Veteran Home Improvements Partnership

Habitat for Humanity's Veteran Program Partnership:

- In the fall of 2019, we began discussions with Manatee County Habitat's President and CEO to expand our community partnership with them and be an adjunct to Habitat for Humanity's Vet Program. (note; within our Council, we have delivered 40 consecutive monthly projects since January 2017.)
- Our objective is to work alongside Veteran-owned non-profits such as "Our Next Mission" who we have already had one project with as shown below:

Description of Event:

On Tuesday, October 22nd, 2019, 8 Knights of Council 13341 teamed together with Habitat at the home of a Vet in Bradenton, FL. They were accompanied by, and worked alongside, Vets from Our Next Mission, a non-profit organization that is run by Vets who help Vets in need.

The project team (aka Habitat Dream Team) completed the following tasks:

- Remove junk and debris around the exterior perimeter of the home.
- Load junk and debris into the container in the driveway.
- Fill a very wide and deep hole extending from the front foundation of the home. Shovel in a load of gravel at the base of the foundation. Shovel in surrounding stones in the yard. Fill the balance with dirt from the yard.
- Weed wack and mow weeds around the perimeter of the lot.

Knights Participating; Rick Kuebel, Mike Mahan, Gordon Shellhaas, Frank Brocco, Tom Rokosz, Chuck Kennedy, Joe Bartucci, John Joly. Total of 32 hours.
