GRAND KNIGHT'S CORNER

By now I am sure all Knights are aware of the push to increase membership in our councils. The theme this year is not new. It is one that our founder, Fr. Michael J. McGivney, established many years ago. His vision and his goal was to be sure that every member of the Knights of Columbus invited every eligible Catholic man to join us in our commitment to - "Building a Better World, one Council, one Family, one Member at a time."

In a recent KNIGHTLINE article Supreme Knight Carl Anderson described how total membership in the Catholic Church, from 1992 to 2002, increased by 40 percent, while membership in the Knights increased by only 8 percent. Most fraternal organizations, in this day and age, would be happy to have an 8 percent increase in growth. However, the significant growth of our church during that time means there are many Catholic gentlemen who may not have asked to join our ranks. Let us make a greater effort this year to hand a brochure describing our organization to someone who might be among those who have never been asked to join the greatest Catholic lay organization of our time – the Knights of Columbus. Our Membership Director, Mike Fulca, would be happy to provide business cards and have a member of the committee make a follow-up phone call to a potential member.

Fraternally,

Joe Keane

Grand Knight

CONGRATULATIONS!

***Knight of the Month for June –

***Family of the Month for June –

Oops! We neglected to include Pat Palomino among those who received their 2nd and 3rd degrees on June 8 at Council 8077. Congratulations Pat!

**Family of the Year: Brother Dick
Goddard and Family**

Looking through the membership of this council to find a single family that stands out for our family of the year recognition is no easy task. As Catholic gentlemen, we all recognize the need to make the sacrifices that make a difference. We have all chosen to be involved. We have all recognized that it takes a little more to keep what we value as part of our life.

I am sure you will agree that our family of the year this year deserves this recognition. Our Knight was born in Denver, Colorado and earned a degree in architectural engineering at the University of Colorado. He met and married his wife in 1957 in Denver. He then started a career in the US Air Force serving as a fighter pilot with three tours of combat duty in Viet Nam. He converted to Catholicism in 1962 while stationed in Turkey. Eventually our family was assigned to Davis Monthan AFB and joined St. Pius X parish in 1974. They have been parishioners since that time, despite a two year detour to Fort Hood, Texas. He retired from the Air Force in 1981 in Tucson and began a second career in real estate. Our Knight joined the Knights of Columbus in 1997 and served as Chancellor, Deputy

Grand Knight, Grand Knight and currently is our Financial Secretary.

Our Knight was a founding father of the Hearth Foundation, which in conjunction with the Shalom House, provided shelter for homeless women with children. His lady is the volunteer coordinator for the Ronald McDonald House.

Both our Knight and his lady are active in the church and community. Both have served on the parish council. He is an usher and Eucharistic Minister. She is a greeter, lector and Eucharistic Minister. Both were active in the couple to couple program assisting couples preparing for marriage (an alternative to engaged encounter). Our knight is also the coordinator of the Cursillio movement at St. Pius X.

Our Knight joined the Knights of Columbus because he felt the need to serve and to do so with spirituality. The Knights offered all he was looking for.

Our family has five children and eight grandchildren. Since they live from New York to Michigan to Colorado to California, they keep pretty busy just visiting but enjoy putting in the garden or on the computer when not busy.

Please join us in recognizing our Family of the Year, Dick and Judy Goddard. [Sorry, no photo available].

Knight of the Year: SK Carl Seymour

Carl Seymour(left) Knight of the Year.

What does it take to be selected Knight of the Year? First of all, the Knight of the Year exemplifies the principles of our order, Charity, Unity, Fraternity and Patriotism. Second, the Knight of the Year is selected from those awarded Knight of the Month in the past year. Let me take this opportunity to recognize all twelve of those outstanding Knights. They are Tom Anton, Jerry Hennelly, Chuck Chap, Carl Seymour, Joe Kerns, Dennis Ranke, Gene Stoll, Joe Keaney, Ed McGillivray, Art Dugan, Bob Palomino and Pete Karculias. Any one of these men would have been a great representative for Knight of the Year. It was a difficult choice.

This year's Knight of the Year was born and raised in Old Town, Maine. After school he spent four years in the US Air Force and was assigned to Davis Monthan AFB here where he met his wife Maria. They were married in Tucson in 1959. Our Knight went back to Maine for five years before returning to Tucson to work for the mines. After the mining company was bought out, our Knight transferred to Denver, Colorado and then to Dallas and retired in 1986, returning to Denver. Our Knight moved back to Tucson for good in 1994. Carl and Maria have four sons and eight grandchildren. When he is not busy with the Knights (I can't imagine when that would

be) our Knight enjoys hunting, fishing and golf.

Our Knight of the Year received his First Degree in October 1998 and, wasting no time, received his Second and Third Degree the following month. Our Knight became a Sir Knight, receiving the Fourth Degree in May of this year.

Brother Carl works hard for our council and parish. Among his many activities are the New Year's and St. Patrick's Day parties, the pancake breakfasts, children's Christmas party and more. In fact, it would be hard to think of an activity we do that Carl is not involved in. He is always one of the first to arrive and last to leave. He takes on any and all jobs, even the ones that are not much fun (clean up crew!). And he does it all with a smile, never seeking anything for himself except to help out "a great bunch of guys". We even had to call him out of the kitchen at the awards banquet to present his plaque.

Please join me in congratulating our Knight of the Year, Sir Knight Carl Seymour.

GRACE AND ICE CREAM

Without any intent of being sacrilegious, we ask you: "How often do you have the opportunity of gaining a plenary indulgence and an ice cream social at the same time"? Father Louis Delgado Council in Florence will make it possible for you to do so!

You are invited: Friday evening, August 15, 7 P.M. the Feast of the Assumption of the Blessed Virgin Mary, a holy day of obligation, at Assumption of the Blessed Virgin Mary Church in beautiful downtown Florence.

Following the Holy Mass, the council will conduct a tour of the Chapel of the Gila in celebration of the complete restoration of the oldest Catholic religious building in

August 2003

Arizona, to which the Knights have contributed over \$100,000 in the past 30 years.

After the tour, the council will put on an ice cream social for all of our members, wives, families and friends. Don't miss it.

As some of you know, contributions by the Arizona Knights of Columbus started under the leadership of John Cardellina 30 years ago when he was Master of the Fourth Degree in Arizona. S.K. John Cardellina is currently a member of our associated Msgr. James T. Weber Assembly 2152. If you are interested in car pooling to go to Florence for this wonderful event, please let me know. Master Jim Maino is looking into using the St. Elizabeth Ann Seton church bus for this trip. Contact me for further information.

Capilla del Gila - Chapel of the Gila

The Chapel was constructed in 1870 and was the first Roman Catholic Church in Arizona. A portion of the roof collapsed in the 1970s. The restoration project was undertaken when Bishop Green, upon learning that restoration was architecturally possible, refused to permit its demolition. It was listed on the National Register of Historic Places in 1982. If you have web access, visit <http://www.catholic-church.org/assumptionbvm/historysobinp1.html> for more information.

SICK AND WELFARE

Dear brothers as the newly appointed Chancellor one of my duties is to exercise a special interest in those members who are sick or in distress. In order for me to perform these duties it is necessary that I be provided with information regarding brothers in this category. All council knights are urged to notify me immediately if you know of a brother needing special support. Some of you who are in my e mail address book are on our council prayer list. Others who do not attend our meetings for one reason or another should know that I will always be there for them. New memberscome to our meetings....meet your brother knights.....we are a very active council and need everyone's support and ideas. For those who don't have a council roster my phone number is 296-7086 I will be happy to talk to you

PARLIAMENTARY PROCEDURE – SIMPLIFIED – PART III

This is the final part of a simple tutorial regarding parliamentary procedure. I will briefly cover when to make the most common motions.

Most of the first part of our business meeting is devoted to reports. We hear the minutes read, reports of the Grand Knight, Admissions, and service programs for example. When applications for

August 2003

membership or transfer are introduced, a motion is made to accept the candidates. Our by laws provide for secret balloting, so it would be appropriate to make a motion to suspend the rules and direct the Recorder to cast one unanimous ballot accepting the prospective members (pending a favorable report of the admissions committee if needed). This motion requires a second. In actual practice, this is usually abbreviated to moving to accept the members, omitting the suspension of rules part. any member could raise a *point of order* however and ask that secret ballots be taken. (This same general procedure is followed for officer elections).

During the reports, a member may wish to make a motion to spend money, implement a new program or some other action that requires a vote of the council. There are two cases. First, if the motion is new, it should be made during the new business part of the meeting. Second, if the report is on an item that was tabled or referred to the committee at a previous meeting, it should be brought up under old business. In either case, amounts over \$200 require a written resolution and must be read at two meetings.

Motions to amend etc. may be made any time a motion is on the floor.

During the old and new business part of a meeting, it is good protocol to only ask for the floor when you have a motion to make. Stand and say "I move that ...". Once the motion is seconded, the council may discuss it. No discussion should be made until the motion is made and seconded. (If

you just want to comment about something, wait until the Good of The Order or consult with the Grand Knight ahead of the meeting).

In summary, parliamentary procedure is used to assure smooth, fair proceedings. Each member should be familiar with the basics of when and how to make motions. Officers, especially chair officers, should know these basics and be familiar with Robert's Rules of Order.

Finally, the legal print: If anything I have said in this series is in conflict with our Constitution, Laws and Rules, our council by laws or any other higher authority, then they are probably right and I am probably wrong.
