REGULATIONS

1. Handicap will be based on 100% of the difference between 210 and the actual average. Highest average from the USBC 2014-2015 season; if none for the 2014 – 2015 seasons, use average from 2013 - 2014 season. If no USBC book average for the past 2 years bowler will use his KC Tournament average going back up to 3 years.

2. Individual averages must be based on a sanctioned or non sanctioned league average with a minimum of 21 games. If there is no average for the (2) previous seasons and a current average has been established for (21) or more games, as of the entry date, use the current average. If the highest current average for 21 games or more as of entry date is (15) pins or more than last year's final average, current average must be used (per Wisconsin Bowling Committee). We do not require reporting of previous prize winnings.

3. It shall be each bowler's responsibility to verify the accuracy of his average in handicap or classified tournaments, whether originally submitted by the bowler, his team captain or others. Failure to use the proper average shall disqualify scores if submitted average is lower than the actual average thereby resulting in a lower classification or more handicap. Prize winnings shall be based on the submitted average if it is higher than actual average.

4. An entrant is obligated to submit himself for re-rating if within the past 12 months he has accumulated an average in (21) or more games of tournament play which exceeds the average to be used by 15 or more pins.

5. If a person does not have an average as stated above, he will be given a 150 average for handicap purposes. If this person has bowled in the Wisconsin K of C Tournament in any one of the past 3 years or all 3 years, then his tournament average will be used. These averages will be kept on file with the State of Wisconsin K of C Bowling Tournament Committee. The Host Committee reserves the right to rerate bowler's average.

6. A maximum handicap of 80 pins per man per game will be allowed. Special exception will be reviewed by tournament director.

7. A bowler is permitted to enter only once in each event except as follows: Host council bowlers may re-enter on non-hosting teams as many times as needed to ensure full lineups. A host council bowler may compete more than once in the Team, and Doubles events, providing he is substituting for an original entrant in these events. Not more than (3) bowlers on the same team can place more than once in the prize list for position standings. The all events score will count for host council bowler, when bowling with his council.

8. Substitutes not to exceed (2) men are allowed in the Team event. In the Doubles event, one scheduled person must bowl. In the singles the absent bowler will receive <u>no</u> score.

9. Names should be printed plainly to avoid error in schedule, score books, etc…

10. Entries close December 31, 2015 however all entries postmarked the first Post Office business day after entry closing date will be accepted. No record of entries until money is received.

11. After any entry fee has been received and filed, the entry fee in <u>no</u> case will be refunded.

12. Bowlers are asked to be ready to bowl when it is their turn. This will <u>ensure</u> that your fellow bowlers will be able to begin their scheduled shift on time.

13. **Al**l bowlers must check in **30 minutes** before time scheduled to bowl.

14. USBC moral support certified provides high score recognition of USBC members participating while permitting non-USBC members to compete in certified competition. Eligible non-USBC members desiring the USBC recognition awards may purchase an associate membership card <u>prior</u> to bowling. Only entrants who have established USBC membership prior to participation shall be qualified for USBC High Score Recognition.

15. Entry fee is $20.00 per man per Handicap Event, which includes bowling, prize money and tournament expenses. (There is a $2.00 early bird discount, per man, per handicap event, if entry is postmarked by December 31, 2015.)
