Hello Dan,

Thank you for letting us know about the wait times.

I am very sorry to hear that donors had to wait as long as 1.5 hours; I will investigate this with our team to discuss that this does not happen again.

Despite that, I want to thank you for hosting such a fantastic drive.

Your efforts in organizing everything were vital to its success!

We are thrilled to share that 33 amazing donors provided 29 lifesaving pints—including 2 new donors.

These donations have the potential to help up to 87 hospital patients in their recovery.

Please extend our deepest gratitude to your donors and the church for contributing to our community in such a meaningful way. We love saving lives with you.

Your 2026 drives are on our calendar for:

Sunday, April 12, 2026

Sunday, September 13, 2026

Sunday, December 6, 2026

Most importantly, on behalf of the hospital patients we serve and the entire team at Vitalant, thank you for helping us save lives.

We truly couldn't do it without caring people like you.

With gratitude,

**Celinda Vargas**
