

New Council Development

The dream of Father Michael J. McGivney was to have a council in every parish. To better incorporate the various Catholic populations, this dream was expanded to include colleges and universities, Spanish-speaking parishes, and Eastern Rite churches. A Knights of Columbus presence in every place possible. That is our goal; that is our commitment.

Supreme Knight Carl Anderson reaffirmed this vision for parish-based councils when he outlined the "Building the Domestic Church While Strengthening Our Parish" initiative. This program is designed to help our members and their families reflect the holiness of the universal Church. In promoting each family as a domestic church, the Knights of Columbus primarily seeks to integrate our members and their families more fully into the sacramental and social life of the parish.

As men of faith, Knights strive to make a difference by being part of the difference. Knights of Columbus councils offer Catholic men of honor and conviction the opportunity to be part of a truly unique service organization.

Is There a Parish in Your Area Which Would Benefit by having A Knights of Columbus Council in it? If so please contact our New Council Development Chairman.
