All You Have To Do Is Ask

by Grand Knight Dave Tomlin

"Preach the Gospel at all times. If necessary, use words." -St. Francis

Francis was the son of a wealthy cloth merchant in Assisi, and he lived the high life typical of a wealthy young man, even fighting for Assisi. While going off to war in 1204, Francis had a vision that directed him back to Assisi, where he lost his taste for his worldly life.

On a pilgrimage to Rome, he begged with the beggars at St. Peter's. The experience moved him to live in poverty. Francis returned home, began preaching on the streets, and soon amassed a following. His order was endorsed by Pope Innocent III in 1210. He then founded the Order of Poor Clares, which was an enclosed order for women, as well as the Third Order of Brothers and Sisters of Penance.

In 1219, he went to Egypt in an attempt to convert the Sultan. By this point, the Franciscan Order had grown to such an extent that its primitive organizational structure was no longer sufficient. He returned to Italy to organize the order. Once his organization was endorsed by the Pope, he withdrew increasingly from external affairs. In 1223, Francis arranged for the first Christmas manger scene. In 1224, he received the stigmata, making him the first recorded person to bear the wounds of Christ's Passion. He died in 1226 while preaching Psalm 141.

Many of our brother knights have followed a similar path as that of St. Francis. Even those of us, who were cradle Catholics, can look back at our own lives and find where we have strayed from God's calling. We may find

ourselves looking to worldly opportunities rather than focusing on the message to give ourselves to loving one another. St. Francis had a life altering vision that called him to follow God's plan for him. For us, we too may have had visions or been counseled to come back to the path.

Ask any brother and they can share with you their story of events that have strengthened their belief in the love of God. They can, also, tell you about events since joining the Knights that have drawn them closer to the church-about how they have become better Catholic men! While we may not be affecting the world with St. Francis' magnitude, we are sending messages to those around us in every endeavor that we undertake. Our actions speak volumes of our charitable intentions, but sometimes, we must use our words.

Don't be shy! At some point someone came into your life and asked you to share in their mission of charity, unity and fraternity. Perhaps through their actions you sought out membership, but, more likely, you were asked!! You were given the opportunity to put into practice the love of neighbor that Jesus spoke to us about. Who are we to deny any soul the opportunity that we offer?

I challenge each of you this month to extend a palm of friendship to those around you in Mass each Sunday. As someone new sits with you, introduce yourself, and ask them to join our Order. Use your words and give them the opportunity to share in our ministry.

All you have to do is ask...

Vivat Jesus!

We are having another First Degree at St. Jude on the evening of September 6. We start at 7:00 P.M. and it will be over on the education side of the Parish Center where we usually have them. Come and watch our Degree Team in action and help welcome these new men into the Knights!

40 Days For Life

Forty Days For Life kicks off later this month here in Fort Worth. We are not certain as of press time when we will be praying outside the Henderson Street Abortion Clinic, but we will announce our time later in September. Please plan on helping with this important event. Learn much more about this event at www.40daysforlife.com.

Mansfield Musicfest

Mansfield Musicfest is going to be a three day event this year, from October 12-14. This is going to be a MAJOR EVENT for our Council and we will need LOTS of guys to work our booth. We will be cooking our usual fare. PLEASE KEEP THESE DATES OPEN as more information becomes available.

Fourth Degree Exemplification

The next Exemplification of the Fourth Degree of our Order will be held in Irving on October 20. Details about the event, which will last all day, are on the website along with registration paperwork. While October may sound a long ways away, you need to have all your paperwork completed and processed by October 1.

That means you want to have it filled out and in the hands of one of our Fourth Degree members by our meeting on September 11. So you need to start soon! Go pull down the forms from the website for that date and we'll get a Form 4 for you at the next meeting. Don't procrastinate as the fourth Degree is only presented here in the D/FW once a year!
