Congratulations Past Grand Knight John Vlinka

John Vlinka, engulfed in support by Past Council Grand Knights

“My deepest and most sincere appreciation to all of you, Past Grand Knights, fellow knights, families, and friends who have come here to honor me.

To my very good friend, current Grand Knight, Pete Munnich thank you for organizing this most special event. Pete & I have done quite a bit in the council as partners. We have done all our degrees together including our fourth, and have risen through the council holding different offices. For Pete to hand me this purple PGK Ribbon is above and beyond what I could have asked. I just can't wait for next year's past grand knight's dinner for my return.

Never in a million years did I think that I'd be attending a PGK dinner for me, at least not this soon. The thrill is not as much in one specific thing, but in all the different events and dinners, fundraisers and the Tootsie Roll (ID) Drives, but especially the feeling you receive from the little ones that get helped by our council every year.

To get a hug, to be given a high five, or just a heartfelt thank you from the kids at Elite Stars, GiGi's, the Kid's Equipment Network, St. Hubert Gift Program and many more organizations is a well-received, Thank You.

As Grand Knight, I was able to hand the “Big Check” to quite a few of most deserving groups. I can see myself once again participating in the Special Olympics urging the athletes on. As well, being in the opening parade in full regalia watching these special athletes parade in to a roaring applause and cheers. Then trying their hardest to win a gold medal.

Now I can now join a unique group of Past Grand Knights, with so many here tonight. I thank them for their insight. I thank my council's fellow knights for all their support during my term, and finally to my wife, Joyce, who had to put up with my goings on, and my computer work space messes for over this year.”

GiGi's Playhouse has been a long time benefactor of our council's members' efforts to raise funds - from our annual Intellectual Disabilities/Tootsie Roll Sales Drives. GiGi's asked if they could come forward before us to express their 'thank you.'

This photo is of Mary Jo Shepherd, LSW, National Career Development Manager, GiGi's Playhouse Inc., Down Syndrome Achievement Centers, some of her staff and GiGi students. They expressed their appreciation to us personally and with a video. GiGi addresses the needs of those with Down Syndrome, their families and the community.

EAGLE SCOUT

St. Mathew Parish Pastor, Father Glab, 'suggested' that our council undertake the restoration of the decades old wooden 'shed' on the parish grounds. Our brother knight's Dean Hoppesch son, Matthew, organized and coordinated the efforts of fellow scouts - and brother knights - to produce this model structure. Because of this, and all of the profound qualifications that he has met, he successfully passed the Eagle Scout Board of Review. **Congratulations Matt!**

Protect your assets. Get quality care.

Prepare for the future

by Pierre Zermatten, Knights of Columbus, Insurance Field Agent

What is it?

Long-term care insurance helps you pay for your extended medical needs in a nursing home facility or in the comfort of your own home.

Who needs it?

Long-term care insurance should be an important part of every family's planning. While we'd like to think that we will never need long-term care, or that we could easily afford it the statistics suggest otherwise:

- 70 percent of people over age 65 will need some type of long-term care services during their lifetime.^[1]
- 3 years is the average duration of long-term care needed per individual.^[2]
- \$91,250 is the average annual cost of private nursing home care.^[3]
- \$8,300 is the average annual cost of at-home nursing care.^[4]

Traditional medical insurance programs and government medical insurance programs don't usually provide enough help. According to the Department of Health and Human Services, Medicare only pays for long-term care services for a maximum of 100 days, with a copay after the 20th day, and only if you meet certain criteria. Medicaid does pay for long-term care, but only if your income is below a certain level, and you meet state requirements.^[5]

How does it work?

Knights of Columbus Long-Term Care insurance policies establish a pool of money (also known as a maximum lifetime benefit), which is determined by a number of options that you choose from (see below). That pool of money is then available for you to use to cover qualified long-term care expenses. When the pool of money is exhausted, your long-term care policy ends.

The Knights of Columbus also offers a spousal discount program, through which spouses who apply for long-term care insurance coverage together are eligible for up to a 30 percent discount.

Call me today to learn more about our long-term care insurance products and the safety and security that we can help provide.
