From the editor

I begin this month's newsletter with an editorial reminder:

Brothers, as we enter the political "silly season", I remind all that we do not play any official role in partisan politics. While we must vote and vote our conscience, the organization takes no official stance regarding political parties or candidates, nor should we tell anyone to vote for (or against) a specific candidate. We can & should provide information on a candidates publicly stated positions, including voting record, But this needs to be factual and informative only – NO campaigning.

I urge you to be aware of appearances when dealing with any candidate for their stance may

not align with Catholic beliefs. This is especially important for those Councils with Home Corporations. We should not be renting to or hosting any candidate, political party or Political Action Committee (PAC) whose principles are contrary to the tenets of our Faith. This applies to every level of political office, Local, State & National. Even the simple act of renting space can imply approval of the candidate's/group's stance on the issues. The last thing any of us wish is to appear to support non-Catholic matters & beliefs.

Council News

The biggest news of the month is a change in Degrees. See the membership section for details.

A reminder that your Council should be considering Convention Resolutions this month. Deadline for submission to the State is closer than you think, February 20th.

This is also a good time to start thinking about the State Convention and planning 1] your delegates so you're ready when you get the forms 2] your Hospitality Suite if you participate (why not start a new tradition if you haven't hosted one before) 3] your own attendance at the State Dinner and the Business Meetings. It's not too early to book a room if you plan to stay over. We will be at the

Radisson Hotel in Warwick April 24, 25, 26. If you do book a room, remember to tell them it is for the Knights Convention in order to get the discount. 4] There are a couple of youth related items announced at the Convention, see the Family News section for details – it is not too soon to consider them.

Membership News

There have been some significant changes to our Exemplifications announced to State Deputies at their Mid-Year meeting in November and to our State Leadership at our own Mid-Year meeting this past weekend. The new format has the 3 degrees replaced by a single one. The new Charity, Unity, Fraternity Degree uses the Charges from each of the

current Degrees as a basis for the new charges and adds to them some of the history from each in a new package. The new Degree is about 35 minutes long and meant to be used in Church, though the Council hall can still be used if a Church is not available. Scripts are expected to be available by the middle of January at which time the State Council will begin rolling out the new Degree. The current Degree format will be available while State/Regional teams are formed & trained.

The most significant change (in your editor's opinion) is the allowing of family attendance at the Exemplification. There is no longer a vow of secrecy – though the vows we have taken regarding the current Degrees remain in place. This removes a frequently voiced objection to joining us.

Volume 3, issue 7

The first use of the new format is tentatively scheduled for January 22nd at a Warwick Council parish to be determined. Time will be 7 pm, candidates at 6:30. Check with the website or your District Deputy for confirmation of time & place.

Message from the State Deputy

Let me start by wishing everyone a belated very Happy, Healthy and Holy New Year! Traditionally, the start of a new

year sees many of us reflecting on how and what changes we might make to improve ourselves personally, or for how these changes may affect those around us. It is a resolution to change.

I ask you as a member of the Knights of Columbus to consider a similar reflection of what has been done or not been done at your respective Councils and what changes might be considered to improve activity within them. Is the Council active and visible among the local parishes and within the community? Is Council growth discussed at every meeting?

While the leadership of the RI Councils has not been concentrating on Councils achieving a state-wide membership goal, we are concerned about Council growth and the resultant strength. With growth we are also

assuring longevity within the councils and similarly continuing support of our church and community. To that end, we have developed a number of financial incentives to promote Council growth:

- Councils achieving their membership quota by 3/31/2020 will be reimbursed 25% of their RI State Per Capita Assessment
- Councils achieving their membership quota by 4/30/2020 will be reimbursed 20% of their RI State Per Capita Assessment
- Councils achieving their membership quota by 5/31/2020 will be reimbursed 15% of their RI State Per Capita Assessment
- Councils achieving their membership quota by

6/30/2020 will be reimbursed 10% of their RI State Per Capita Assessment

- In addition Council achieving 200% or more of their membership quota by 6/60/2020 will be reimbursed an additional 10% refund of their RI State Per Capita Assessment.

Again, the ultimate goal is that every Council grows stronger and secures its legacy!

Patriotic Degree News

Worthy Sir Knights,

Wishing you and your families a
Blessed New Year.

To prepare ourselves for the
challenges of the new year, I'm
asking that each assembly begin its
January meeting by doing the
Renewal of Obligation Pledges.

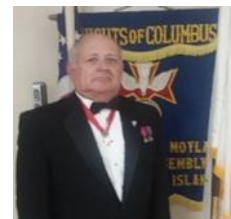

I've asked Fr. Rodrigues for the
spring Confirmation schedule but
have not received it yet. I will forward
it to you as soon as I get it. Help ME
keep the 4th Degree alive by trying to
be at as many of the Confirmations
as is possible around your own
personal schedule. We know that the
next couple of years are going to be a
challenge, but when the 4th degree is
back on par, we can attest that we
were the pioneers that made it
happen.

Volume 3, issue 7

Again I'm asking that all Sir Knights
please be there for our deceased
Brothers. We did have a couple of
wakes recently and the Sir Knights
were there in their tux or suits with
their ceremonial baldrics doing honor
guard, and the family and friends
really appreciated them being there.

I know it is probably
uncomfortable doing this without your
full regalia and we can continue to be
upset with Supreme for taking our
'Ceremonial" outfit away. But we still
have to be there for our Brothers.

Fraternally yours

Robert (Bob) Gallant

State Charity Raffle tickets are now Available. **Time is getting short for you to sell. I can accommodate delivery needs with sufficient notice.** As in recent years, cost to the Council is \$1 per book of 6 tickets. Please contact DD Jack Tracy to order your needed quantity of Books of tickets. You can do this by emailing: ijklmc.tracy@att.net.

This can be an easy way to raise money for your Council's charitable causes, the return on investment is 400%. So, for a \$100 investment, you could realize \$400 for your Council's charities. Let's not forget that the \$1 you spend to purchase the books from the State also supports charitable causes. The last 3 years of the Charity Raffle have contributed over \$6000 to the causes of the Knights of Columbus in addition to the monies raised by each of the participating Councils.

Operation RCVAC Recap

(Remembering Our Veterans At Christmas)

- 25 Total Councils and Assemblies participated plus personal donations from several of our State Officers, Past State Deputies, and our Insurance Agent.
- Council #1528 presented a great HOT lunch (Prepared by our Council chef, John Thomson).
- We continued to provide an avenue for easy K of C publicity with group photos and press releases for print ready submission to local print media outlets.
- We (Completely) filled a 20' UHAUL panel truck with our donations. Next year, it looks like we will be ordering a 26' truck.
- Donations included all types of men's and women's clothing, toiletries, calendars, games, puzzles, art supplies, DVD's, etc.

- E.P. Council #1528 donated and personalized 220 Knights of Columbus Christmas Cards for the Veterans to be included with their presents.
- We also had wonderful donations of hand-made Christmas Cards from local Catholic School students as part of an art project program. The Veteran's love the handmade cards from children.

Everyone at the R. I. Veteran's Home and Steve Goldman & Tony DeJesus at Big Blue Bug Solutions were (Once again) overwhelmed with the size of our largest donation ever.
