

Grand Knight Spotlight

A great free Catholic magazine is Leaves, put out by the Mariannahill Fathers of Dearborn, MI. A story in the July/August issue recounts the following: A severely mentally & physically handicapped watched daily mass & adoration on her TV for over 60 years. One day her nurse repeatedly tried to pull up mass from St. Patrick's in NYC on her phone with no success. She gave her phone to this mentally & physically handicapped woman. Her phone immediately pulled up live mass from St. Patrick's.

Family of the Month/Knight of the Month-August:

We are pleased to honor Gary and Lisa Wolf as the Family of the Month for August. Gary has been a knight for 30 years. He has held most of the officer's positions with the 3rd & 4th Degree. Gary held the District Deputy position before Al Haas came on board. He currently is the Lacrosse Diocese Program Director. When it comes to helping out for the Knights of Columbus, Gary is always there. Gary is now our Village Board President for Plover. Lisa is also very involved with the Church, such as Eucharist Minister, etc. By the way, The Wolf Family was selected as the Family of the Year a few years back. Again, we are very proud to have Gary and Lisa as the Family of the Month for August.
