Final Thoughts

• The Message of Fatima is an invitation and a school of salvation. It was initiated by the Angel of Peace in 1916 and completed by our Lady in 1917. It was lived, to a heroic degree, by the three little shepherds.

• The Message of Fatima, which is that of the Gospel, emphasizes the following points:
  – Permanent conversion
  – Prayer, and namely the Rosary
  – The sense of collective responsibility and the practice of reparation

• The acceptance of the Message brings with it Consecration to the Immaculate Heart of Mary, which is a symbol of commitment to faithfulness and the apostolate.

• Archbishop Cordileone’s Program of Action:
  – *prayer*: our Lady has asked us specifically to pray the Rosary daily
  – *Penance*: most especially we must take up the spiritual arm of penance remembering that Friday is still a day of Penance
  – *Adoration*: our Lady advocates for us, she picks us up, in order to bring us to her Son. All of our devotion, just as all of our penitential practices, must lead to adoration of God.
Really Final Thoughts

• The prayers taught in Fatima by the Angel and by Our Lady help us to live the Message which, as Pope St. John Paul II said, means conversion and living in the grace of God. (Fatima 1982)
