## Staying EXCITED as We Prepare for the Lord's Resurrection!!!

### GRAND KNIGHT'S REPORT

Joe Eagle

EagleFamily76@gmail.com

April has arrived – are you ready? I am so excited as we start this month. It is always amazing to reflect on the many activities that our Council accomplishes each month. And March was no different. I guess we can say that a busy Council is a great Council!

Let me describe the weekend of March 11 – 13th. We started out with our first Friday Lenten dinner. John Hundertmark did a wonderful job coordinating the dinner and thank you to all the people who helped and assisted from the cooks to the Sheen's that decorated the tables and served the food. On Saturday we had the annual Knights /Squires basketball game which was great fun – especially with the Knights regaining the trophy! Thanks to Steve Rogness and Al Grasley for setting up the basketball game and the great pizza and cake afterwards. On Saturday night we began to hand out baby bottles for our 'Baby Bottle collection Drive' after all of the

masses that weekend. Remember that everything we collect will go to the new Pregnancy Center in Westminster. Also on Saturday night, March 12th, the Sheen Colleens had the most fantastic St. Patrick's Day dinner & dance. The food was great and everyone had a good time. – Thank you to Barbara Rooney and Jeanne O'Sullivan and all of the Sheen Colleens for a really enjoyable night. On Sunday morning, we continued to hand out baby bottles after the Masses and then in the afternoon we had a celebration for Deacon Todd and his lovely wife Jan who are transferring to Philadelphia.

All of this over one weekend!!!

Remember each Friday during Lent we will have the Lenten Dinner at the church before the Stations of the Cross. If you can help out, let John Hundertmark know.

Our social in March was backwards! We had breakfast for dinner! Our Insurance representatives – Mike Hurley and Bob Marlow spoke to us about the state of the economy and how we should take a look at our needs and our insurance requirements. Even though it was a wet and rainy night, it was well attended and the valuable prizes were great!

We will be busy this April as we can continue to set the pace for other Councils to follow. I have been so proud of everything that we have done thus far this year. Let us continue to look at our membership and focus on trying to recruit new members into our Council. If there is any member that is not able

to pay their dues because of financial issues, please let me know so that we can address the issue.

Our theme for the April social will be 'American Idol' and karaoke night. I hope that we will have many contestants – children, teens and adults trying their best in singing. It will be a fun time for all of us.

Thanks again for all that you do and a very Happy Easter to all.

Serving you for a successful year....

7612 Council Family,

This is an exciting time for our Council and the building we own. Spring is in the air and we have lots of ideas on how to make our home much more attractive. We will be sending our email invitations and looking for people who will want to come out and help do some painting, gardening and landscaping. If you are off during the day or would like to help on the weekends please email or call me and let me know you are interested in helping and I will put you on the contact list for when we schedule a improvement day at the home.

We have also just been re approved for our restaurant quality, class one high priority kitchen and catering license and it is on display at the council home. If you are looking to hold a picnic or family reunion give us a call. We have eight acres of mostly grass that you can play ball on, put up moon bounces, badminton and volley ball nets and the ever popular horse shoes. We are putting in a permanent horse shoe pit to be used at anytime by our council family. With our catering license we can do all of the cooking for your party and we do all of the cleaning, how can you beat that? If you try to rent a hall anywhere in the area it is \$600 but to rent your council home for the day is only \$300, catering is additional and will be decided by what kind of food you want to serve. There is NO liquor on the property and if you

want it for your party you will need to obtain a one day license for \$15 from the county and you will have to bring your own liquor, we will NOT supply it. Please call the council home's number at 410-922-8224 and leave a message for Ray Miles or email him directly at raymiles6743@yahoo.com

God bless you and your family and please remember to support your council and rent the council home for your parties and get together.

Brother Knights and Families,

The State and District calendars for the upcoming month are brief, but the events are the climax of the year! The Exemplification of the Fourth Degree of our Order will be held on Saturday, April 9th in Frederick, MD. Thus far, there are 15 candidates for membership for the James Cardinal Gibbons Assembly. All fourth degree knights are invited to participate in the degree and encourage our new members. Worthy Navigator, John Bryan and I need assistance with the hospitality room on Friday evening and Saturday.

Now that we have reached the final fiscal quarter of the year, we need to assess our progress in terms of membership development, reports and recruitment. There is still time to make our goals. First degrees will be held on April 20th at Immaculate Lady Council 5208 and on April 28th at St Bartholomew Council 9127. Let the Grand Knights know you have candidates for these events.

April 24th is Easter Sunday! This is the most glorious and important day in our Church and in our faith. Support parish events during Holy Week and keep our focus on Christ.

The MD State Convention is on May 13-15 in Ocean City. Plan to be there! There is always something new. Tired of the cramped meeting room? It's been moved to a new location. Youth activities promise a fun and refreshing change. The hospitality rooms will be entertaining, with district 21 providing the leading edge. I found the State Council Spring meeting on March 26 enlightening and encouraging. Look for more information on this in these reports, and at your council meetings

**Ask a Catholic man to join our order today!** Always carry a form 100. Always remember to do everything for the Glory of God. Mary, make us always aware....

### **Don't Wait, Act Today**

When your family is hungry, you see that this need is taken care of quickly. You don't put it off until tomorrow -- you act immediately to the best of your ability. As a provider to your wife and children, your responsibilities are great and your time is spread thin. It is easy to forget important tasks or let them slip to the backburner.

Everything, including your health, can change in the blink of an eye. Don't put off today what can't wait until tomorrow. As your professional Knights of Columbus agent, I urge you to make securing life insurance a top priority for you and your family.

It is my fraternal obligation to make sure that every member has the opportunity to protect his family with the Order's top-rated insurance products. I'll work with you to put a plan in place that will help your family when that help is what they need the most.

Your Knights of Columbus insurance program is second to none. As the premier safety net for Catholic families for more than 126 years, our insurance program makes me proud. But I'm also concerned that too many of our brother Knights have not yet looked into the needs of their family. I suspect that for

many of them, life insurance has drifted to the backburner until tomorrow. Don't be one of them; move your insurance needs to the forefront today.

Let's talk ... call me.

7612 Council Family,

Last month we had a great social and I want to thank Mike Hurley and his partner Bob Marlow for talking to us about the economic trends and helping all of us to make the best choices for us and our financial future. We had a great breakfast dinner and in fact the nearly forty people in attendance ate up everything we had so there was nothing left over.

This month's social is going to be so exciting I can't control myself! We have all seen American Idol on TV, well we are holding the first ever Knights Idol. I Know! I can't believe it either! We will have three guest judges and I can't drop any names yet but a grumpy Brit and someone who says "dog" a lot have already agreed to fly into help us with our fabulous event. Now don't be sacred about signing without back up music, we will have a Karaoke machine there to back you up. Can't sign? No problem, show us your stupid human trick or talent. Just like the original show American Idol, I am sure we will have the contestants that just will never make it to the next round and those who will compete for an amazing prize, I can't keep it in, your own signed record deal (a signed picture and a record { CD}, what a deal) You will receive a recording of your performance and a signed picture with you and the Knights Idol Judges!!!!!! There may be secondary prizes and other fabulous gifts but how can they stack up to our grand prize.

If this isn't enough, how about food? Well we are going to have a pot luck dinner.

April 27th, dinner at 6:30, and Knights Idol at 7:30. If you are coming to kick start your singing career you must RSVP to Tom Greul

and let me know how many seats you will need and what you are bringing for the pot luck dinner. First ones to reply with the dish they want to bring will get to bring it. After that duplicates will be asked to bring something else so don't wait.

Hello ladies,  
WOW! March was one busy month for us. We ran a Seniors Prom, hosted a St. Patty's Dinner and

Dance and prepared for our big fundraiser, the Double Basket Bingo. Thanks to everyone for your continued support. Every year the Sheens Colleens enter an event for judging by the State Ladies Activity coordinator. This year we entered our Seniors Prom. At the Knights of Columbus convention in May, we will find out the winner. Keep your fingers crossed ladies. We have won for the past two years in a row and I would love to have a triple crown trophy. I want the entire State to know what a wonderful group of ladies belong to the Sheens Colleens.

At our April meeting we will be taking nominations from the floor for our 2011-2012 slate of officers. If you would like to put your name in for consideration, please contact Kathy Wachter. In May, we will have our final vote and in June, our last meeting of the year, we will hold a "thank you" celebration as we say goodbye to this year's officers and welcome our next year's officers.

Don't forget on June 4th, the Knights will host their annual awards ceremony where we will be announcing our "Lady of the Year". If you would like to attend this fun event, please let me know.

As always, thank you for your support and trust.

### Annual Basketball Challenge

Brothers,

I am happy to report that the Fabulous Trophy is in the HOUSE! Yes, we pulled it out.

It was an excellent day for Basketball. We had 16 players show up and all had a good time.

It was a defensive battle the 1<sup>st</sup> quarter with the Knight leading 6-4

The 2<sup>nd</sup> quarter the game opened up and the knights had the lead all the way through the quarter until the buzzer shot by a Squire made it 20-19 Squires

3<sup>rd</sup> quarter was back and forth with game tied.

4<sup>th</sup> quarter both teams were playing tight defense and the game ended in a 43-43 tie.

In the 5 minute over time the Knights where behind the whole way until the last 13 seconds we pulled ahead and won 49-47!

High scorer for the Knights: "Lebron" James Mulhouland!

A fun afternoon had by all!

Recently squires, fellow knights, participated in the annual "Squires vs. Knights" basketball game. Many spectators attended the event rooting on their friends and family. The squires and the knights went back and forth in a nail biter. At end of regulation the score was tied and went to overtime. The Knights prevailed and showed no mercy for the rather young squires. All in all, everyone had a great time and the squires look forward to regaining the title next year. The squires also had their last social at the bowling allies where everyone enjoyed o couple games of bowling and pizza. In April the squires have committed to assisting in the Art Auction, April of the 9th.

### Maryland March for Life

The Maryland March for Life was held Monday, March 14 in Annapolis. Hundreds of pro-lifers made the journey to Annapolis to proclaim "Support Pregnant Women; Hold Abortionists Accountable."

As always, many shared stories from around the country. Even in Maryland, according to Maryland Right to Life, "several abortion facilities have closed in the past year, a landmark court ruling declared a pro-abortion, anti-pregnancy center law unconstitutional, and prospects are optimistic for advancing pro-life legislation."

To further the efforts to restrict abortions, Cathy McLeod, Vice President of Maryland Right to Life, cited the need to pass bills like SB505 and HB23 which require abortion facilities to be held to the same safety standards as other ambulatory surgical centers throughout Maryland.

Please take time to urge your State Delegate and State Senator to support this legislation.

## **South Dakota passes strict regulations on Abortions**

On March 22<sup>nd</sup> South Dakota became the first state in the country to require a woman seeking an abortion to visit a pregnancy help center first and submit to counseling to ensure her decision is "voluntary" and "informed."

Under the new law the woman must also wait at least 72 hours after completing the counseling before she can schedule an abortion, the longest waiting period in the nation. The law goes into effect on July 1.

Of course Planned Parenthood announced it will file a lawsuit seeking to repeal the law.

Let's pray that they fail and that more states will follow and regulate abortions out of existence.

## **Lenten Baby Bottle Campaign Supporting Westminster Crisis Pregnancy Center**

As you know our Council is teaming with the church for a baby bottle fundraiser.

We handed out bottles on the weekend of March 13th and 14th; the response from the parish was excellent. To date we have handed out approximately 750 bottles. Outstanding!

Again we are asking that you take them home with you and fill them with spare change. We will be collecting them at church before mass the weekend of April 30th and May 1st.

I will be asking for Knights to lend a helping hand before mass to collect the bottles.

Please continue to pray for the unborn. Stay Strong, God is on our side!

### **Blood Drive April 30, 2011**

Brothers, our next Blood Drive will be held on April 30, 2011 from 0615 – 1230 in the St. Joseph's gym. We hope to continue the tradition of the most successful in Carroll County. If you or members or your family can donate we urge you to consider donating. We will be making our donor phone calls from the offices of Long & Foster Eldersburg on the 18th, 19th, and 20th of April. If you can help in that effort or on the day of the drive please contact me or Peter O'Sullivan (Infpro@verizon.net).

### **Food for Families**

Brothers, the response so far in our efforts to gather non perishable food for Carroll County Food Sunday, My Sister's Place, and Our Daily Bread has been wonderful. Our parishioners at St. Joseph's and our fellow brothers have stepped up and filled our collections boxes to overflowing. I am hopeful we can continue and bring something each time we attend a meeting or when we attend mass. No one should go without a basic such as food. Thanks again to all.

7612 Council Family,

The fourth degree of the order is the patriotic part of our order. There is only one requirement to be a fourth degree Sir Knight and that is to take your fourth degree ceremony. We do many great things for our veterans, deployed military and their families left here in the states. Our council along with Sacred Heart in Glyndon, Westminster council and St Bart's council in Manchester form an Assembly of fourth degree Knights. Our Assembly is the James Cardinal Gibbons Assembly number 379. We are also the most visible arm of the Knights of Columbus. We have a color corps that dresses in black tux, colorful capes, chapeaus and carry swords. Our color corps has won the color corps competition every time we have competed and

that includes marching, flag and sword work. We stand at the coffins of our fallen brothers and their families when they are called home to the Lord. We march in parades and support the priest and religious in many masses throughout the state of Maryland.

Not all members of the fourth degree want to or can be part of the color corps but we all support our troops, veteran's, flag and our country and we get involved with our local, state and national government on important issues that affect our rights as Catholics such as abortion, keeping "one nation under God" in the pledge of allegiance and same sex marriage.

If you have not yet completed your journey to full Knighthood in our order yet, please contact me and I will send you a pamphlet about the fourth degree. All members of the fourth degree are then called Worthy Sir Knights or have a S/K in front of their name. Please consider joining our ranks.

# Fulton Sheen Council Calendar

## Council Rosary Night

**Rosary every Tuesday evening at 7:30pm at Cassidy Center.** Since 9/11/2001, Knights and their ladies of our Council family have gathered each Tuesday evening to say a Rosary in memory of those killed that tragic day and for service men and women at home and abroad fighting the war on terror.

## Perpetual Adoration of the Blessed Sacrament
