## SK Gary Thomas is our Faithful Navigator 2020-2021

### Faithful Navigator's Message

Sir Knights,

I hope this newsletter finds you and your family in good health and coping well with these extraordinary times. Our Assembly has been engaged in some really important work with our TWO BIG EVENTS! First, we collected water for our brave fire-fighters in the El Dorado Fire here in San Bernardino County. We collected 135 flats of water on September 26, 2020 and delivered them on September 28th in celebration of Gold Star Motherhood (commemorates mothers that have lost loved ones serving their country). I want to offer my sincerest thanks to those that helped with the collection (Ruben Baltierra, Alan Godin - Worthy Grand Knight, Manny Joia, Ralph Knipstein, Jesse Navarrette, Jesse Ocana, Carl Rapp, Armando Trujillo. A special thanks to Ralph Knipstein for helping to deliver the donated water to our Fire Fighters in San Bernardino. I believe we made a difference in the lives of those that protect our community from the ravage of huge forest fires. Second, we have our Collection for the Veteran's Home in Barstow. Please see the list of items below the Veteran's Home has requested and donate what you can. Every donation helps big or small! We will be collecting on Saturday, October 3, 2020 at three locations from 10:00 a.m. - 12:00noon: • High Desert Hall 15163 Aspen, Hesperia, CA 92345 • Our Lady of the Desert 18386 Corwin Rd., Apple Valley, CA 92307 • Christ the Good Shepherd Parish 17900 Jonathan St. Adelanto, CA 92301 We plan to deliver the items on Columbus Day, October 12, 2020, in honor of our Order's cherished patron - Christopher Columbus. Please do what you can!! These men and women deserve our support!! We have two new Sir Knights that recently joined the Fourth Degree and our Assembly: Erik Wood and Peter Chukwuka. Peter comes to us from Council 11881 Holy Innocence Church and Erik comes to us from Council 4228 Holy Family Church. Both participated in the Virtual Fourth Degree Exemplification on September 26, 2020. WELCOME brothers and I hope you find the Fourth Degree a rewarding experience. November is coming up fast and we have a very important patriotic event at the beginning of that month - ELECTIONS!! Tuesday, November 3rd, is Election Day. Knights are urged to exercise their civil right and vote in national, state, and local elections. To assist members and their families, the Knights of Columbus maintains a dedicated webpage that contains resources to assist in confirming voter registration or to register to vote – [kofc.org/vote](http://kofc.org/vote). PLEASE VOTE!! During these extraordinary times, we are continuing to meet virtually through Zoom Technology. Be looking for an invitation by email to attend our next meeting on Tuesday, October 6, 2020 at 6:30 p.m. PDT. It would be great to see you and we frankly could use your voice as we move forward with repurposing our Assembly. What do you have to lose - a couple of hours?? Also, stay connected to YOUR Assembly through the website. It has a lot of information about our Assembly's activities, updates on your brother Sir Knights, and our activity calendar. Take 10 minutes and check it out!! Our website can be found at: <http://uknight.org/Assembly.asp?A=2664>. BE SAFE, WEAR A MASK, WASH YOUR HANDS AND SOCIAL DISTANCE!

## **Five Myths About Christopher Columbus**

Outrageous claims about Columbus need to be tempered by a sober look at the historical record  
by Robert Royal\*

At a moment when even George Washington and Thomas Jefferson are under attack, it was inevitable that the current unrest would also engulf Christopher Columbus. His case is unique, though, because unlike the others, few people — least of all those who took turns stomping on his statues — know much about him.

They assume that he brought slavery and genocide to the New World. Europeans did, of course, commit many sins. But they did not introduce new evils; all of them — including slavery and genocide — already existed among Indigenous peoples, as they did throughout the world.

One person who knew Columbus personally was the Dominican missionary Bartolomé de las Casas. He earned the name *defensor de los indios* (“defender of the Indians”) because of his passionate diatribes against exploiters of native peoples in the Americas. Las Casas did not spare Columbus from criticism, but he also defended him against those who blamed him for all the disorders and violence that followed the first contacts with Indigenous peoples.

The great explorer’s missteps, he said, were the result of ignorance and misjudgments about how to proceed: “Truly, I would not dare blame the admiral’s intentions for I knew him well and I knew his intentions were good.”

It’s good, then, to examine some of the contemporary charges against Columbus in order to assess him fairly.

### Myth 1: He was a violent man.

Las Casas spoke of Columbus’ “sweetness and benignity.” Far from being a violent man, he often got into difficulties because he would be indulgent — toward natives and Spaniards — and would then take extreme measures against both when things got out of hand. He was a great navigator but a poor governor. By his third voyage, he was cautioning Ferdinand and Isabella about who they were allowing to sail to the New World. He needed, he said, 60 missionaries to preach Christianity to arrogant and abusive Spaniards, and another 60 upstanding men to help him run the colony.

### Myth 2: He committed genocide.

There was no “genocide” during these early voyages, though many natives died from unfamiliar diseases and clashes between two very different cultures. The Americas had been isolated from the rest of the world for millennia, which is why people here, though they had had their own plagues, were especially vulnerable to diseases from outside. Nonetheless, the Spaniards never intended to commit “genocide.” In even a cynical reading, a ready supply of native workers served Spanish interests.

### Myth 3: He instituted the slave trade.

Columbus was not interested in the slave trade; his goal was to set up a trading post or, later, an agricultural colony on the island of Hispaniola, today’s Dominican Republic and Haiti. He did, however, take slaves as prisoners of war, or where he found violations of natural law, such as human sacrifice or cannibalism — the only reasons Spain permitted. Slavery was never the admiral’s intention, except as a — not very effective — way to maintain order in unprecedented circumstances.

Myth 4: He had only worldly interests.

People often claim that Columbus was motivated by “God, gold and glory,” but assume God was just a cover for worldly interests. In fact, his religious devotion was sincere. Among other things, we know from his writings that he felt that he had been given a role in spreading the Gospel to all nations, which had to happen before Christ could return. In later years, he often dressed as a Third Order Franciscan.

Myth 5: He did not accomplish anything extraordinary.

Many also claim that Columbus did not “discover” the New World. Those living here already knew where they were, the argument goes, and didn’t need to be discovered. This is a half-truth. Indigenous peoples, of course, knew their own lands. They did not know that they were part of a larger world.

One reason we especially honor Columbus is that he began the process toward the one interconnected world that we now inhabit. Vasco da Gama sailed around Africa and reached “the Indies” five years after Columbus arrived in the New World. But great as that feat was, he only found a new route to long known lands. Columbus, by skill, imagination and sheer grit gave us the world.

\*\*\*\*\*

Columbus is often dismissed today on other grounds — usually by people who have come to hate “Western civilization” and, frankly, traditional Christianity. They want to blame him for everything wrong on these shores since 1492. Following that logic, though, he deserves some credit — and gratitude — as well, for the many good things that also followed his discoveries.

# Msgr. Wm Van Garsse Sir Knights in ACTION

	<p><i>Knights Of Columbus</i> <b>Saint Junipero Serra Province</b> <b>Southern California District</b></p>	
	<p><b>PLEASE RECRUIT !</b></p>	

Sir Knights know that recruiting is not limited to Councils. There haven't even been any protests against recruiting so it must be acceptable to the general public. Newly accepted Knights are eligible to be recruited because the Brothers have completed their Third Degree. Many, otherwise heavily scheduled Knights, have found the COVID-19 situation to be an enabling factor as our District Master, Ray Forgette, has engaged in more Virtual exemplifications than was possible with traditional events.

Since the outbreak of COVID he has been able to schedule twice the number of exemplifications. And while the virtual exemplifications may not provide the impact of an in person event, they have saved candidates hundreds of dollars and likely made it attainable to many Brother Knights.

Our Assembly had very good participation in last month's event with two candidates completing their Fourth Degree. So, we've done it once, let's see if we can kick some COVID butt and make this a tradition of Msgr. Van Garsse Sir Knights every time an exemplification is conducted – Virtual or Traditional.

Additionally, we still need to have a Sir Knight at all three Council meetings (or all five) virtual or actual. Third degree Knights need to know we're out there and and doing some pretty exceptional stuff in the communities. The Councils will learn quickly that WFN Gary Thomas has the support of the Assembly Sir Knights to make a real difference in Patriotic areas as is shown on page 5 of this month's Bulletin. His planning committee discussed some charities we will support. These activities are expected to appeal to Brothers who truly wish to become known for their Patriotism.

**Shouldn't all Knights be Sir Knights?**

**Please be sure to have a blank Form 4** when meeting potential candidates or attending your Council meeting/function when COVID permits. Give it to your candidates to complete or assist them to ensure it is completed. It is your responsibility to verify with the FS of the candidates' council that they are Third Degree members in good standing (dues are up-to-date) and once you have done so, you can sign on behalf of the FS. You can also sign as the proposer. Please note that the signature of the candidate is still required, as are the signatures of the FN and Comptroller (although either the FN or Comptroller may also sign for each other if need be.)

## The Emblem of the Fourth Degree

Sir Knights of the Fourth Degree deem it an honor and privilege to carry our **TRIAD EMBLEM**, which features The Dove, The Cross, and The Globe. Our Honored Order cherishes as its Patron, Christopher Columbus. Spiritually, the sacred symbols fashioned on our sword and lapel pin, typify the union of the Three Divine Persons in one Godhead The Most Holy Trinity

The Globe - God the Father, Creator of the Universe.

The Cross - God the Son, Redeemer of Mankind.

The Dove - God the Holy Spirit, Sanctifier of Humanity.

Bearers of this emblem are committed to conduct themselves honorably as Christian gentleman in their private And public lives, as well as acting patriotically for the good of their nations. Likewise, the Fourth Degree sword represents the bearer's reverence for the Eucharist and the Pope, Bishops and Hierarchy of the Church, and displays publicly his willingness to protect his Church and priests. Considered under a religious aspect, we have the honor and privilege of wearing on our swords and our lapels the sacred symbol of the Most Blessed Trinity. This should always remind us to live a good Christian life, and that we should never bring dishonor on the emblem we have been privileged to wear. By this, others may see our good works, through which we will glorify our Holy Religion, our Honored Order and our Beloved Country.

**I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.**

**The words "UNDER GOD" came to be added to the Pledge of Allegiance to the Flag**  
The Pledge of Allegiance to the Flag of the United States originated on Columbus Day, 1893, It contained no reference to Almighty God, until in New York City on April 22, 1951, the Board of Directors of the Knights of Columbus adopted a resolution to amend the Pledge of Allegiance as recited at the opening of each of the meetings of the 800 Fourth Degree Assemblies of the Knights of Columbus by the addition of the words "under God" after the words "one nation", The adoption of this resolve by the Supreme Board of Directors had the effect of an immediate initiation of this practice throughout the aforesaid Fourth Degree Assembly meetings.

At their annual State Meetings, held in April and May of 1952, the State Councils of Florida, South Dakota, New York and Michigan adopted resolutions recommending that the Pledge of Allegiance be so amended and that Congress be petitioned to have such amendment made effective.

On August 21, 1952, the Supreme Council of the Knights of Columbus, at its annual meeting, adopted a resolution urging that the change be made general and copies of this resolution were sent to the President, the Vice President (as Presiding Officer of the Senate) and the Speaker of the House of Representatives. The National Fraternal Congress meeting in Boston on September 24, 1952, adopted a similar resolution upon the recommendation of its President, Supreme Knight Luke E. Hart, Several State Fraternal Congresses acted likewise almost immediately thereafter,

At its annual meeting the following year, on August 20, 1953, the Supreme Council of the Knights of Columbus repeated its resolution to make this amendment to the Pledge of Allegiance to the Flag general and to send copies of this resolve to the President, Vice President, Speaker of the House, and to each member of both Houses of Congress, From this latter action, many favorable replies were received, and a total of seventeen resolutions were introduced in the House of Representatives to so amend the Pledge of Allegiance as set forth in the Public Law relating to the use of the flag. The resolution introduced by Congressman Louis C. Rabaut of Michigan was adopted by both Houses of Congress, and it was signed by President Eisenhower on Flag Day, June 14, 1954, thereby making official the amendment conceived, sponsored, and put into practice by the Knights of Columbus more than three years before.

In a message to Supreme Knight Luke E. Hart at the meeting of the Supreme Council in Louisville, August 17, 1954, President Eisenhower, in recognition of the initiative of the Knights of Columbus in originating and sponsoring the amendment to the Pledge of Allegiance, said:

"We are particularly thankful to you for your part in the movement to have the words 'under God' added to our Pledge of Allegiance, These words will remind Americans that despite our great physical strength we must remain humble. They will help us to keep constantly in our minds and hearts the spiritual and moral principles which alone give dignity to man, and upon which our way of life is founded. For the contribution which your organization has made to this

cause, we must be genuinely grateful. "

In August, 1954, the Illinois American Legion Convention adopted a resolution whereby recognition was given to the Knights of Columbus as having initiated, sponsored and brought about the amendment to the Pledge of Allegiance; and on October 6, 1954, the National Executive Committee of the American Legion gave its approval to that resolution,
