5/6	Highway Cleanup

Family of the Month

James and Karol Simon are our family of the month. Jim helps out our council by taking money during our fish fries and he also assists Karol with Sacristan duties. Karol is a trained Lay leader of prayer and distributes communion to people who drive up on Sundays. Jim and Karol are also into racing pigeons which they release at the cemetery on Memorial Day in honor of those who died in service of our country.

Knight of the Month

Mike Weseli, to those who don't know, is a past Grand Knight of our council. Beside those Past duties, he has been in charge of food and kitchen prep for our yearly Lenten fish fries. I'm not sure how long he has done this but I know it goes back years and if it

wasn't for Mike these fish fries probably would not happen! I'm sure Mike has done many more things for our council and I apologize for the things I have missed.
Congratulations to the Simons and Mike !
Chris Cooper is our '150 club' winner for March !

Please remember in your prayers:
