

## Round Tables

A good way to establish a Knights of Columbus presence in a parish is through a Round Table, whose goal is:

*“To actively engage Knights of Columbus members in order to aid the parish and sustain visible Catholic action through works of charity in every parish and mission throughout the Order, and in sustainable parishes to form the Round Table into a fully functioning Council.”*

For any council which covers multiple parishes, the members which attend a particular parish are by default members of that parish's round table. There are no additional dues, nor are any regular meetings held. There is only one coordinator needed who manages the efforts through consultation with the parish priest.

This is especially nice for smaller parishes as it gives them the opportunity to have an active Knights presence to support their priest and their parish, and gives men there the opportunity to be Knights with all of the benefits which come with membership.
