April 2016

From the Grand Knight

Brother Knights,

My favorite time of year is upon us, spring. By now we have celebrated the fact that Jesus Christ has died and risen from the dead to save us. Because of that we should all feel refreshed without taking any other aspects of the season into consideration. If we weren't already filled with enough joy, we also have numerous other things that make our blood flow and cause us to feel rejuvenated after the cold air and snow of winter are gone for the year. Two of my favorite occasions occur this time of year, trout fishing and gobbler hunting. Both of these give me something to look forward to. Aside from the times when I cast my line and get it tangled around tree roots and bushes on the other side of the stream, trout fishing is relaxing for me. Even when I'm not catching any fish it is still enjoyable to be surrounded by nature's beauty. This beauty is not just to be seen. It is also to be smelled in the freshness of the air and heard in the water as it trickles down stream. Even the muffled groans of fellow fisherman missing fish aren't all that distressing to listen to. Much of the same goes for gobbler hunting. Even if I'm not able to call in any legal turkeys I am still able to sit amongst the serenity of the woods and enjoy what God has given us. Use all of your senses this time of year to fully enjoy the beauty that surrounds us.

Fraternally Yours,

Lee

Chaplain's Message

Out Of The Ashes Of The Old

By
Father Anthony J. Legarski,
Chaplain

Brother Knights:

Anger, Confusion, Dismay, Searching...all of these can only begin to describe the sentiments felt by so many of us in the wake of the recent Pennsylvania Grand Jury Report regarding clergy sexual abuse in our diocese. Nonetheless, it is incumbent upon individuals and organizations such as the Knights of Columbus to lead the way on the "road to recovery." How do we do this? How do we begin to see, much less understand, this horrific aspect of the history in our local church?

First of all, we must understand that the only explanation anyone could render as to why these things happen is that Satan will strike wherever and however he can in his initiative to destroy the Church—even and especially in the vulnerability of her sinful members, including clergy.

While the findings of the Grand Jury for the most part discuss cases and acts that were documented, litigated, and determined to be true, it unfortunately includes accusations that were either unable to be proven or are totally without basis. The nature of a Grand Jury does not lend itself to us being able to distinguish between the two. At any rate, we do know that over the past 50 years or so, we have suffered the horrible experiences of clergy abuse from which we must be healed.

As Bishop Mark indicated in his letter to all of us on the Fourth Sunday of Lent, it is important not to run from our Lord who is present in Word and Sacrament; but rather embrace him for the consolation and healing of which we are all in need—especially the victims of these horrific acts.

On the weekend that I read Bishop Mark's letter at all the Masses, I offered some brief reflections of my own that I noted in the history of the Church: Every time the Church has carried a cross for the world to see it has been followed by a period of sanctification and renewal for the Church and her members to embrace. I believe the present circumstances are no exception; like Phoenix, the bird of Greek Mythology, a new life for the Church will rise out of the ashes of the old.

I also invite everyone's attention to the apostle Thomas who himself was so hurt and scandalized by the Cross that he separated himself from the community of believers at a time when he needed them the

most. Consequently, when our Lord appeared to them risen and glorified, he was not there and was not able to share in the peace that those who stayed together and remained faithful were able to.

As Knights of Columbus, we cannot allow ourselves be led by the scandal, but rather, be leaders through the scandal. We must continue to be on the "front line" of advancing the faith and helping others to understand that there is in fact a difference between the mystical Body of Christ and the weakness and sinfulness of Her members. We must understand that if the Church is not seen as carrying the cross that she preaches is necessary, she would have no credibility.

Despite this horrific period of our history, every one of us must remain strong, knowing that healing and renewal awaits us. We must journey there together with the prayerful support of each other and the strength given us by God's Word and the Sacraments of His Church. Moreover, we must seek the assistance in doing so of Mary, our Mother and Star of the Sea.

IMPORTANT!!!!

The Home Association Mustang Shelby Super Snake Fundraiser is in full swing!! The MSRP on this awesome Mustang is \$96,954. It has a whopping **750+** horsepower engine. It is absolutely beautiful! The raffle date is October 2, 2016. Tickets are only \$10 each! We are asking that each member **sell at least 10 tickets**. Each member received their first 10 tickets. Members are finding them easy to sell. You should try to always have tickets on you. In the event you are completely unable to sell all of them, please return them, but better yet if you need more call the council home at 814-695-4752 and let us know how many more you need. The more you sell the more we are able to accomplish. Once again, we suggest you have tickets on you at all times, you never know when an opportunity may come along to sell some. Our goal is to sell 25,000 tickets.

Besides selling tickets we could still use volunteers to go to car shows with us. This would lessen the burden on all those who have already volunteered. If interested call the council home or email us at kofc4245@gmail.com

Knights of Columbus
INSURANCE
YOUR SHIELD FOR LIFE

Caring for Our Own

The Knights of Columbus isn't just an insurance company. It's a brotherhood, and so we do things differently.

If we were just another insurance company, you'd be nothing more than customers – or potential customers – who only add value based on the products you purchase. But you're not. You're brothers, and so are we. After all, Father McGivney founded the Knights 132 years ago so that we could help each other – that's what insurance for brother Knights by brother Knights is all about. So we offer you products and services that are rare in our industry because we care deeply about you and your families, and your wellbeing.

For starters, we extend to each of our members an Accidental Death benefit for free, just by virtue of their membership in the Knights of Columbus.

The program – which is only available in insurance jurisdictions – provides a benefit of \$1,000 - \$2,500 upon the accidental death of any member or his spouse (subject to certain age restrictions).

The program was launched at the 113th Supreme Council Meeting in 1994, and has continued to the present day, providing more than \$12.5 million in benefits.

In addition to the Accidental Death benefit, the Knights of Columbus offer a number of free services to our members and their families.

First and foremost, we agents are committed to providing survivor assistance to widows and families left behind after the loss of a loved one.

Most commercial agents would fill out the necessary paperwork and move on, but not Knights of Columbus agents.

We will stand by you and help you contact your attorney to sort out the will, help you make funeral arrangements, help you notify and coordinate with the council, help resolve any financial mat-

ters, help you file *any* claims (including claims with companies other than the Knights of Columbus), and will help file for survivor benefits or Veteran's benefits, if necessary.

Secondarily, we offer two additional services to help Knights' families plan. The first is Profiles & Forecaster, a comprehensive and complimentary industry tool that helps you evaluate your family's financial situation, and to determine what insurance protection – if any – may be needed. The second, the Knights of Columbus Personal Planning Workbook, will help you record your final wishes and important information (including accounts, passwords, funeral arrangements, etc.) for your survivors. Both of these services are free.

In a letter addressing the programs, our Supreme Knight Carl Anderson noted that "These benefits augment the tradition of fraternity established by Father McGivney, namely, that *the Order cares for its own*; it expands upon a basic reason for which he founded the Order: 'of rendering pecuniary aid to its members, their families, and beneficiaries of members and their families.'" They are part of what makes us unique.

So get to know all of our fraternal benefits, and the ways in which you may benefit from them.
