Grand Knight's Monthly Message

Worthy Brothers, Ladies' Auxiliary Members, Family, and Friends,

I pray that all of you had a Merry Christmas with family, friends, and with the Lord. As we cross the threshold into 2023, I can't help but think back over these past few years. In a sense, it seems like it has passed by in the blink of an eye. But in other ways, it feels like an eternity. A lot has happened in our council, in our country, and around the world that affects us all in one way or another.

We have weathered the storm of COVID (still lingering in some areas), a proxy war in Europe, and numerous natural disasters. We have enjoyed being together in groups again and enjoyed sunny days as well as snowy days. Yet here we are, all thanks to God!

We have been successful in some projects, drives and fundraising, and have come up short on a few, too. Yet here we are, all thanks to God!

We have made big strides on the life front. We are one step closer to ensuring that the sanctity of human life is preserved with the ruling on the Dobbs case, but are losing Catholics who do not believe in transubstantiation. Yet here we are, all thanks to God!

We have seen families grow with children and grandchildren, but we have lost family, friends, Brother Knights, and Pope Emeritus Benedict XVI, and we are saddened by these losses. Yet here we are, all thanks to God!

We have learned much from these past couple of years that have helped shape the world we live in now. Yet here we are. The one constant that has been and always will be is our strength of faith, and that is all thanks to God!

Continue to use the Council website (<https://www.Madison-kofc.org>) to get the latest information on what's going on within the Council as our activities will continue over the coming months. Happy New Year

Happy New Year, God Bless, and Vivat Jesus!

December 10-11 – Council 10232 Membership Drive

Council 10232 members supported a Membership Drive following each Mass during the weekend of December 10th and 11th. Two to three Sir Knights and Brothers manned a “recruiting booth” in the vestibule of St. John’s Church after each Mass to hand out pamphlets and other literature to interested male parishioners, explain the Knights of Columbus organization, and respond to any questions regarding membership in the Knights. The booth display also included a rolling slide show depicting the various Council activities supported throughout the year. The weekend’s membership drive yielded five prospective candidates. Thanks to Sir Knights (SKs) Joe Duffy, Carlos Fernandez, Joe McCarty, James Cook, Chris Pate, Jerome Villarreal, Jim Lake and Mike Mitchell and to Brothers Scott Donovan and Andrew Haubrich for their support in manning the recruitment booth.

DECEMBER COUNCIL EVENTS & NEWS

Congratulations to one of our own Brother Knights, Seminarian Collins Hess, who was installed as a lector at the Pontifical College Josephinum on December 8, 2022, the Solemnity of the Immaculate Conception. The Most Reverend Jeffrey J. Walsh, Bishop of Gaylord, was the principal celebrant of the Mass held in Saint Turibius Chapel. Collins, along with two other Diocesan Seminarians, John Paul Stepnowski, and Andrew Vickery were installed to the Ministry of Lector. Additionally, two other Diocesan Seminarians, Patrick DePew and Max Gallegos were installed to the Ministry of Acolyte. Lectors are commissioned to proclaim the Word of God in the liturgical assembly and to instruct children and adults in the faith to prepare them to receive the sacraments. Acolytes are entrusted with attending to the altar, assisting the deacon and priest at Mass, and distributing Holy Communion during the liturgy and to the sick. In the rite, each candidate is handed a symbol of the ministry to which he is being instituted. Lectors receive a Book of the Gospels and acolytes are presented with a chalice, as the bishop encourages the men to fulfill the ministry faithfully. Institution to these ministries are pivotal steps on the journey toward priesthood. Typically, seminarians are instituted as lectors in their first year of theological studies and as acolytes the following year. (Writeup provided by the Diocese of Birmingham in Alabama Vocations Office.)

December 16 – Communita Cenacolo Quarterly Food for Families Delivery

On Friday, December 16th, Grand Knight (SK) Jerome Villarreal and SKs Joe McCarty and Craig Priebe loaded up over 1000 pounds of non-perishable foodstuffs, toiletries, cleaning items, and winter clothing items and drove down to Communita Cenacolo in Hanceville, AL to deliver the items, which were the result of the Council's last quarterly food drive. The residents of the Communita's addiction recovery program were most appreciative. Thank you to all Council Brothers, Sir Knights, and families for their donations that made this possible.

December 30 – Consecration of Parish Families to The Holy Family

The Catholic Church celebrated the Feast of the Holy Family this year on Friday, December 30th. The Knights of Columbus established a program for all Councils to use this celebration as an opportunity to encourage families within their respective parishes to consecrate themselves to the intercession of the Holy Family. Council 10232's Director of Family Programs, Ronnie Rickabaugh seized this opportunity and organized a Consecration by interested families in St. John's Parish Community. At the 8:30 AM Mass, celebrated by Father Antony, on December 30th, 12 Knights and over 50 Parishioners attended this celebration, which included a special prayer and blessing to close the Mass.

December 7-8 – Council 10232 Coats For Kids Deliveries

On December 7th, under the leadership of the Council's own State Deputy Sir Knight (SK) Danny Garcia, GK Jerome Villarreal, SKs Joe McCarty and Joe Duffy, and Brother Tim Albers inventoried, processed and packaged a total of 929 articles of cold weather clothing items gathered during the November Coats For Kids drive, bringing the total number of items collected to 4,933 since the drive was initiated in 2016! On December 8th, they delivered the bagged items to four local organizations, First Stop, Asbury Methodist Thrift Shop, St. Vincent de Paul Thrift Shop, and the Catholic Center of Concern. Two bags were also delivered to Communita Cenacolo in Hanceville, AL on December 16th. A huge "thank you" to all of our parish brothers and sisters, friends and family members for generously answering the call to help needy brothers and sisters warm during this year's cold season!

December 14 – FY 2023 Intellectual Disabilities (ID) Campaign Closeout

Following this Fraternal Year's Tootsie Roll ID Donation drive at ACE Hardware and St. John's Parish in October and the Tootsie Roll 5K Run/Walk Race jointly conducted by Councils 10232 and 1759 in early November, Council leadership closed out the final reporting and financial submissions to the Alabama Knights of Columbus State Treasurer and State ID Campaign Chairman on December 14th. The Council deposited the net proceeds of \$7100 from our local ID Drive effort. The State Treasurer will return 80 percent of that amount to the Council for presentation by the Grand Knight to the Madison City School District for their use in their Intellectual Disabilities education program. Well done, Brother Knights, in contributing to and supporting this important program for disadvantage students in our local community!

December 15 – Soccer Challenge Council, District and Alabama State Winners

Youth Programs Chairman Tom O'Donnell recognized two of the three winners at the Alabama State level in their respective age groups of the annual Soccer Challenge, conducted earlier this Fraternal Year in October. Pictured to the right are St. John's School students Anthony Ramirez, who won at the Council, District, and State level in the 11-year-old Male category, and Savannah Mai, who won at the Council, District, and State level in the 9-year-old Female category. Not pictured is Religious Education student James Groves, the winner at the Council, District, and State level in the 12-year-old Male category. His photo will be included in a subsequent newsletter when received.

December 17 – UAH Catholic Campus Ministry (CCM) House Bush Removal

The UAH CCM House Coordinator again requested assistance from the Council to remove some bushes. We removed four bushes that blocked the new chapel sign. We also trimmed up two bushes and removed a few limbs off a tree near the driveway that hindered view when backing out. Thanks to Brother Andrew Heller and Josh Villarreal, brother of Grand Knight Jerome, for showing up to help. We made quick work of it. If you have not been out there in a while, you will not recognize the campus. There has been a lot of work done in upgrades built upon the work we, as a council, have accomplished over the past couple of years.

December 1 & 15 – Council Support of the Knights of Columbus Aid and Support After Pregnancy (ASAP) Program

At the Council's Monthly Business Meeting on December 1st and Fraternal Meeting on December 15th, several Brother Knights continued turning in and donating their loose changes through the Baby Bottle program initiated following a presentation in August by the Director of the Athens Women's Resource Center requesting support. Baby bottles were distributed to Council members and, each month, the small change collected is gathered, counted, and rolled. Over \$400 in change was collected between the November and December meetings, bring the total collected to well over \$700 since it's inception. For every \$500 donated by the Council towards the ASAP Program, the Supreme level of the Knights of Columbus donates an additional \$100. The funds collected have been given to the local Sav-A-Life women's resource centers in Athens and Huntsville. The Council plans to expand this program and hand out more baby bottles across the parish.

December 10 – Monthly Prayer Rally for Life at Alabama Women's Center

Despite the threat of rain again this month, five Knights gathered on Saturday, December 10th, with four other Christians from the local community for the monthly recitation of the Rosary and Divine Mercy Chaplet in gratitude to God for overturning Roe v Wade. This time, the sky cleared and the sun came out as we were finishing the rosary recitation. We had our council's "Defend Life" banner. Signs were posted on both sides of Sparkman Drive. Passing motorists signaled approbation with waves, honks, and lights. While abortion clinics in Alabama are closed, abortion still exists in other states. Additionally, in light of the recent mid-term Federal election, pro-abortion and pro-choice activist groups are pushing the US House and Senate to pass legislation at the Federal level. Additionally, states with pro-abortion laws are offering ease of access and transportation to residents in states with anti-abortion laws. So, much prayer is still needed.
