

This is my last Keller's Korner. For ten years I have been submitting articles monthly to the newsletters of the councils I serve(d). I hope for those of you who read them the articles provided some useful information and prompted you to provide financial protection for your loved ones.

It is time for me to move on. If you have any questions at all about your policies or other Knights of Columbus products, please do not hesitate to contact me. I will be available until April 1, 2020.

Thank you to all of you who made this a terrific 10-year run!

Alex Keller FIFC
