“The sense of humor salts all his escapades.”

Reflection from Joe Diedrich

During rehearsals for our school's Veterans Day ceremony the choir director had to admonish them for their overenthusiastic singing of the line "fight for right and freedom" in the Marine Corps hymn. Although I didn't correct the choir director, I did let the students know with a smile that I, for one, thought their enthusiasm was appropriate and would be appreciated by the attending veterans.

**Family & Knight of the Month** was covered at our Sept mtg where we honored the Celebrate Plover team of Neil & Jackie Denny, Bill & Linda Konkol and Al & Karen Trzebiatowski. Thus, this month completes the 3<sup>rd</sup> month as Al and Karen will be submitted for November. *Please congratulate and thank them for all they do.*

**Knights in action.** This was our 3<sup>rd</sup> year for Coats for Kids as led by Don Broderick as the new Chair replacing Gary Oudenhoven. It was expanded this year with 168 coats from infant to youth with distribution as: a Hispanic Mass at St Brons, new this year partnering with Interfaith Food Pantry in Plover, First Choice Pregnancy Resource Center and Kid's Closet (in the basement of Holy Spirit). Each jacket had a label saying "Hope You Have a Warm Winter" followed by Knights of Columbus, Plover, our logo, our council information to give us exposure/recognition.
