## CHAPLAIN'S MESSAGE

**Rev. Vincent DeRosa, Council Chaplain**

**"Lord have mercy."** Words that take on special meaning during Lent, especially for Knights who seek to exemplify and serve the heavenly court. What is the mercy we seek? Is it merely that God should forgive us our sins? No. The mercy of Lent is much more than this. Turning to venerable tradition, we seek not just English mercy, but Latin *pietas* and *misericordia*... words from the mass which encompass the forgiveness of sin, but go much further.

The Catholic sense of mercy always includes *pietas*, that is: compassion, gentleness, kindness, and devoted love... and *misericordia*: compassion moved specifically by the appreciation of one's miserable state. It's the mercy of the Good Samaritan... the love Jesus felt when seeing the crowds living like sheep without a shepherd his heart was moved with pity for them. It's the mercy Jesus showed Mary Magdalene when he lifted her from the dirt. This is the fullness of mercy.

It's simpler to see the world only in terms of juridical mercy, but it's not enough. Consider this: a friend once observed, *"Ninety percent of what we do is a reaction to pain."* I'm not sure if that's completely accurate, but there's some truth there.

Do I see others only for their sins? Or do I also seek to feel, understand and heal their pain, their miseria? Good questions to orient us as Knights during the holy season of Lent, which begins with Ash Wednesday, February 18.

## GRAND KNIGHT'S MESSAGE

**SK Joseph M. Feakes, Grand Knight**

E-mail: [josephfeakes@aol.com](mailto:josephfeakes@aol.com) ~ Phone: 301-774-0137

**2014 – 2015 Motto: "Seeing God in Everyone"**

I recently finished signing over 300 Council membership cards for 2015. My hope is that when you receive your dues notice you will strongly consider renewing your membership and contribute to the several patron ad requests.

The one thing that hit me hard as I was signing these cards was the very large number of names I did not recognize. Our council has a very strong core of Brother Knights and family members who consistently respond to calls to support the many events and projects our council sponsors. That core number needs to expand. This is not a closed group. We welcome with open arms any of our members and families who want to participate at any level.

We attempt to put together a yearlong calendar of activities that interest our membership. That doesn't mean it can't change. I sincerely welcome any reasonable suggestions. Feel free to contact me or any Council Officer with your ideas.

This is our council, yours and mine. I would really like the chance to put more faces with the names on membership cards. We all joined for a reason. If, for any reason, you feel the Knights of Columbus is not living up to your expectations, I want to know.

As we approach the season of Lent, please know that my prayers are with you and your family that you may enrich your faith by participating in the many devotions offered by our Parishes. *Vivat Jesus!*

## DISTRICT DEPUTY'S REPORT

**SK Stephen E. Goldhammer, District Deputy (30)**

E-mail: [SEGoldhamm@aol.com](mailto:SEGoldhamm@aol.com) ~ Phone: 301-570-9613

My brothers - I just returned from the funeral of SK Robert M. Nyikos. Rob was the Past Grand Knight of Our Lady of Guadalupe Council 12127 and was a Grand Knight from 2011-12 when I was the GK of our Council. We lost him too soon. Besides Rob's family, the church was filled with Knights of Columbus, their spouses, and members of the Color Corps. In his homily, Fr. Joseph Rogers, Pastor of St. John Neumann parish and our former Council Chaplain, spoke of Rob's legacy as a Knight and said that Rob epitomized what it meant to be a dedicated and involved Knight and was an example for all of us to follow. He praised Rob for doing God's work here on earth through the Knights.

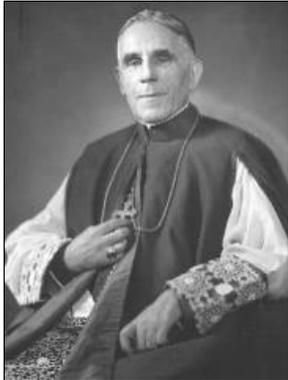

That's what the Knights are all about, doing God's work through our myriad charitable activities. For those of you who haven't been very active in our Council's activities lately, we need your help to accomplish all of our many Council works of charity. Don't wait to be asked. When you see something in the monthly newsletter that is requesting helpers, please put your faith

into action by picking up the phone and calling the point of contact to volunteer. Many hands make for light work, and you'll be rewarded with a great deal of satisfaction for helping the Council accomplish its many good works.

Show your spouse you appreciate her by doing something extra special for her on Valentine's Day! *Vivat Jesus!*

### An Added Benefit of LTC Insurance

As life expectancy increases, the number of people in need of long-term care, in their homes or outside facilities, has grown also. Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Order with an excellent opportunity to further serve Knights and their families. Since 2005, every Knights of Columbus long-term care policy comes with an added value.

That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All

providers are fully credentialed and meet state licensing requirements.

If you are not currently a LTC policyholder, I suggest that we schedule some time together so that I can provide additional information on how you can avail yourself of this significant, value-added benefit.

### TALK WITH YOUR LOVED ONES ON END-OF-LIFE ISSUES

Whether death comes unexpectedly or at the end of a long and full life, it's important for us to consider not only the spiritual dimension of death, but to think in a very practical way about how we would want the circumstances of our death to reflect our deepest beliefs. Given the extraordinary advances in modern medicine, not only do we live longer, but even at the end stages of life, we often have available the means to prolong life far beyond what would have been possible in past generations. What should we do? When do we let go? Maryland's bishops have released a pastoral letter, **Comfort and Consolation**, on care for the sick and dying. Visit the Maryland Catholic Conference at [www.mdccathcon.org/publications](http://www.mdccathcon.org/publications) for copy downloads or to order.

### ADULT FAITH FORMATION

On Tuesdays, February 3 through March 17, our Adult Faith Formation Ministry invites you to take part in the seven-week series called **Discovering Christ**. Each session includes a shared dinner, a time for prayer, a teaching from a DVD series, and a

small group discussion. You owe it to yourself to deepen your relationship with the One who loves you more than he loved even his own life.

Is it worth the time? Someone who took part in **Discovering Christ** last year had this to say, *“I gained profound insights, especially from the video of a father telling his son that nothing he could do would make him love him less. The small group meant so much. Friendships have grown. We shared many ideas I had not thought about. I learned that I do not have to do it alone.”*

For more information, call our office of Adult Faith Formation at 301-774-0162 or contact coordinators Bill and Karen Carlson at 301-260-0613.

## CULTURE OF LIFE NEWS

**Culture of Life Council Activities**  
Steve Goldhammer, St. Patrick's Culture of Life Chairman

Even though it's February, it's not too late to follow through on some New Year's resolutions. Following are some New Year's resolutions suggested by Pope Francis:

"Take care of your spiritual life, your relationship with God, because this is the backbone of everything we do and everything we are. Take care of your family life, giving your children and loved ones not just money, but most of all your time, attention and love. Take care of your relationships with others, transforming your faith into life and your words into good works, especially on behalf of the needy. Be careful how you speak, purify your tongue of offensive words, vulgarity and worldly decadence. Heal wounds of the heart with the oil of forgiveness, forgiving those who have hurt us and medicating the wounds we have caused others..."

Look after your work, doing it with enthusiasm, humility, competence, passion and with a spirit that knows how to thank the Lord. Be careful of envy, lust, hatred and negative feelings that devour our interior peace and transform us into destroyed and destructive people. Watch out for anger that can lead to vengeance; for laziness that leads to existential euthanasia; for pointing the finger at others, which leads to pride; and for complaining continually, which leads to desperation. Take care of brothers and sisters who are weaker...the elderly, the sick, the hungry, the homeless and strangers, because we will be judged on this."

Please mark your calendar for the Maryland March for Life on Monday, March 9th, in Annapolis.

### Knights Present 500th Ultrasound Machine Program Celebrates 5 Years, 50 States – 500 Machines

On November 4, 2014, the Knights of Columbus funded the purchase of an ultrasound machine for a Baltimore area pregnancy center, making it the 500th such gift by the Knights to a pregnancy center dedicated to helping women keep and care for their unborn babies. *“When we began this program five years ago, we hoped to put a machine in every state,”* said Supreme Knight Carl Anderson before presenting the ultrasound machine to the Greater Baltimore Center for Pregnancy Concerns for use at its Dundalk, MD, facility. *“But this program has been even more successful because of the great need and the generosity of brother Knights from coast to coast.”* He added: *“Not only has this program saved the lives of countless unborn children, but it has saved many mothers – and fathers – from a lifetime of regret.”*

Anderson made the presentation along with the Knights’ Supreme Chaplain and Archbishop of Baltimore William Lori at an annual meeting of K of C leaders from around the world held at the Baltimore Hilton. The Knights’ Ultrasound Initiative began in January 2009 with 13 machines purchased in the first year. The program has since expanded to all 50 U.S. states, Canada and Jamaica, and employs the latest technology that allows a mother to see clearly the child alive in her womb. U.S. states with the largest number of ultrasound machines funded by the Knights include Texas (40), Missouri (35), Florida (34), California (33) and Michigan (30). The latest ultrasound machine with K of C funding is the 12th to be located in Maryland.

The program encourages state and local Knights councils to assist qualified pregnancy resource centers in their areas by raising half the cost of an ultrasound machine. The K of C Supreme Council’s Culture of Life Fund then matches those dollars to contribute to the purchase of a machine, with the cost per machine starting at about \$20,000. To date, Knights of Columbus councils have spent nearly \$7.5 million, with just over \$7.5 million provided by the Supreme Council. The total value of the ultrasound machines provided thus far is nearly \$26 million. The initiative continues to expand and adapt to changing needs. For example, in recent years there has been a rise in the use of mobile ultrasound machines that can serve a number of communities.

### Council Participates in 42<sup>nd</sup> Annual March for Life

Brother Dana Perry, his wife Chris, Elsie Bergamini, and Marilyn Goldhammer represented our Council with other parishioners from St. Patrick’s, St. Peter’s, and St. Mary’s churches

in the annual March for Life in Washington, D.C. on THU/JAN/22. St. Patrick’s provided a bus; it was full. Our Council contributed \$100 toward the \$850 bus’ cost. Riders donated \$230 more and an anonymous donor contributed \$150.

Attendees heard Supreme Knight Carl Anderson’s stirring speech advocating life on the main stage, on the mall before the march. The enthusiasm among the participants was contagious and the number of young marchers was awe-inspiring! The march was led by an entire high school contingent from North Dakota who came to D.C. in eight buses.
