- **Field Agent’s Message**

Think You Are Too Old for Coverage? Maybe Not

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need.

When you are young and presumably healthy, coverage will be very inexpensive when compared to purchasing the same policies when you are older.

If you’ve put off purchasing coverage, or you realize that you may need additional insurance, the Order may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80, and in 2014, the issue age of our term insurance was extended to age 70.

Naturally, your health, and whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. But, the extensions continue to be a great blessing for us – and they could be for you too. Now we can help members that we couldn’t help before. Are you or one of your brother knights one of those members?

Whether you’re 18 or 80, the Knights of Columbus has products that will work for you and your family. We look forward to discussing coverage with you.

Fraternally,
Your dedicated Field Agent,

Ken Sosnowski, ARM
