***Term Life Insurance — Affordable Protection for Temporary Needs***

Sometimes, financial obligations are temporary, and that's where term insurance brings the most value. Like permanent insurance, term insurance provides a death benefit to beneficiaries, but only within the specific term period.

Maybe we have a 30-year mortgage. Maybe we have 10 years left until retirement. Maybe we have two children who are about to go through college. In time, the mortgage will be paid off, retirement will arrive at last and the kids will finish college. Once those days come, your insurance needs will change. Term insurance can provide extra protection at affordable rates that —if structured properly —will go away once the needs themselves go away.

The Knights of Columbus offers two basic types of term insurance: Level term (which is offered in 10, 15 and 20 year periods) and annual renewable term. As nontraditional as it may be, life insurance is a wise and caring gift to purchase for many people.
