### CHAPLAIN'S MESSAGE

Rev. Vincent DeRosa, Council Chaplain

**"Keep us true to the pledge to extend the Kingship of thy divine Son."** Every knight faces frustration trying to live out this part of our prayer. I hear it in our hopes for the Church and in our ambitions for our parishes. It reminds me of the time the disciples were frustrated that they could not drive out a demon (Mt. 17:14-20). Jesus comes down from Tabor and reminds them that it takes sincere interior faith to do great deeds of the Kingdom.

What does this faith look like? Let's look to Mary, our model in all things. Mary, whose birth we celebrate on September 8 did the greatest most Kingdom building thing imaginable, she mothered the Savior. But her great visible deeds only succeeded based on a great invisible deed: a life of prayerful communion with God.

We yearn for multitudes to rise up for the Gospel. We yearn for the conversion of those who stand opposed to Gospel truth and love. But such visible victories can only ever be built on a life of prayer at home, where we tend first to the spiritual security of our families.

As a Knight, as a man: Do I pray the rosary daily with/for my wife and children? Do I lead my (grand) children in daily prayer? Do I confess at least monthly? Mary, by your example and by your prayers, help us to "extend the Kingship of your divine Son" first in our homes and then in the world.

First and foremost I want to sincerely thank everyone who made our council installation a success. Anytime you list people to be recognized, you run the risk of missing someone. I will take that risk. To my wife Lynn, her sister Jean Henry, and to our daughters Dawn, Shannon, and Catherine for preparing and serving our meal; to our MC Don Hemke who kept everything flowing smoothly; to our bartenders John and Betty Neeson who also kept everything flowing smoothly; to our District Deputy Michael Janus, his Warden Julio Ruiz and their wives for joining us and conducting an outstanding installation.

Thanks go out to our council officers for a wonderful turnout and a commitment to a successful fraternal year. And if you did not hear Brother Knight Fred Taylor as stepped in as Deputy Grand Knight, our council is most fortunate to have Fred in a leadership role.

I am very excited to move forward with so many talented and committed men with which to work. Did I mention all the Past Grand Knights and ladies who joined us? Without their service and leadership where would we be?

Thanks to all who made the event so memorable, I believe that this is only one of many events that all of us will enjoy. I ask only that you watch for more info in this newsletter and on the council website.

Enough of the past, what lies ahead? By the time you receive this newsletter several events will already be in motion. At the top of the list is the annual Columbus Day Ball scheduled on October 11<sup>th</sup>. The council has already reserved a table for ten. To get more information you can go to the State Website or to join the celebration, call Don Hemke 301-774-7511. The cost is \$125 a couple, the place; Baltimore Washington Marriott 1743 West Nursery Rd, Linthicum, MD. It is very near BWI airport.

Within this newsletter you will see information on a Special Olympic event on September 27<sup>th</sup> at Montgomery Council. Our council has agreed to organize a "TWO BIT AUCTION." For those of you who are not familiar with this fundraiser, we are asking for donations of quality items to be auctioned off at 25 cents per ticket. The process is fun and if you have any item to donate, please contact me at 301-774-0137.

It has been a while, but we still know how to cook spaghetti! Please see the flyer in this newsletter and mark your calendar.

## DISTRICT DEPUTY'S REPORT

Michael Janus, District Deputy #30

[E-mail: [mjanus83@gmail.com](mailto:mjanus83@gmail.com) ~ Phone: 301-515-6313]

I want to congratulate and thank the council and your officers for such a warm reception to my wife Reakha and me at your installation. I know I can say the same for District Warden, Julio Ruiz and his wife Rosa.

I am impressed with the commitment this council has to success in all areas of the fraternal year. You certainly have the experience and talent to have a most memorable year. Please remember the part of the installation ceremony when it is said that your District Deputy is anxious for your success and will do everything possible to support your efforts.

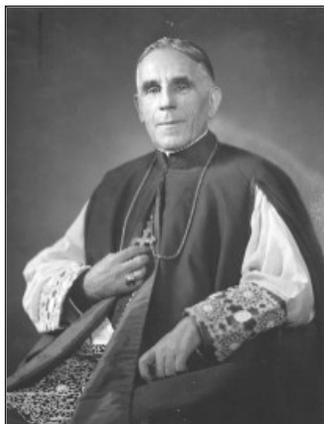

That is not an empty promise. I am impressed with your event planning and am looking forward to many award winning programs.

As always, if Julio or I can be of any help, please do not hesitate to contact us.

Fraternally, Michael Janus, DD30

### Raising Awareness about Life Insurance

Each September, since 2003, has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor; even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future. Contact me today to learn more about our products.

Maher Council is partnering with Montgomery Council 2323, which is hosting an event at their Council's Hall at 17001 Overhill Rd in Derwood, from 1 to 3 pm.

### **PAY-PAL IS HERE!**

Don Hemke, Council Financial Secretary

**IT'S FINALLY HERE!** The council has incorporated a **PayPal** ® capability. This enables the membership to pay their annual dues obligation by credit card beginning in 2015. We'll also be able to accept online and on-site credit card purchases of tickets to council events/activities and donations to the council. Details are forthcoming as these capabilities become available.

### **MEMBERSHIP REPORT**

My brother knights and families, one of the visible programs we, as knights, promote is our support of children with developmental disabilities "GOD'S SPECIAL CHILDREN."

This year we are concentrating our efforts on a few locations and are looking for volunteers to fill various time slots. Your two hours of help can make a huge difference in someone's life. The annual TOOTSIE ROLL CAMPAIGN is a signature of the Knights of Columbus. Come be a part. See signup info in this newsletter.

Why is this under membership? Why not? Isn't this the reason why we joined, to make a difference? Why not ASK a friend, a neighbor, or relative to make a difference, not only in their life, but in the life of a stranger. The "thank you" is out of this world!

#### Culture of Life' Council Activities

Steve Goldhammer, St. Patrick's Culture of Life Chairman

My brothers all:

Did you know that there are 721 abortions conducted every working hour in the United States? So far, the State Council has purchased 11 ultrasound machines for the pregnancy centers in Maryland. Over 2/3 of women contemplating abortion decide against it when they see their baby on an ultrasound. Besides your prayers to end abortion, many more ultrasound machines are needed. St. Patrick's parish Pro-life committee is planning several events this fall that you are welcome to participate in and/or assist with. Some of them are:

- Forty Days for Life Vigil at the Germantown Abortion Clinic -- Date to be announced.
  - **Baby Bottle Campaign to benefit the Gabriel Project** – (Sept. 27/28 – Bottle Distribution) (Oct. 25/26 –Baby Bottle Collection) (Week of Oct 26-31 – Delivery to Designee)
  - **Baby Shower:** In conjunction with the Baby Bottle Campaign. Among the list of items parishioners could bring to Sunday masses in October: A & D Ointment; Baby Bottle Brushes; Destin Ointment; Children's Toothbrushes; Hooded towels; Pacifiers (newborns-3 mos.) A flyer with more details will be published in St. Patrick's bulletin.
  - **Respect Life Sunday** – in conjunction with St. Mary's parish. Details will be in the church bulletin.
  - **Tepeyac Prayers** – after the 9:10 mass on the 12th of each month with a special service on *Fri., Dec. 12* – Our Lady of Guadalupe Feast Day.
  - **Respect Life Movie** – Details will be in the church bulletin.
- Please call me on (301) 570-9613 if you have any questions. Thanks. Steve Goldhammer

#### Message from Gerald Hicks, Director, Culture of Life Activities, Maryland State Council Knights of Columbus

Brothers & Friends:

We hoped to get back to having a Maryland State Council Pro-Life Mass on a monthly basis, and we are exceeding that goal! Here are the Masses currently on the calendar. All start at 7 PM.

**September 16** - Jesus The Divine Word Church, Huntingtown, Fr. Larry Swink, celebrant and homilist; Lawrence Grayson, after-Mass speaker.

**October 22** - St. Hugh of Grenoble Church, Greenbelt, Fr. Walter Tappe, celebrant and homilist.

**October 28** – St. Elizabeth Church, Rockville, Msgr. John Macfarlane, celebrant and homilist; Lawrence Grayson, after-Mass speaker.

As Larry Grayson says, *"In this battle for the unborn, all of our temporal efforts will be in vain if we do not do them from a spiritual foundation. Prayer is essential."*

Please plan to attend a Pro-Life Mass near you, and bring your friends, family and neighbors. To schedule a Pro-Life Mass in your community, contact Chairman Ed Waskiewicz at [EdNancy1@comcast.net](mailto:EdNancy1@comcast.net).

## SUPREME NEWS

### Knights of Columbus Sets Record for Charity in 2013

During his address at the opening business session of the Organizational Meeting of State Deputies, Supreme Knight Carl Anderson announced that the Knights of Columbus set all-time records for charitable donations and service hours in 2013 while helping in communities worldwide, including responses to a number of large-scale humanitarian crises. The K of C's Annual Survey of Fraternal Activity for the year ending Dec. 31, 2013, reports that Knights donated record amounts of money and hours of volunteer service — more than \$170 million and more than 70.5 million hours.

The K of C's Annual Survey of Fraternal Activity for the year ending Dec. 31, 2013, reports that Knights donated record amounts of money and hours of volunteer service — more than \$170 million and more than 70.5 million hours. Contributions increased for the 14th consecutive year, growing by more than \$2.3 million to \$170,135,754. *“Charity has been at the heart of the Knights’ mission for the past 132 years,”* said Supreme Knight Carl Anderson said after announcing the figures. *“Whether with funds or service, and whether quietly helping someone overcome a personal tragedy or assisting in the aftermath of a widely known humanitarian disaster, the outpouring of charity by our members produces meaningful results, especially by helping to bring peace of mind to those who find themselves in incredibly difficult situations.”*

In 2013, Anderson explained, *“Knights were part of relief efforts for a number of tragic events, including two enormous natural disasters in the Philippines; tornados in Moore, Oklahoma; floods in Alberta, Canada; the factory explosion in West, Texas; and the Boston Marathon bombing. The year also saw the Knights continue their support for the victims of Superstorm Sandy, and for the people of Newtown, Conn, as they recovered from the school shooting that took the lives of 26 residents, most of whom were young children.”*

The response to unexpected tragedies was accomplished while the Knights continued their strong support within their communities through initiatives like the Knights of Columbus Coats for Kids and Food for Families, programs supporting those with intellectual disabilities, organizing blood drives, and providing funding and volunteer time to organizations such as Habitat for Humanity, Special Olympics and the Global Wheelchair Mission.

The number of volunteer service hours rose in 2013 by 421,071 hours over the 2012 total. At an average value of \$22.55 per service hour as estimated by Independent Sector, the value of the Knights’ volunteer service last year was nearly \$1.6 billion.

Cumulative figures show that during the past decade the Knights of Columbus has donated nearly \$1.5 billion to charity and 683 million hours of volunteer service in support of charitable initiatives.
