- **Field Agent's Message**

During the last month: mailed out 120 letters to members, made 240 phone calls, met with 5 new members/families, 21 current members, processed 2 death claims, met with 2 past widows, received retirement annuity deposits, submitted.... you know by now that this is my full time job. I have also attended/participated in 12 council/parish based events.

The #1 topic this month centered on the topic that most people under the age of 45 (both men and women), have not saved, and are not currently saving enough to retire as comfortably as their parents.

I've been using a "planner" (either written or on-line) to help our members and their wives visualize their exact situations. I'd be happy to show you in person.

Thanks once again to all of the members who have already reached out and contacted me to schedule their policy and financial reviews. And a very special thanks to those that have been able to meet with me during the day- this frees up my evening time for our members who haven't yet retired.

I really would like to introduce you to my network of supporting attorneys, tax advisors, estate planners, wealth managers, home/car insurers and retirement planners. I really believe we are making a difference for our members. They trust us.

Fraternally,
Your dedicated Field Agent,

Ken Sosnowski, ARM
