bargain! If the Center wanted to hire a production company to produce them from scratch, the cost would be in the vicinity of \$25,000. Instead, the Center now has a once-in-a-lifetime opportunity to leverage the high-value work of an award-winning, professional film production company with interviews and footage already shot at the Center, for the specific purposes of saving lives at risk while also drawing new and more donors to support to the Center.

Where will the donations come from?

- ✓ Knights of Columbus Councils and Brother Knights
- ✓ Friends and Family of Knights of Columbus
- ✓ Private donors of the Knights of Columbus

What can Councils do to participate?

Check your assets, run an event, write a check.

How do Knights of Columbus Councils donate?

Tax deductible contributions can be made by checks or securely online by credit card.

Checks payable to **Mother of Life Pregnancy Center** with the notation: **Spirit Juice**. Mail to Mother of Life Pregnancy Center, 400 Atwells Avenue, Providence, RI 02909.

By credit card, visit **motheroflife.org/donate** and click on the Donate / Give Now tab. In the Special Instructions field beneath the amount in the payment window, type **Spirit Juice**.

“Mother of Life Pregnancy Center took such care and detail in my pregnancy and my health, and everything that I was going through. They reached out to me every week by text or phone call, just checking in. *How are you feeling? What's going on?* And I really felt like they embraced me and were there through the whole journey.”
– Beata Faenkova
