

My Brothers,

Last Thursday, July 25th, we had a lively meeting and discussions on our goals for our new fraternal year.

This is your Council. Let's plan this fraternal new year to further achieve the ideals and goals of our Founder, Venerable Fr. Michael McGivney.

Paramount amongst the goals is to have our Council play a much more active role with our Parish and to further support our Pastor. We are considering changing our meeting schedule to better meet these goals.

Please call me at 520-861-0741, or email me at aspennisi@yahoo.com if you wish to volunteer for a vacant position.

Vivat Jesus
Tony Pennisi, Grand Knight

Prayer INTENTIONS

A Prayer for Healing...

Dear God,
we place our worries in Your hands.
We place our sick in Your care
and humbly ask that You restore Your servants to health
again.
Above all, grant us the grace to acknowledge Your holy
will and know that whatever You do,
You do for the love of us. Amen.

Knights of Columbus
INSURANCE
YOUR SHIELD FOR LIFE

A Founding Notion: Protecting the Breadwinner's Income

The Knights have always sought to protect members' families from the "loss" of a breadwinner. I'm sure you know all about Father McGivney's vision for our insurance program. But you may not know that Father McGivney also wanted to find a way to help members who couldn't work because of an illness. After all, the "loss" of the breadwinner does not have to mean that person's death; it can also mean the loss of the breadwinner's income.

Consider that loss for a moment. How would your family fare if a source of income suddenly stopped? Could a dual-income family manage on one income stream? What about young families with a working father and a mother who cares for the children? What if his income halted due to an accident or illness?

I've heard some people say they have coverage at work, but too many aren't sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn't "yours"; it's provided by the company for which you work at their discretion. It could be eliminated tomorrow.

That's where a personally-owned disability income insurance product, like Income Armor, comes into play. It can offer valuable income replacement in the event of an injury or illness.. If you have a job, you must know about this coverage.
