Hello Knights of Columbus-Holy Family

Greeting to you in the almighty Lord Jesus Christ. I am happy again that I send my greeting to you. Hopefully you are okay in all your aspects of life. We give praise to the Lord

With sincere gratitude, I am thankful to the Lord that my holidays have been safe and productive.

It has been long since December when I started my holidays to today 10/2/2026.

I have been enjoying many things accompanied with the skill obtaining practice from our district health center.

I have enjoyed Christmas festival, welcoming the new year and caring for my siblings

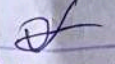

Many medical skills have been added to me such as pregnant mother examination, circumcision and wound cleaning.

Currently, I am going to school to start a new semester.

It's the fourth semester that finalizes my second year of the three years of my course. "Diploma in Clinical medicine and Community health."

I thank you sincerely for the great support that you provide for my better future.

Yours faithfully,

  
NEMBE ALEX
