**KNIGHTS  
OF COLUMBUS**  
IN SERVICE TO ONE. IN SERVICE TO ALL.

**GK Tony Pennisi**

**May 2019**

My Brothers,

Their names were Alphius, Philadelphus, and Cyrinus. Born circa 230 AD, the brothers were raised in the Christian Faith. They were also members of the Roman family, the Elite. Daily they studied their Faith and Prayed.

In the year 250 AD, the Emperor issued an edict demanding that all Christians renounce their Faith and demonstrate allegiance to the State by worshiping him and the Roman gods. Failure to obey the edict was considered treason, punishable by death.

The brothers refused.

Because they were members of a highly regarded family, the authorities hoped to convince them or force them into a public renunciation of their Faith so that others would follow. The brothers were promised high positions within the Roman Government, money and power. The brothers continued to refuse. Their refusal combined with their family ties, represented the ultimate treason and insult to the Roman authorities.

The brothers were sent to Sicily to a young Roman patriot named Tertullus, who had gained fame for ruthless interrogation and torture of Christians. The brothers landed in Messina on August 25, 252 AD.

They were marched from there to Taormina with a heavy beam strapped to their shoulders. Along with them were forty soldiers who were considered the best of the Roman soldiers. The soldiers had one simple order, beat these brothers into submission.

Beat them they did; they cut their hair and threw boiling tar at their faces. They beat them to the point of death. The brothers stood firm in their Faith.

As they were beaten, the brothers responded with Prayer. Their Prayers were answered with miracles. The beam was removed and thrown into the Mediterranean Sea; their young faces and hair restored. All forty soldiers fell to the ground in fear. The brothers responded with love for their enemies.

As they traveled, the beatings continued. The intense suffering of the brothers and their refusal to give in to the power of the Roman authorities inspired more people to convert to Christianity.

As the beatings continued, the Faith of the brothers continued to restore them in health and strength. Twenty of the forty soldiers threw their swords down and asked to be baptized. Ultimately, these twenty new converts were beheaded.

Tertullus tried many means of promising the brothers fame and fortune, then torture, all to no avail. The Faith the brothers shared was more powerful than the Roman authorities.

On May 10, 253 the brothers refused for the last time to renounce their Faith. Tortullus ordered Alphius be bound to a post and his tongue removed. Alphius's final words were "Although you, wicked man, will deprive me of the means and organ of speech, nevertheless, even without a tongue I shall not cease to give praise to my Maker". With sharp hooks, the executioners ripped out the tongue of Alphius; he was 22 years old. Philadelphus, at 21, was put unto a grid iron and roasted alive. Cyrinus, at 19 was thrown into a large basin of boiling oil. The Brothers died as they lived. They died in Love of God and each other.

Their story does not end here. Over the centuries many miracles have been attributed to their intercession. For over 500 years, feasts in honor of the Faith and Love of these brothers are celebrated in May in Catania and Lentini Italy. When the Italian immigrants came to Lawrence, Massachusetts, my grandparents amongst them, they took this rich tradition with them. Every Labor Day week end, streets in the Italian neighborhood are filled with people of many nationalities celebrating the Faith and Love of these three young men, and Love of our families. It has been estimated that over the weekend 50,000 folks enjoy food and the music of this rich tradition. In 2023, we will celebrate 100 years.

On the Sunday of Labor Day weekend, amongst the snow of confetti, music, fireworks and the church bell we take the life size statues of the three brothers from the Church and parade them through the streets of the neighborhood. We honor their Faith.

For many years, I have been honored to ring the Church bell. The bell, weighing several tons was installed in the 70 plus foot tower of the Church in 1906. To ring the bell requires much pull and rhythm to allow the weight of the bell to create a ring heard for miles. The bell is rung for about forty-five minutes when the saints leave the church and forty-five minutes when they return.

It gets very hot in the tower. Several years ago, a fellow member of the Society complained to the Council that the bell was too much for one aging man to ring. Now several men join me in this honor.

The Society maintains that we can do without the confetti, we can do without the bands and fireworks, but you cannot do without the bell. The bell calls the faithful to the Saints, the bell represents Christ knocking on the doors of our hearts.

This year, on Sunday, September 1st, at 3:00 PM Boston time, 12:00 PM Tucson time, please listen for the bell. I will be ringing it in Prayer and Faith for you, my Brothers and Your Loved Ones.

Con Vera Fede, (With true Faith),

## Protecting Widows – A Founding Goal

As a member of this council, you know how important spouses can be to the charitable works of the Order. If you're married, your wife is probably involved in a few of the many events that happen each fraternal year. This support adds great value and impact to what a council can achieve.

When the Order was founded in 1882, Father Michael J. McGivney and the other brave men were setting out to protect Catholic families, but especially wives and children. Today, we remain committed to this mission by offering insurance products and fraternal benefits designed with that goal in mind. One specific policy rider that you may not know about is called Spousal Waiver of Premium. This rider is unique to the Knights of Columbus philosophy of helping our widows.

This rider is available on most permanent and Discoverer plans purchased at standard rates by a member and his wife on the same day. When both spouses apply, the rider provides for waiver of premiums on the spouse's contract in the event of the insured's death. Best of all, for members and spouses ages 18 to 60, this waiver can be added for no charge. The rider stays in effect until the spouse attains age 65 or certain other triggering events occur.

Our products are designed with your needs and budget in mind. With a solid portfolio of life insurance, long-term care, disability income and retirement products, the Knights of Columbus can help you meet all your financial goals. To learn more about these solutions, contact me today.
