YORKTON, SK

## From the Pen of the Grand Knight

CHRIST IS RISEN! INDEED HE IS RISEN!

Easter is a celebration of life. The life of a Christian. It should be our most joyful event by singing of Christos Voskras. Our true expression must be in the works that we do and not the words that we may use. Have we made changes during this lent that will change on how approach everyday lives, and are we prepared to live out these changes. Hopefully you have all made sacrifices for the better.

I sincerely hope that you and your families have a joyous Easter and are ready and willing to move on. Just another reminder our convention is in Moose Jaw on April 26-28.

Time is quickly passing, in the next few months we must start recruiting members for the executive for the upcoming new Columbian year. Please be prepared to accept a position when approached.

Special thanks to our brunch workers who will be feeding our Ukrainian Youth Choir on March 31 and who will be performing at the church that Sunday afternoon. Our Organizers of the brunch moved our date to March 31<sup>st</sup> to accommodate them. Please support our brunch and the choir by attending.

Remember our meeting is on April 1 and that's not April Fool's Day, it's for real.

Yours in Christ,

Steve Popowich  
Grand Knight

## Chaplain's Message

*Dear Brother Knights and families,*

At the moment I am in the USA preaching two Parish Missions where I had preached before – 10 years ago! Before I became your pastor and chaplain in 2015, I was a full- time missionary or a '*man-one revival team*'. I preached in every Ukrainian parish in Australia, Tasmania New Zealand back in 2005, and then proceeded to preach some 50 missions all over United States and Canada.

Just when I had developed a clientele (*of Ukr parishes for Missions*) and I had worked hard to accomplish this, I was asked by Father Provincial to please put aside my Missions and return as Pastor of St. Joseph's in Wpg. So for many years, I was not able to share the Word of God much beyond the parish ministry. However it was good, very good to be a shepherd and chaplain again!

Ah! But finally I could return to former parishes to preach a Mission and to renew acquaintances and friendships. Would you believe they still remember me after 10 or 15 years – and even fondly at that? I have tried to slip away for a Mission or two each year – even while I am in Yorkton and district! I will return in time for more Lenten services on April 5<sup>th</sup>.

And I do encourage you to make these last couple of weeks a special preparation for Easter. Come to the various Lenten services, as an individual and better, as a family!

May this **Easter celebration** be a joyous, triumphant expression of your faith!

God bless you all and have a happy Lent, or what's left of it!

**District Deputy Message**

What does Easter mean to a Knights of Columbus? What does spring mean to a Knights of Columbus? These are questions we should be asking ourselves in this month.

Easter!! Jesus sacrificed himself for all of mankind. Our generation though many centuries since Jesus gave his life for us has passed. Yes, for you and me. He arose from the dead. We are also promised an afterlife. Can we emulate the life of Jesus? Probably not. But we can try. How do we try to live like Jesus did? We look at the greatest commandment. "Thou shalt love the Lord thy God and love thy neighbour as thyself". How many of us follow this great commandment? There are many parables where Jesus helped the less fortunate. He cured the sick. He helped the poor. Are we doing this? Look around and see where you can help. Is there a neighbour in your community, is there a priest who is overloaded at Easter, is there someone who just needs a visit? Is there some way YOU can help? Yes there is lots of ways to help. Yes you can also ignore all these scenarios.

Spring!! Jesus gave us a season that not all of the globe gets to live like we. Getting ready to plant seeds, just watching new plants grow, birds returning and of course a warm sun. He gave us this spring to experience? We have a different feeling inside in spring than in any other season.

These are two experiences that was given to us. Say thank you. Praise the Lord for this time of the year. Now I would like you to go back and answer within yourself all the sentences followed by a question mark. Are you doing your part for Easter? Are you doing your part for spring?

Have a great Easter and spring.

Your humble servant,

Wayne Exner
