CHAPLAIN'S MESSAGE

Reverend James Boccabella, Pastor
Our Lady of Grace Church

E-mail: mchoi@adwparish.org Phone: 301-924-2284

We welcome Fr. Jim Boccabella as our Council Chaplain for the new fraternal year, starting July 1.

DISTRICT DEPUTY'S REPORT

SK Joseph F. Krempasky, District Deputy (30)

E-mail: JKrempasky@gmail.com ~ Phone: 301-570-4891

July 3rd - St. Thomas - "Have you come to believe because you have seen me? Blessed are those who have not seen and have believed." (John 20:29)

And so, we begin a new fraternal year. By now, the Fraternal Leadership Training (June 30 - July 1) which took place in the Solomon Islands, MD has been completed, and, a copious amount of information has been disseminated. At this point, our Grand Knight elect, and our Deputy Grand Knight elect know everything. (Just kidding!) I am truly anxious to get this new year started, as I am sure that your officers are.

Motto: "Lord, direct our actions to fulfill Your will."

The next two events are extremely important to a council - the installation of officers, and the first District Deputy meeting. The installation of officers formally allows us to witness and show the support of these men in their newly elected offices. The District Deputy meeting helps the Grand Knight and Deputy Grand Knight (and their wives) better understand the responsibilities of their office, and gives them the tools to get the job done.

As many of you already know, St. Rose of Lima Council - 14297 is no longer a member of District 30. As our order grows, things change to make room for the expansion. We have three new councils in the Silver Spring area ready to become active. This required some shuffling of councils, and District 30's new council is now St. John the Baptist Council 11106.

I want to thank Fred Taylor and Andy Colliton for the wonderful job they did preparing the food and cooking the burgers and hotdogs during the State District Deputy's Meeting. They gave up their Saturday to work cooking over a hot grill, just to make sure that the many dignitaries and their wives enjoyed a hot and tasty meal. Thank you again Fred and Andy.

It seems that as our officers are elected and move upward through the ranks, each wants to make sure that they succeed in their roles as knight officers, this willingness to succeed certainly helps make the District Deputy and District Warden's job easier. I know that Kevin and I look forward to being that "conduit" between our council and the State Deputy.

Vivat Jesus

GRAND KNIGHT'S MESSAGE

GK Steve Sutkowski, Grand Knight

E-mail: ssutko9208@aol.com ~ Phone: 301-890-9308

I welcome our council as Grand Knight to a new fraternal year that I know will be productive thanks to the great team work of our officers, program directors, activity chairmen, and Chaplain and Associate Chaplain. I thank the many members who have assisted me including our immediate PGK

Fred Whitman and several others too numerous to mention. When I transferred into this council three years ago, I felt I was coming home, and that feeling still prevails.

Thanks to our crew who successfully made our June activities a success including the Marion House Spring into Summer Party, the reception for newly ordained priest Kevin Fields, the presentation to the essay contest winners, and, of course our Fraternal Year-End Party. Please read this newsletter for all our upcoming activities this month and into August.

This year we will see a change in something that has existed for almost 50 years, which is our Surge with Service programs. There has been a new program structure that was developed by Supreme called Faith in Action which focuses on our core values of our church and our faith, but also targets various activities in Family, Youth, Pro-Life, and our neighborhood communities. The number of program areas will be reduced from six to four, however there are new and additional sub-programs and activities as part of this new structure which will be described in more detail next month. I look forward to working with our new program directors in transitioning and implementing these programs.

Our goals and objectives set forth by our immediate PGK and previous PGKs will continue with targets on recruitment, retention, and also help and assistance to members in advancing through the various degrees, plus initiatives in drawing in families and also inactive members for various activities. Your help in these areas would be more than appreciated.

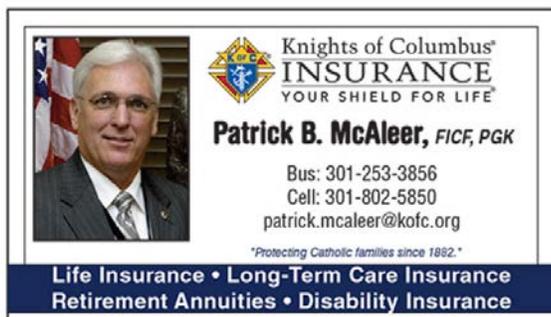

In closing, I also look forward to working with and getting help from our District Deputy Joe and District Warden Kevin as the year progresses. Please feel free to contact me with any suggestions and ideas. Your input is always welcome.

We have several Council activities coming up in July and August. Please read about them in this newsletter, check the calendar on the back of the newsletter, and make plans to participate.

Visit our website at www.kofc6793.org or Facebook page at www.facebook.com/KnightsOfColumbus6793/ to stay informed of our future activities. Attend our business meetings and read our Newsletter to find activities that interest you and join in. Become a more active Brother Knight and support our Council activities.

THE VALUE OF MEMBERSHIP REFERRALS

As the new fraternal year gets underway, we will hear much about recruitment. New members are the lifeblood of the

Order. All the good deeds done by the Order are driven by the members.

As your professional field agent, one of the things I appreciate most is when one of my brother Knight clients or his spouse refers another member to me, better yet, referring a prospective member of the Order. This is a great endorsement of the service I provided. It tells me that they were pleased with what I helped them accomplish, that they want me to help others achieve the same level of financial safety and security. When I meet with you, please pass along names of those who might be able to benefit from the analysis that I provide.

Similarly, there is no stronger membership recruiting tool than the referral. How many of us know an eligible Catholic male who is not a member of the Knights of Columbus? Do you have Catholic family or friends who have yet to join? Most likely, they have never been asked and don't know enough about the Order to seek out membership on their own.

If you have names of potential members, please pass them along to me or your Grand Knight, Steve Sutkowski. Let us know if we can use your name when we contact the gentlemen in question. It is always more effective to tell a candidate for membership that he was recommended by a current member, especially someone he knows. Don't worry if the candidate is outside the area I serve or your council, we can make sure we put these future members in touch with the right people in their communities.

Over the past decade, Knights have given more than \$1.6 billion to charity and provided in excess of 75 million hours of service. Our membership has merely scratched the surface in North America. Imagine the potential if each one of us recruited one new member this year.

Recruitment of new members is not the job of the Chairman only. It is a joint effort of every member. As a member, you can invite your friends at Church, at work and your family members. The requirements are simple. The prospect must be a man, a Catholic and 18 years or older. Your ladies can be your great help to recruit. Try working with your ladies. The result could be surprisingly successful.

ENTRUSTED WITH THE FUTURE

State deputies from around the globe gather in New Haven to learn about the Knights of Columbus' new initiatives and discuss how to achieve them.

Supreme Knight, Carl Anderson

The Knights of Columbus held its Organizational Meeting of State Deputies last week in New Haven, Conn. The nearly 80 first and second year state deputies came from the United States, Canada, Poland, Mexico, Philippines and the Dominican Republic.

During the multi-day meeting, first year deputies receiving their medals of office, and all participated in general business sessions and a variety of workshops on topics relevant to their roles.

During the opening business session, Supreme Knight Carl Anderson spoke about the importance of the Knights' charitable work and emphasized the importance of councils working closely with their pastors and parishes. He also stressed the new 'Faith in Action' program model and its connection to our Building the Domestic Church priority.

See below for additional key points from the Supreme Knight's address.

RESPONSIBILITY OF STATE DEPUTIES

"We've been entrusted by our brother Knights to guide this organization into the future, to guide its growth, and to guide its well-being. And it's a heavy responsibility. Knights of Columbus is going to grow or decline in the local council. That's why we have to reach out and make sure that our local councils are active, that they have sustainable leadership, and that they understand the necessity of bringing new and more people in."

OUR NEW PROGRAM MODEL – FAITH IN ACTION

"What the Knights of Columbus is doing in thousands of different ways every day is putting our faith in action. Putting our faith in action in ways that people see and understand and know bring value to people's lives, bring value to our communities, bring value to our country--whichever country we are living in. So I urge every single council to embrace this program and to carry forward projects within each of these categories."

BUILDING THE DOMESTIC CHURCH

"The domestic church is foundational to Faith in Action. Pope Benedict told us that the church has three missions. It has a mission to pray, it has a mission to evangelize, and it has a mission of charity. Our domestic church program simply says the Catholic family has the same mission. It has the mission to pray together, it has the mission to build up each other in the faith, and it has the mission to practice charity among the members of the family and for the family to reach out to other families. How many fewer individual Catholic families would be broken and suffering if we could get our families to pray more, build up each other in the faith, forgive, and reconcile and practice charity?"

BUILDING CATHOLICISM, NOT COLUMBIANISM

"What Father McGivney laid out was not the principles of a men's club or the principles of a secret society. It was a principled way of life for men to live their Catholic faith. We are not just building Colombianism, we are building Catholicism. Let's think about being a Knight of Columbus like that. And if we do, we understand that we are not just state deputies. Is that not the spiritual genius of Father McGivney? To understand how to build a way of life for men that goes to the central core of what it means to be a Catholic: charity, unity, brotherhood."

THE STRONG RIGHT ARM OF OUR PARISHES

"We pride ourselves in being called the strong right arm of the church. We cannot do that unless our councils are the strong right arm of their parish priests. That was Father McGivney's dream--a team of men who would be there for their local pastor."

CHARITY - DOING MORE

“When we tout our numbers, it's not numbers alone, it is lives changed and lives changed in ways that only we can do. But as we go forward this year, let's do a little more. Let's ask every council if they can do three, four or five percent more this year. If we do, we are going to change thousands of more lives.”

CONTINUING TO HELP PUERTO RICO

“I was down in Puerto Rico with the state deputy and we stopped at an orphanage and a school for girls that had taken a direct hit from the hurricane as most of the island had.

Here we were five months after the hurricane, the roof was still not finished, and the girls were not in the orphanage but they were still at temporary homes because they could not fix the roof. So I gave the nun who was in charge of the facility a check for \$50,000 from the Knights of Columbus to fix the roof, and she could not stop crying.”

WARRIORS TO LOURDES

“I met a woman who had served in the military and received a very severe head trauma as a result of an IED and now barely can talk. What she can say is very difficult to understand. And her mother said to me, ‘I can't thank you enough for this experience. My daughter and I are not Catholics, but being here has changed our lives, and we thought people had forgotten about us. But then the Knights of Columbus called.’”

ULTRASOUND INITIATIVE

“We are getting reports back that for every ultrasound machine we place, we are saving an average of two children a week. That's 100 children a machine. Where can you save 500 lives for \$15,000? Where can you save one life for \$15,000? And if you talk about the legacy of being a grand knight or the legacy of your council, what if it is saving hundreds of babies.”
