Lest We Forget

### Mission Statement

*The Knights of Columbus of Saskatchewan, in the name of Jesus Christ and through the intercession of Our Lady of Guadalupe, strive to build the Catholic Church by developing the spiritual growth of themselves and their families, serving parishes, building communities, and by evangelizing all people according to the principles of Charity, Unity, Fraternity and Patriotism.*

## STATE DEPUTY'S MESSAGE

**"He who has two coats, let him share with him who has none. And he who has food must do likewise" Luke 3:11**

Dear Brother Knights of Saskatchewan, These words from the gospel of Luke remind us this past Thanksgiving about how fortunate we are for the many blessings God has given us. They are also a reminder to each knight of what our role should be in contributing to the mission of the knights of Columbus. Our mission is the same as Jesus' mission when he was on earth among us. He gave us an example that we also may do. Jesus' mission was to evangelize all of us which He did by serving the marginalized in society. He came to serve us and to save us.

As knights, this is also our mission. We are called to evangelize and to bring our brothers back to the council to do the spiritual and corporal works of mercy among our brothers. We also need to bring our brothers back to the church and to their faith. What did Jesus teach us when one of the sheep strayed from the flock? Jesus left the flock to find and bring back the one that was lost and then rejoiced when the lost was found. We know that many of our brothers in our councils no longer attend church and are not involved in council activities. What do we do to reach out to these knights to bring them back? It is easier to write them off, to forget about them, and to treat them as deadwood. What would Jesus do when his followers drifted away from the church and their faith? It is the responsibility of the council to take ownership to keep all the members active and interested and to reach out to them in a truly fraternal way as a brother to a brother.

I have often heard many who hold leadership positions at the council level say that we are just about numbers? I am pleased to inform you- That is exactly what we are about and that is what all councils in Saskatchewan should be about.

.....Cont'd next page....

We are indeed about numbers. We want as many knights as possible to attend our council meetings and Mass, to assist us in doing all the great charitable programs that we have to offer, and for most of our knights to be involved in their faith and in the church. Numbers are indeed important and Councils should be concerned about the following numbers?

1. What percentage of your membership attend your council meetings and are involved in assisting with the programs. What is your council doing to encourage meeting attendance and participation of your membership in programming and in meetings of the council? **To give you some ideas go to the State Website under FORMS and access the document called, "How To Encourage Attendance at Meetings and Council Programs". These ideas work- use some of them.**
2. Do you recruit new members each year so that your council can continue to be sustainable to continue to do the good works in the parish for many years to come? Each Catholic man should be given the opportunity to join our Order in the same way we were given.
3. The average age of the membership in Saskatchewan is 64.5. Does your council have a plan in place to attract younger members and does the council have programs to get families involved through "Faith In Action"?
4. Is your council suspending more members than it is recruiting? Our goal needs to be retention of members. Each of these members joined a council at one time for a reason. When we recruit new members, we need to find out why they want to join and to do what is necessary to keep them motivated, interested and involved in council programs. Most knights don't join to attend meetings, to mix pancake dough, to flip pancakes or do dishes after a pancake breakfast. Most knights join to protect their families through the benefits available to them, to do fun activities together with other families, and to grow spiritually because their faith is important to them and they believe they can grow in their faith by joining the Knights of Columbus.
5. Does your council have a plan of leadership in place and are most of your key officers and service program positions filled? **And are forms 185 and 365 submitted?**
6. Does your council have an exciting and interesting Lecturer's program with interesting and planned presentations and a time for fraternity?

So let's all work together to increase our numbers (Present and New Members) and thus increase our works of Charity and grow our Order.

The greater the numbers, the greater will be our works of Charity and of Mercy and it will benefit our Church Family as well.

The Catechism of the Catholic Church paragraph 2447 reads: "The works of mercy are charitable actions by which we commit to the aid of our neighbor in his spiritual and bodily necessities."

"Among all of these, giving alms to the poor is one of the chief witnesses to Fraternal Charity; it is a work of justice pleasing to God."-**James 2:15-16 John 3:17**

## November 2018 State Newsletter, Chaplain's Message

This past July 25<sup>th</sup> was the 50<sup>th</sup> Anniversary of *Humanae vitae*, the Papal Encyclical of Pope Paul VI. *Humanae vitae* has been the source of a great deal of social discussion over these fifty-years, vilified by almost all liberal minded groups, but also defended by those who fully understood the wider importance of the question being discussed. When Pierre Trudeau avoided discussion on another topic, abortion laws, in the 1970s, he famously said, "There is no place for the State in the bedrooms of the nation," but to those who fully understand the discussion of human procreation raised in *Humanae vitae*, what happens in 'the bedrooms of the nation' is not the full extent of this document.

The truth of the matter is that the different issues discussed in *Humanae vitae* are, for the most part, focused on defending the Sacrament of Marriage and the Family, the principal building blocks of all of society. And so those that consider it as addressing 'the bedrooms of the nation' or as a document that simply opposes artificial contraception, have missed its point. Pope Paul desired to address the wide ranging social effects of the changing moral standards of our time, particularly considering how new technological processes in the area of human procreation would affect the family and society as a whole.

In tackling such a complex and controversial subject, Pope Paul VI was aware that it would bring strong responses, and so he did so, being pastorally sensitive to the demands made on married couples. The difficulty modern society has in understanding this teaching, whether from cultural attitudes, differing attitudes to sin, complexities of life or the widespread anti-life mentality, means that in an often hostile world Pope Paul called upon married couples to be witnesses and proclaim to the world that life is a gift and a blessing from God and an intrinsic, honest aspect of married life.

And this important document continues to make an impact in the Church and the world. This month, during the Youth Synod in Rome, the topic of *Humanae vitae* arose in discussions. It was noted that the assembly and small groups had spoken a lot about marriage and family life and that this was a moment to celebrate the prophetic quality of *Humanae vitae*.

## The Value of Life Insurance for Children

10/1/2018

As a father, one of your greatest worries is protecting your children and their future. One of the most valuable ways is by purchasing a life insurance policy for them.

Knights of Columbus Insurance offers a Guaranteed Purchase Option (GPO), which ensures that more insurance can be purchased for your children. This option extends far beyond childhood; it guarantees that even as adults, your children will not be denied coverage, even if they suffer from health issues.

Life is uncertain and unpredictable; one of every six adults are postponed or denied life insurance coverage, with health denials being the primary reason. Knights of Columbus Insurance protects your children from uncertainty and provides additional peace of mind, in the event of the unimaginable or an emergency.

With a Knights of Columbus GPO, you guarantee that your children can purchase additional Knights of Columbus Life Insurance later in life. Secure your children's future with an insurance premium that, in many cases, is as low as \$10/month.

Contact your local Knights of Columbus field agent today to discuss this or any of the other life insurance purchase options for your children. Visit [www.kofcinsurancesk.ca](http://www.kofcinsurancesk.ca)

# Membership

## Online Membership

What is online membership?

Members can sign up online on the following website: [www.kofc.org/joinus](http://www.kofc.org/joinus)

Online members become members of the Saskatchewan State Council and receive the following:

- information every two weeks to educate them about the Knights of Columbus
- an online membership card
- all the Insurance and other financial benefits
- Columbia magazine.

Online members can attend meetings as online member visitors in any council, but cannot vote or hold any council position.

Online membership is a first step to become part of a council. When online members are ready to take their **ADMISSION DEGREE**, the Admissions Committee would meet with them to determine where their interests lie and make the necessary arrangements for the online member to become part of the council.

Members online pay their dues to Supreme. Supreme is responsible to collect their yearly dues as long as they remain online members.

To date, Sask. had 18 members who signed up online and 4 have converted to a council. Four more have indicated that they would like to join a local council.

Saskatchewan State Council communicates with the online members by sending them the Knightline and other information about the council activities in their particular area. Online members can participate and assist in local council projects.

Further information on online membership can be obtained from State Online Membership Chairman Adam Desa— [adamdesa@gmail.com](mailto:adamdesa@gmail.com) or phone 717-3694

### **Family of the Month**

Councils are encouraged to participate in the Family of the Month Program. We have only 1 council at present participating in the program—Denzil Council 3920.

Each month, all councils in Saskatchewan should nominate a family in their parish (any family including non-knights) that would be worthy of being recognized.

Each month, Supreme randomly selects 100 families from the entries submitted and sends a beautiful statue of the Holy Family to each family selected.

Entry forms can be accessed, filled out and submitted on [www.kofc.org/forms](http://www.kofc.org/forms)

State encourages all councils to participate in this program.

This program is a great way to recognize 12 families each year for their contribution to the parish.

## Father Michael J. McGivney Guild

Father McGivney's style was more than simply energetic. He was innovative and in so many ways ingenious, so much that Benedict XVI mentioned him as a key figure in the historic growth of the Church in 19th-century America. In a homily in New York's St Patrick's Cathedral in 2008, Pope Benedict noted "the remarkable accomplishment of that exemplary American priest, the Venerable Michael McGivney whose vision and zeal led to the establishment of the Knights of Columbus."

Father McGivney's virtue was not of the cloister or the mountain top. It was in the perpetual problems and struggles of his parishioners that Father McGivney lived out the virtues of faith, hope and charity in a truly heroic manner, as part of his deeply spiritual yet supremely practical vision. In late 19<sup>th</sup>-century Connecticut, Catholics were not welcome into the mainstream society and often took the most difficult and dangerous jobs in factories, construction and railroads.

The result was that a family's breadwinner too often died young of overwork or accident, leaving behind a widow and children who had a few means of financial support. As a parish priest, Father McGivney was fully immersed in the daily lives, difficult as they were, of his immigrant parishioners. Father McGivney's life and legacy can be summed up in the simple words "Parish Priest" the title of his official biography. Rather than grand plans and gestures, he thrived on humility by drawing others into his work rather than taking credit himself.

I invite all Knights of Columbus members to join the Guild on line at <http://www.fathermcgivney.org/mcg/en/contact/register.html> and also say the prayer for his canonization which is also located at this same web-site at the bottom of the page.

Vivat Jesus

## **CULTURAL DIVERSITY**

### **Growing the Order in Saskatchewan**

**Greeting Bro. Knights,**

**Primarily the mission of local councils in the Knights of Columbus in every jurisdiction is to reach new people and bring them to Christ's love which, naturally, implies growth. But almost every council or even the church faces a season in which growth stops. Some haven't seen growth in years.**

**In my observations and upon talking to some Grand Knights, we have only one problem, the "Growth" stops. Chances are the leaders rely on what was effective before and didn't adapt to the changes in society.**

**Here Are 5 Questions Every Leader Can Ask Their Councils.**

#### **1. IS OUR SENSE OF MISSION STILL IN OUR HEART?**

**Effective councils have a hot sense of enthusiasm which lives daily in the souls to motivate all members in all actions in the organization. It consumes us. If a council stops growing, maybe the urgency is lost behind its mission. This is bad because our mission is actually Christ's mission to spread the gospel and evangelize people. Leaders that are effective in accomplishing their task are consumed by their mission in loving their neighbors.**

#### **2. ARE WE FOCUSED TO THE OUTSIDERS OR IN OURSELVES?**

**There is a tendency, because we are only human beings, to focus on ourselves and not really on others.**

**Here are two primary ways to address this drift:**

- a) **In every decision, focus on who you want to reach, not on who you want to keep.**
- b) **Commit to losing yourself for the sake of finding others.**

**Let us understand that people usually respond to "how we respond to their needs".**

#### **3. IS OUR STRATEGY OR APPROACH UPDATED?**

**Our mission with Christ is eternal and our approach needs to shift from generation to generation. Today we need to change even faster and identify dated strategies. In today's generation, it's harder to lead in a context for more than 5 years, so the challenge is for long term leadership.**

**How do you know if your approach is dated?**

- a) **When it stops being effective.**
- b) **When there are decreasing numbers in the new generation adopting the strategy in question.**

#### **4. ARE WE ON TOP OF THE CONSTANT CHANGES IN OUR CULTURE?**

**We now live in a post-Christian, post-modern world. While we are studying our strategy, we also need to study the cultures. And it's changing radically and quickly. The leaders really need to grasp the enormity of the change going on around us.**

#### **5. WHEN IS THE LAST TIME YOU INVITED SOMEONE TO CHURCH?**

**The reality is many Catholic don't actually spend time with non-Catholics or non-Christians. You may say it's fear based, but Jesus is not like that. Jesus liked outsiders even better than insiders. He had no problem hanging with people who didn't want to go to church and he had no problem loving people who didn't love him. We need to continue building relationship outside of the church and the council. Let's build community friendship to the unchurched people no matter what their ages are.**

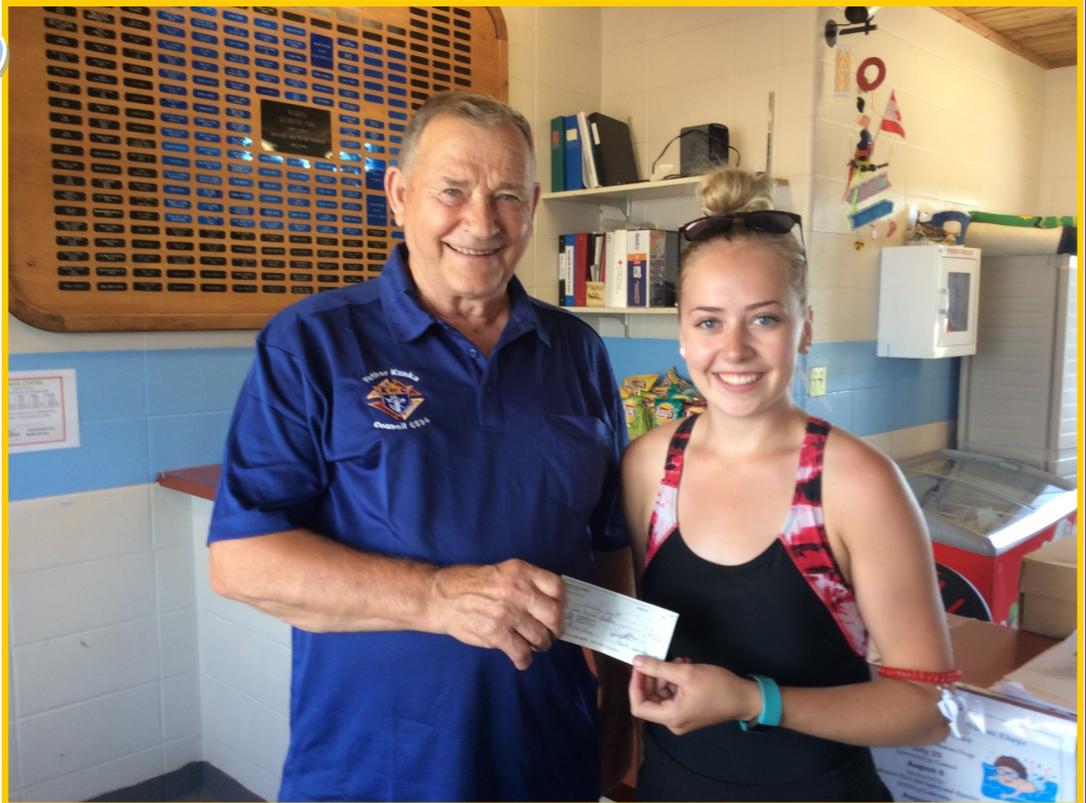

**Let's go out and build real friendship in our church, our council and our community.**

Knights of Columbus  
Walking for Life  
*Culture of Life*

Battleford's Right to Life Corporation held its annual Walk for Life on September 22. With the forecast predicted to be zero degrees on the day of the walk, the John Paul II High School phoned a few days before to ask if we were going to cancel the walk. We informed them that in over 30 years we have never cancelled the walk and that it would proceed. The day of the walk was a gloomy, chilly, 2 degrees with a brisk wind, but there was no rain in the forecast.. To be honest, we were thinking we would be lucky if twenty people showed up because of the weather. As we prepared for the walk which would proceed from St Joseph's Catholic Church to the North Battleford Cemetery, a distance of just over 4 km, people started trickling into the church hall at 9:30 in the morning. By start time at 10 am, we had **Fr Greg Elder**, **Fr Sebastian** and **Fr Phinh** all present with about 160 other people as well. **Fr Sebastian** gave his blessing to the walkers and prayed for their safety. We were overwhelmed and pleased that our ways were not the Lord's ways. This was the largest turnout we had ever had for our Walk for Life!

At the memorial service in front of the Pro-life Monument, we held a prayer service focused on upholding the dignity of all human life, from conception until natural death. Christian ethics teacher, **Dennis Mercer**, from the JP High School praised the students for turning up in such large numbers to be a witness for the sanctity of all human life. The monument was flanked by an Honor Guard from the Knights of Columbus which added prestige and solemnity to the gathering.

Brother Knights, **Denis Carignan**, **Andy Bonneau**, **Mark Bonneau**, and **Floyd Desmarais** were in their full Fourth Degree regalia, adding vibrant colors to the dreary day. **Fr Phinh** spoke encouragingly to everyone about upholding the sacredness of all human life and he gave his blessing to everyone present. The Knights of Columbus and the John Paul II High School presented the MC, **Dr Jim McLane**, with two checks totaling \$900 dollars to promote the pro-life message in our community.

The MC read an encouraging letter addressed to all walkers from our MP, **Rosemarie Falk**, which upheld the dignity of all human life. **Dr. Jim McLane** challenged the students to remember this day as a day of victory, a day where they took a stand for the sanctity of life and a day where they took a stand for Jesus, the King of life! He reminded them to remember this day, because in days ahead they would need courage to take a stand for life again and by remembering this day, it would help them not to falter in the future. Everyone was given a bus ride back to the church to have lunch which was provided by the local CWL groups and Battleford's Right to Life.

For Life,

**Dr. Jim McLane**  
President of BRTL

1. Did you know that the weekly Grand Knight/Financial Secretary Bulletin is also sent to State Officers, Past State Deputies, District Deputies, State Program Directors, Faithful Navigators, and Faithful Comptrollers, Saskatchewan Knights of Columbus Charitable Foundation board members, bishops of Saskatchewan, Abbot Peter, and Insurance Agents as well as shared on our social media channels such as Facebook and Twitter?
2. Did you know that this list includes 382 people?
3. Did you know that only 49% of the people on that list actually open the weekly email?
4. Did you know that over the past year, only 176 people viewed our website?
5. The weekly bulletins and the website contain valuable information for every knight and their families. What else can we do to spread the information?

### **\*\*Tips for improving newsletter articles.**

- Do not use spacebar or dashes to position words or columns. Use tabs and tab stops.
- Word documents work best.
- PDF documents do not transfer well to Publisher. A snapshot is usually taken but can not be edited. Also can become blurry.
- Do not write article in the email body. It also does not transfer to Publisher. Each line becomes a cell and causes a real mess. I have to re-type it all.
- Any Questions ....Ask me.

# SASK K OF C CHARITABLE FOUNDATION

State Newsletter - October, 2018

[www.saskkofcfoundation.com](http://www.saskkofcfoundation.com)

Harvey Granatier  
President

There is now a NEW way for you to donate!!

We have been approved for another service by our bank that will hopefully make donations much simpler and cheaper in the future. We have now been approved to accept EFT payments which essentially means that anyone can authorize an electronic transfer payment from their personal bank account to our Foundation account. Anyone who has electronic banking established with their bank or credit union can utilize this feature.

From my perspective, this is very important as a significant number of individuals prefer to pay by EFT or credit card as checks are a pain and a cost. Also, the Foundation pays a percentage of any transaction paid for by credit card and NO FEES for EFT. There is also no stamp and envelop cost to the donor for EFT and most financial institutions don't charge for EFT transactions. Everyone wins!!!

I am asking each of you as leaders within the Knights to please assist in promoting this to our Councils and their members. The best way to test this is to make a donation by EFT as soon as possible (any donation of \$20.00 or more will receive a receipt). Each of our Board of Directors have already made a deposit from their bank accounts and it proved to be simple and efficient.

Each financial institution may be different, however, the following provides a general outline for completion of the transaction. It is important that you complete the following guidelines:

Begin by accessing your bank account

Hit "Transfer" and then hit "Send Interac e-Transfer"

You then must hit the tab "Add Recipient"

The recipient is Sask K of C Charitable Foundation

The e-mail address is [donations@saskkofcfoundation.com](mailto:donations@saskkofcfoundation.com)

The amount of the donation \$

They will now ask for a question or password. The question must be one that the Recipient is familiar with as well.

Our standard question is: "Knights of "

The answer is: Columbus (remember to use a capital C).

You will only need to input this information once as it will be retained in your computer.

The Message box is where you indicate where specifically you want the funds forwarded:

- If a Memorial Fund donation - indicate the name of the deceased as well as the name and address of the family member where the certificate is to be sent. Also place in this area the name of the Endowment as well if you wish to have it allocated to a specific Endowment.
- If the donation is to an Endowment – indicate the name of the Endowment in the Message box.
- If the donation is to a specific project, place the name of the project in the Message box.
- If the donation is to the General Fund, nothing needs to be placed in the Message box

.....Cont'd next page....

Donations can also be made on the website at [www.saskkofcfoundation.com](http://www.saskkofcfoundation.com) under the tab Donate Now.
