

My Brothers,

Saturday, January 19th was the yearly March for Life of the Diocese of Tucson. Hopefully many of us attended.

and about to bring into the world (Reachout Women's Center). We actively participate and voice our support to end this evil called abortion.

Abortion has been legal in our Country since 1973. A whole generation has been lost due to this evil of death. How many Doctors, Lawyers, Accountants? How many children? How many ladies regret this?

Let us Pray for an end to the destruction of human life. Let us Pray for peace.

Vivat Jesus, the Author of Life.

Tony Pennisi, Grand Knight

We support the idea that abortion is wrong and against all that we hold dear in life. We are supportive of agencies who seek to prevent, inform and enlighten women to the joy of the life they have been blessed with

Prayer INTENTIONS

A Prayer for Healing...

Dear God,
 we place our worries in Your hands.
 We place our sick in Your care
 and humbly ask that You restore Your servants to health
 again.
 Above all, grant us the grace to acknowledge Your holy
 will and know that whatever You do,
 You do for the love of us. Amen.

Knights of Columbus **INSURANCE** YOUR SHIELD FOR LIFE

Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.
