Knights of Columbus

Fourth Degree

Archbishop Thomas Donnellan Assembly 2148

Serving St. Joseph, St. Catherine Laboure, Saint Aelred, and the Catholic Center of UGA

Faithful Navigator Message

I would like to thank all Sir Knights for voting. It is my honor to begin serving as your Faithful Navigator. Whether I'm attempting to recruit Brother Knights into the 4th Degree or asking a Sir Knight to become a part of the Color Corp, I hear a similar response; "Why should I join when I never see the Assembly doing anything". Well, that's about to change. Sir Knights of the 4th degree are the leaders of the order. I plan to bring the fun back into being a Sir Knight. I ask each of you to have patience while some changes are made. I plan to use the remainder of this Fraternal Year to restructure the Assembly, bring back traditional Sir Knight duties, programs, grow our Assembly, and plan out an exciting Fraternal Year calendar. In each of your ability, I ask for your cooperation and assistance.

From Past to Present our Color Corp needs your help

The Assembly Color Corp is made up of the Honor Guard and Color Guard. We are asked to serve in Church Processions, Funerals, Eucharistic Processions, High School Honors & Graduations, and Civic Parades. We are the Patriotic degree promoting good Citizenship and Military support. In doing this, we are the face of the Knights of Columbus. We need your help! Please consider joining the Assembly Color Corp.

Next Meeting: Monday February 20th, 7pm at St. Catherine's Laboure
