As nontraditional as it may be, life insurance is a wise and caring gift to purchase for many people.

**Life Insurance As a Gift?**

The initial reaction for many people when you mention life insurance as a gift is a quick step back and a questioning stare. “How morbid,” they think. While it may seem that way when you first mention it, life insurance is really a thoughtful gift that can be a financial life preserver in tough times.

The problem with life insurance is the general perception. Many think of death instead of the great benefits it provides, and the security that it offers – even while you’re alive.. Life insurance should be thought of as a precautionary protective measure for a family unit. The purchase of this product can mean saving your home, sending your children to college, and preserving your spouse’s quality of life in the event of your death.

One of the times you may want to purchase life insurance for someone is when a family has a new baby. It’s a great, low-cost way to set money aside for the future (i.e. college tuition, housing, business start-up, etc.). Of greater importance, it ensures these children will have insurance as adults, in case an illness later in life makes him or her uninsurable.

Newlyweds are also ideal recipients for life insurance. As they join their lives and financial responsibilities, young couples need to make sure that their early investments are fully protected. If something were to happen to one of them, the other may be faced with serious financial hardship. A life insurance policy is an ideal way to ensure their future and protect their assets.

## PWID Results

This year's PWID drive was a bit more labor intensive because we required 183 of volunteer hours to be covered. That is 90 more hours than last year's drive. The final total for this year's PWID Drive will be revealed in next months newsletter but all indications are that the total will be more than last year's drive. I want you all to know how much we appreciate the efforts and results thanks to those of you who were able to sign up to help. As usual, St Pius X Knights and Parishioners came through as they always do and we give you all a standing ovation for that. We could not have done it without you.

As we did last year look for some trivia facts that we will have in the November newsletter: **(fill in your guess and compare next month!)**

- \_\_\_\_ - Number of volunteer hours that we needed to collect our contributions (not counting prep and admin hours)
- \_\_\_\_ - Number of Tootsie Rolls we ordered for the drive
- \_\_\_\_ - Number of Tootsie Rolls we had left
- \_\_\_\_ - Number of foreign coins, buttons, medals etc. we found in our collection cans (Swiss Francs, New Zealand Coin, Italian Lire, Canadian Coins,)
- \_\_\_\_ - Number of teens who volunteered
- \_\_\_\_ - Number of Boy Scouts who volunteered
- \_\_\_\_ - Number of dollars we collected
- \_\_\_\_ - The number of locations locally we will be contributing our portion of the funds to and who they were.

Thanks and God Bless

**2014 Coronado Area Special Olympics Fall Games - September 6th and 13th 2014**

I am proud to report that St Pius X Council 10762 were well represented at the Special Olympic events on both days. A special thanks goes out to the following knights and their family members who joined me in volunteering:

- Jim Barr and his 2 daughters (Abigail and Eliza)
- Brian Landry
- Jim Nicklaus

The only other knight there was the state Special Olympics Chairman, Kevin Donnelly, from St Rita's of the Desert, and he told me we were the only council who signed up to assist and volunteer. I promised anyone who volunteered an experience they will be able to keep with them forever and you can ask those who helped how they felt after their day with the Special Olympians. The pictures below were taken by yours truly of the events - others can be found online. Hopefully, we will be able to increase in the number of volunteers for future events and make this one of our key activities which I will be happy to Chair.
