COLOR CORPS, EN MASSE!

MASS & RENEWAL OF VOWS

SUNDAY, 1 OCTOBER 2017

4:00 p.m., ST. MARY'S CHURCH

538 Broadway, Providence, RI

The Sisters of Mercy of the Word will be celebrating their work with a Renewal of Vows during their New England conference on Sunday, October 1st! The order was started in Mexico City, and its founder, Fr. Luigi, will celebrate the Mass. Their Community is travelling from throughout New England and has asked for support from the Knights of Columbus with their ministry!

Our Color Corps has been specifically asked for by Sister Elizabeth Castro, of the Cathedral of SS Peter & Paul, to support this service in large numbers! The Color Corps' overwhelming presence will demonstrate our support of the Church's diversity and those who perform its good works.

This 90 minute service is a special liturgy in Spanish, and it is anticipated to be attended by as many as seven hundred people.

A collation of light refreshments will be served at the school by the seminarians, after the Mass – *Come Join Us!*
