COUNCIL OFFICER DUTIES

Several times this coming fraternal year, we'll be highlighting some of the duties our council officers have. Questions come in from time to time about what each role entails. This especially happens around the time of council elections each year. Note that the role descriptions come directly from the Supreme Council. The Abbot Pennings may interpret each role somewhat different from Supreme.

The **Warden** is responsible for supervising and maintaining all council property. He also helps set up the council chambers for meetings and the first, second and third degree exemplifications. Lastly, he oversees the Inside and Outside Guards.

This role is usually the first step toward becoming the Grand Knight. The role typically lasts two years.

The council is always looking for interested Knights to consider becoming an Officer. Please speak with GK Dave Pearson, Corey Coonen or Pete Nordeen if you're interested.

Honorary Member

Brother Paul Kramer has achieved Honorary membership status in the Knights of Columbus. Thanks Paul for your volunteer efforts for the Abbot Pennings Council and congratulations!

Chaplain's Corner

Dear Brother Knights,

Years ago, I was travelling by train from my hometown to a town where my Abbey is in India. I was a frater then. It was a long train journey that took two full days! In and around the railway stations in India, you come across different types of people. One such group is trans-genders. Society mostly hated them, as they would extort money from the passengers. Since they approach you in a group, they often force you to give them money; a kind of extortion you often see in India. As a frater you do not have much money with you.

In my journey, at a particular time, two of them came to the coach I was in. They went around asking for money from all the passengers in the coach as I expected. But I noticed one of them was not that forceful. I also noticed she was limping! Since she was not forcefully asking for money, I ignored her and looked away. I did not give her any money. She clearly had need. Later, as I looked through my window, I saw the same person sitting on a bench examining a deep wound on her leg. From her face, I could feel she was hurting. The bandage was dirty and reddish in color. She unwound it, examined her wound and covered the sore with the same rag! I could read the sadness on her face. She was helpless! As the train moved out of that station, she too moved away from my sight. I was deeply saddened to see that sight! Her deplorable plight! I felt bad for not offering her any money. Our society has several misconceptions about trans-genders. Society tells you that they are bad. I grew up hearing such misconceptions therefore; I too held such an idea about them. I had every excuse to deny that person even one dollar! But I did not search for even one excuse to give her that money. Now I realize that the society was cruel to treat them that way. That was not the way to treat them. That was not Jesus' way!

I shared this incident to explain, how people suffer, often alone, without anyone to help them! We see around us in our society, in our cities and in our world who suffer untold miseries. They need our help. They need our support to rebuild their lives. We have responsibilities towards them. It may be easy for us to ignore them. But God wants us to come to their aid; they are a person in need. That's what Jesus has taught us especially through the parable of Good Samaritan. We are often oblivious to the sufferings of others because of our selfishness. Jesus teaches us to be other-centered and not to be self-centered. This is the basic principle of Knights of Columbus, too. And we the members try to put it into practice by charitable work we do in the society. In this regards, my fellow Knights, you guys are doing a commendable job! What you do in our society is noble. I want to thank you for what you do. Let us continue to challenge ourselves and others to commit to caring for others in every way possible. Let us reach out to the needy more and more. Let us not marginalize any one on the basis of their color, race, creed, status, gender or class. Rather, let us come to the aid of those denied their basic rights. God bless!

COMMITTEE REPORTS

MEMBERSHIP

Our Council continues to grow and has done many charitable deeds for those in our community over the past 66 years. With this in mind, we are asking all of our members to make an effort over the next 12 months to encourage the Catholic men, over the age of 18, in the De Pere area to join us in our efforts to help those in need. The success of our Council's activities to help the homeless, the needy, those with intellectual disabilities and those with illnesses depends on how many good men who have, and continue to, join us. Please contact Steve Cribben at 606-4700 or John Mueller at 336-8691 with the names of those candidates who will help us continue the Knights of Columbus dedication to helping those in our community who need our assistance. Our next First Degree will be on Monday, October 2nd, following our membership drive at Our Lady of Lourdes the weekend of September 17th.

COUNCIL

We had 34 golfers participate in the first annual "Fun"raiser golf outing. We held a 50/50 raffle as well as bucket raffles. Chris Steier was able to get hole sponsors totaling \$875.00. The raffles raised \$400. The total benefiting Our Lady of Lourdes School (GRACE) was \$1,275.00. We also gave out door prizes. Ryan Funeral Home and CellCom provided a sleeve of golf balls for each participant. Chris Stier, Brian Pritzl & Ron Van Dyck chaired the event. A big thank you to all who participated in the event. We are all looking forward to next year and perhaps working with Notre Dame and Our Lady of Lourdes to grow the event while still making it a "fun" event. Thanks, Ron Van Dyck
